GRAFT AND FRAUD EXPOSED BY BARLOW

LEADER OF WORLD WAR VETERANS STIRS NEW ULM HEARERS.

SENATOR LA FOLLETTE MENTIONED AS PRESIDENTIAL POSSIBILITY.

Lifting the heavy veil of secrecy from the fraudulent manipulations and corrupt practices of a number of Washington officials during the war, Lester J. Barlow, national chairman of the World War Veterans, in a speech here Saturday night asked his New Ulm hearers to assist the organization he represents in its fight against the pernicious activities of associations and interests which place their privileges above constitutional rights of the people and to help the World War Veterans in their attempt to actualize a thorough house-cleaning in the national administration at Washington through the ballot box next November. There is no salvation from present conditions by either one of the old political parties, he said. Their leaders, with very few exceptions, take their orders from Wall street and, therefore, the people do not get the necessary protection in case their constitutional rights are in danger or trampled under foot.

La Follette For President.
Many times during his speech Mr. Barlow was interrupted by applause and consent, especially when he mentioned Senator La Follette's name as a presidential possibility. Mr. Barlow was referring to the great wave of indignation that is sweeping the country in all directions when he first mentioned La Follette's name. He stated that this indignation would find full expression in the nomination of the Wisconsin Senator at the proposed convention of all liberal groups in America during the month of June, at Chicago and at the ballot box on November 4. Not even Senator Johnson, he believed, could win people to stand above the average politician of the old school in regard to honesty and usefulness did not find favor with the speaker. And he gave the reason for his attitude saying that the Senator of California seemingly helped to protect the profiteers in the aircraft industry by showing an attitude of indifference regarding a thorough investigation of this matter. Senator Johnson, the speaker said, was very much in favor of such investigation until he succeeded the late Senator Stone of Missouri as member of the Military Affairs committee.

Aircraft Swindle.
Part of Mr. Barlow's speech was devoted to an exposure of the gigantic swindle in the American aircraft production. He especially emphasized the two cases of Col. Edward A. Deeds and of John D. Ryan, a stockholder in the Dayton Wright Aircraft Company who is now living in Italy and dare not return to this country for fear of being prosecuted. This man was placed at the head of the aircraft production bureau although he had been convicted of some crime several years before the war broke out. He was instrumental in the formation of a corporation which for a long time existed on paper only. This company, the speaker said, was given a contract of \$30,000,000 five months before the first dollar of stock was invested in it. And by a most clever maneuver Col. Deeds who was a stockholder in the Dayton Wright Aircraft Company bought up the whole stock of the newly created Dayton Metal Products company and so was in a position to do as he pleased. The real significance of these transactions will be seen in the light of the fact that Congress appropriated \$1,800,000,000 for aircraft production and that on Armistice Day, November 11, 1918, not one single American made battle plane and only a little over three hundred American made scout planes were stationed at the American front in France. Herein we also find an explanation for the rather strange and for many Americans inexplicable phenomenon that during the war not less than 23,000 millionaires were created in this country and all of them are to be found among the flag waving one hundred per cent patriots, the speaker explained.

John D. Ryan, president of the Chicago, Milwaukee and St. Paul road, was appointed to succeed Col. Deeds, he continued, mentioning the well-known fact that he ordered the building of a long railroad line in the state of Washington obviously for the purpose of hauling spruce for the production of flying machines, but two outstanding facts give the building of this road a different meaning. A clause in the contract provides that the road built by the government after the war could be sold for 20 per cent of the original cost and, secondly, the speaker pointed out, it is an undeniable fact that the line built by the government can only be used by the Chicago, Milwaukee and St. Paul road, of which Mr. Ryan is president.

National Service Party.
Mr. Barlow also mentioned the fact that it was decided at a meeting of the national executive committee of the Labor party, the national executive committee of the Committee of 48, the Colored Peoples representatives, the American Federation (unofficially) and the World War Veterans on April 3, 1920, at Chicago, Ill., to hold the conventions of these political groups together at Chicago on July 11, 12 and 13. The purpose of these joined conventions will be to form one big, political party. For the present this new party is called the National Service Party, but the (Continued from page 6.)

SHIPSTEAD AND FULLER WILL BE HERE SUNDAY

Gubernatorial and Congressional Candidate to Speak at Turner, Hall.—Committee Meeting.

Sunday will be a big day for the organized farmers and labor of New Ulm and vicinity, as their candidate for governor, Dr. Henrik Shipstead of Glenwood, and H. A. Fuller of Mankato, who was selected to represent the Second district farmer-labor forces as their candidate for congressman, will open the campaign in this city that afternoon. The big rally will be held at Turner Theatre next Thursday evening at 8 o'clock. It is possible that Capt. Mallon, farmer-labor candidate for lieutenant governor, and one or more other aspirants to state offices will be present also, but no definite information about probable other speakers was available when the Review went to press yesterday. The political committee of the New Ulm Central Labor Union and a representative delegation of Brown county League farmers will hold a joint meeting at the new Farmers' Creamery Hall, corner Broadway and Third North streets, tomorrow (Thursday) evening, for the purpose of making the necessary preparations for the big rally next Sunday.

A general invitation is extended to the residents of New Ulm and vicinity—men as well as women—to be present at Turner Theatre next Sunday and hear what Dr. Shipstead and Mr. Fuller have to say. That their addresses will prove highly interesting and instructive goes without saying. The time-worn, threadbare political tricks employed by plunder-bird politicians in the hope of deceiving the voters, will not be resorted to by the farmer-labor candidates.

A Canby farmer was hauled into municipal court recently on a charge of wearing a Masonic emblem unauthorized and after a hearing of the evidence he was held guilty of the charge and paid a small fine. There is a state law prohibiting people who are not members of fraternal organizations from wilfully wearing pins or other emblems emblematic of the orders.

ANTI-TONNAGE TAX CANDIDATE CHOSEN

STEEL TRUST ALLOWS AMBIGUOUS TAX PLANK IN PLATFORM.

PREUS ONLY PRE-CONVENTION CANDIDATE OPPOSED TO TONNAGE TAX.

J. A. O. Preus, friend of the steel trust, was endorsed by the Lindquist-Burnquist machine's "elimination convention" at St. Paul last week to oppose Doctor Henrik Shipstead, farmer-labor candidate for governor. Preus, according to the admission of the Duluth News-Tribune, which is owned by G. C. Hartley, iron ore operator, is openly against any kind of tonnage tax legislation. To fool the voters, the convention adopted a plank for a "fair" tonnage tax law, which would give "Governor" Preus a loophole through which to veto any tonnage tax measure passed.

The manipulation of the convention was so raw that Julius A. Schmahl and W. F. Schilling, Northfield farmer, bolted. The politicians serving the steel trust were not quite able to prevent the adoption of a tonnage tax plank in the platform. Minnesota will be treated to the "novelty" of an anti-tonnage tax candidate running on a tonnage tax platform. The tonnage tax plank, however, is capable of various interpretations, as speakers at the convention pointed out. It reads:

"We favor the enactment of a fair and equitable tonnage tax on iron ore."

Senator W. A. Nolan of Mower county chairman of the committee that drafted the platform, told the convention that no one could possibly object to a "fair" tax. "We shall ask the gentlemen from northern Minnesota to come down and assist the legislature in drafting a tonnage tax bill so it will be fair and satisfactory to all."

Schmahl Knew.
Mayor Joseph Austin of Chisholm previously had complained that the platform committee had "borrowed" the plank from the Nonpartisan league. He referred to the tonnage tax as something "strictly Russian," and indicated that northern Minnesota would bolt the Republican party.

Preus was supported by every delegation from the iron range sections, which in itself bore out the pre-convention statement of Schmahl, who said: "Certain interests * * * have set about to control * * * and propose to nominate a candidate of their own choosing, and who, if nominated, they expect will be servile to their interests." The statement referred to the candidacy of Preus, Schmahl's campaign manager admitted.

An active campaign in the iron range sections was made for Preus before the convention assembled. The Duluth News-Tribune, controlled by the steel trust, carried the following headline a day or so before the convention: "All Against Us Except Preus." This paper went on to say that Preus was the only candidate to come out in the open against a tonnage tax on iron ore. Leaders and all other progressives in Minnesota may well speculate on what action "Governor" Preus would take on a

SPECIAL ELECTION SET FOR JUNE 8TH

NEW ULM CITIZENS TO DECIDE ON MUNICIPAL PLANT PROPOSITION

BOND ISSUE IN THE SUM OF \$250,000 TO BE VOTED UPON.

A special election on the bond issue for the erection of the proposed new municipal power plant in North German park will be held Tuesday, June 8. The bond issue to be voted on was placed at \$250,000 at a special council meeting yesterday noon. This puts the matter up to the voters of the city. They will have to decide whether New Ulm is going to have a new municipal power plant that will be large and efficient enough to be of service to the city for many years to come.

Council Did Its Duty.
The city fathers have done their duty in regard to this matter. For many months they have discussed it in a most thorough and painstaking manner. A large number of special meetings were held to gather the necessary information and to get at the bottom of the question so as to serve the city in the best way possible.

As on previous occasions when this matter was up for discussion President L. B. Krook called a special meeting Monday evening called attention to the fact that the council never tried to force a decision in regard to the building of a new plant. The councilors always considered the possibility of having the old plant improved and enlarged if that should prove expedient and advisable on consideration of the high cost of building material and labor at the present time. Mr. Krook added, however, that before the final decision is made it must be kept in mind that the change at the old plant would entail an expenditure almost as big as the one for the new plant—the difference having been placed at between \$70,000 and \$40,000—and that the efficiency of the new plant would be by far greater than that of the old one. These things should be made known to the people to place them in a position where they understand the matter thoroughly and are able to form their own opinion.

Sale of Bonds.
The sale of the bonds is another matter that will come up for consideration as soon as the people have decided to have them issued. Every citizen, without exception, will have to get interested in this matter, Mr. Krook stated, because the larger portion of the issue will have to be sold in the city of New Ulm. It will be a good investment, free from all taxes and at 5 per cent interest, according to present plans. So far no offer has been made from an outside bonding firm to buy part of the bonds.

Receive Contract.
Gulden & Vercoe were awarded the contract for plumbing and heating of the new power plant, in the sum of \$1,945.

ANNUAL MEETING POSTPONED.

Unusual washouts on all lines of railroads in the central and western parts of South Dakota and in northern Nebraska make it impossible to hold the annual meeting of the Chicago, Black Hills and Yellowstone Park Highway Association, says a notice sent out by the secretary of the association. A tentative date, June 10 and 11, at Pierre, S. D., has been set for the convention.

Special Invitation.
All Spanish-American war veterans of the city of New Ulm and surrounding territory, all World War veterans and all those who served at the Mexican border are especially invited to take part in the celebration. Members of civic organizations are also invited to participate and make the procession worthy of the occasion.

The Program.
The program at the cemetery will be carried out in the following order: Music by Hofmeister's band. Ga. A. R. services. English address—Attorney H. H. Flor Song—Ladies of the Hecker Circle German address. Song—Ladies of the Hecker Circle Reading of Roster of Dead Salute and Taps. Mass will probably be said at the Catholic cemetery at 9 o'clock in the morning as in former years.

SILVER WEDDING SURPRISE.
Mr. and Mrs. Otto Mueller, residing on South Front street, were most agreeably surprised by a number of friends at their home, Wednesday evening, May 5, the occasion being their silver wedding anniversary. There were about 30 guests present and they presented the jubilarians with an appropriate silver set as a token of esteem. The evening was most pleasantly spent playing cards and dancing, whereupon a delicious lunch was served.

Mr. and Mrs. Mueller were married in New York City, May 6, 1895, and came to New Ulm Nov. 15 of the same year. This city has since been their home. Mr. Mueller is one of our well-known building contractors. He is a native of Austria, where he was born Aug. 8, 1855, while Mrs. Mueller, nee Philippine Wittmann, was born in New York City Aug. 8, 1865.

The Review joins with the many friends of the jubilarians in extending belated congratulations and wishing them many more years of happiness and prosperity.

Otto Wichtel transacted business in Springfield and Sleepy Eye during the week.

DOCTOR HENRIK SHIPSTEAD

Mgr. Schlotzman of the Grand Theatre has closed negotiations for the appearance at his theatre for one day only, Saturday May 22, for what he considers the best attractions seen at this theatre this season. A grand concert by the Liberty Orchestra, six big vaudeville acts and pictures, making a triple attraction, that will be hard to beat anywhere in the northwest. Bring the children as the entertainment offered will offend no one. Don't forget the day, Saturday and the date May 22nd.

DECORATION DAY SERVICES, MAY 31ST

ATTORNEY H. H. FLOR WILL DELIVER ENGLISH ADDRESS. GERMAN SPEAKER

TO COMMEMORATE MEMORY OF DEPARTED HEROES OF SEVERAL WARS.

Memorial Day this year will be celebrated on Monday, May 31, May 30 being a Sunday. The members of Hecker Post, No. 48, G. A. R., are arranging a suitable program in honor of the departed heroes of several wars from this city and vicinity. It will be carried out at the city cemetery as in former years. There will also be a German address, but the speaker has not been determined, as yet.

Gather at Monument.
Those taking part in the parade are asked to gather at the Indian monument on Center street where the parade will form. The parade will leave the monument at 9 o'clock and then wind its way through the principal streets of the city to the city cemetery where the usual ceremony will take place.

Special Invitation.
All Spanish-American war veterans of the city of New Ulm and surrounding territory, all World War veterans and all those who served at the Mexican border are especially invited to take part in the celebration. Members of civic organizations are also invited to participate and make the procession worthy of the occasion.

SLEEPY 'I' INDIANS WIN INITIAL FRAY

LOCAL BASEBALL TOSSERS ARE BESTED IN CLOSE GAME. GOOD PITCHING.

SAME TEAMS TO BATTLE HERE NEXT SUNDAY. BIRSCH TO BE ON SLAB.

Contrary to the usual opening games of the season, the first game of the Tri-County League between Sleepy Eye and New Ulm proved to be a close and hotly contested game, the final score being 1 to 0 in favor of the former. Good pitching on both sides was the main feature of the game, both teams having an exceptionally strong battery.

Birsch on Mound For Locals.
The Sleepy Eye team has secured a good battery in Donahue and Pyell, the former being formerly star catcher on the St. Thomas University team, while Pyell, did considerable twirling off several fast times in Illinois. New Ulm has secured as their battery "Frosty" Birsch of Hudson, Wis., who will shoot the balls across the plate while "Chick" Dies of Gaylord will be his receiving mate. Both players are known to the local fans and New Ulm has without doubt the best battery in the league.

The local team has no alibi for losing the Sunday's game as it was a good, fast game and justly won by the Sleepy Eye team. However, one thing did appear, which had without doubt, its effect on the game, Birsch, who did the twirling, had no chance to warm up before the game. After getting up at five in the morning, he had to ride all day in the train, arrived here at two o'clock. From here he immediately got into a car and was driven up to Sleepy Eye, arriving on the field after New Ulm had finished batting the first inning, and immediately took the mound.

However, in spite of this handicap, he struck out the first two men facing him while the third popped a fly to Amann who covered third base. In the next inning he again whiffed three men on strikes following this up by two each in the next three frames and one apiece in the sixth, seventh and eighth.

Score in Fifth.
Sleepy Eye's lone score came in the fifth inning when Donahue, connected for a triple, Wagner whiffed, but Glotzbach hit a single scoring Donahue. This was the only chance Sleepy Eye had for scoring although one of their men reached third base in the seventh frame.

New Ulm also had several chances to score but lacked the necessary punch. In the first inning, after two men were out, Guentner singled to left and was caught trying to make third on an error by second. In the third inning with one man out, Dahms singled to left but the next two men up struck out. In the sixth frame Guentner again singled but was unable to circle the diamond. The best play of the game came in the eighth inning when Williams doubled to center but Muesing and Guentner both popped to pitcher and catcher respectively and "Big" bill Pfeiffer fanned.

To Play Here Sunday.
Next Sunday, the two teams will cross bats on the local diamond. Several shifts will be made in the New Ulm lineup and in all probability Tom Dorgan, stellar shortstop in the same league in which Birsch formerly pitched will be in the lineup. Dorgan is at present manager of the Standard Oil Company and lives in this city. Everybody should turn out and witness this game as it will be one of the best games ever seen in this city. The game will be played at the Fairgrounds.

Lineup and summary of Sunday's game:

Benefit Dance Tomorrow.
Tomorrow, Thursday, a dance will be given at the Armory, the proceeds of which will go into the treasury of the New Ulm Baseball Association. Everybody should be on deck and help give a little support to the team that will represent their city in the baseball world.

Results of Other Games.
According to reports the following are the results of the other two games of the Tri-County League: Springfield, 6 to 0; Cottonwood, 6 to 0. Lambertson won from Morgan by the close count of 1 to 0. According to this it (Continued on page 2.)

ALL DAY PICNIC NEAR ST. JAMES TOMORROW

Six Nonpartisan League Speakers Will Orate.—Band Concerts and Picnic Dinner Provided.

A big all-day picnic under the auspices of the Nonpartisan League will be held on the Martin Henderson farm, several miles southwest of St. James, on Kansas Lake, tomorrow (Thursday) beginning at 10 a. m. This will be followed by a night meeting at St. James for laboring and railroad men who are unable to attend the picnic.

Six Nonpartisan League speakers, including President A. C. Townley, A. E. Bowen, Capt. Geo. H. Mallon, P. I. D. Ostby, Thomas Vollom and Charles R. Barnes, will deliver addresses during the day and band concerts will be given at frequent intervals.

During the noon hour, a picnic dinner will be held. Stands have been provided and will take care of those who fail to bring their basket dinner with them. All kinds of refreshments, including hot coffee, will be on sale under charge of a committee.

One of the features of the picnic will be a full discussion of principles and candidates of the Nonpartisan League.

Quite a number of people from this vicinity are planning on attending this big event, provided weather conditions and roads are favorable.

MARRIED TWENTY YEARS.
About 75 relatives and friends sprang a very pleasant surprise upon Mr. and Mrs. August Muske at their home on North State street, Saturday evening, the occasion being their 20th wedding anniversary. The affair was a decided success and all present enjoyed themselves immensely.

After a few appropriate remarks by Prof. A. Ackermann, the jubilarians were presented with suitable gifts in commemoration of the occasion, whereupon the evening was spent with music, songs and games. Following the social good time, a sumptuous repast was served and the guests departed, wishing Mr. and Mrs. Muske many more years of happiness and prosperity.

COST OF NEW PLANT NEARLY \$246,000

BIDS ARE OPENED AT COUNCIL MEETING THURSDAY EVENING.

TWO ST. PAUL FIRMS, LOWEST BIDDERS, ARE AWARDED CONTRACTS.

Contracts for the construction of the new municipal electric power plant and water works and for the installation of its equipment were awarded at two separate meetings of the New Ulm city council on Friday. The two lowest bidders were J. G. Robertson of St. Paul, on the installation of the equipment in the building and the Lawrence Construction Co., also of St. Paul, on the building.

Bids Are Opened.
Bids for the erection of the building and for the installation of the necessary equipment were opened at a special council meeting held Thursday evening. The bids on the building were made according to plans and specifications drawn up by Architect Silas J. Jackson of St. Paul and those for the install of the equipment were based on plans and specifications submitted by Superintendent A. J. Mueller, and consulting engineers.

Total Cost About \$240,000.
The lowest bid on the installation of the equipment in the building was that of J. G. Robertson of St. Paul, in the sum of \$145,399. Three other firms submitted bids for this work. The next lowest bidder was John H. Hildred & Co., St. Paul, \$146,399. Merkel Machinery Co., Kansas City, Mo., filed a bid of \$152,500 and L. E. Potter of Minneapolis, in the sum of \$163,955. There were a number of smaller bids for stokers etc. The larger bids just named included everything belonging to the full equipment of a plant of this kind.

Three firms submitted bids for the erection of the building, the Lawrence Construction Co. of St. Paul being the lowest, in the sum of \$63,058. Puhlmann Bros. of this city were next, submitting a bid for \$69,625. The Gauger-Karsmo Construction Co. of Kansas City, Mo., filed a bid in the sum of \$84,972.

The total cost of the building will not exceed \$211,000. In addition there will be an expense of \$25,000 to \$30,000 for several changes that will have to be made from the old building to the new. Bringing the total expenditures for the city up to about \$240,000. Included in this sum is a bid for the plumbing and heating of the building, in the sum of \$1,945. This bid was submitted by Gulden & Vercoe, local plumbers.

Mr. and Mrs. Henry Fischer attended the funeral of the former's aunt, Mrs. Caroline Honemann, at St. Peter last of G. Robertson of St. Paul, in the sum of \$145,399. Three other firms submitted bids for this work. The next lowest bidder was John H. Hildred & Co., St. Paul, \$146,399. Merkel Machinery Co., Kansas City, Mo., filed a bid in the sum of \$152,500 and L. E. Potter of Minneapolis, in the sum of \$163,955. LENGTHY TERM OF COURT ANTICIPATED

GRAND JURY COMPLETED ITS DELIBERATIONS YESTERDAY FORENOON.

SPECIAL COURT SESSION SET FOR JUNE 7, JUDGE JOHNSON PRESIDING.

Although it is rather early to venture predictions as to the duration of the term of the Brown county district court, which convened at the court room in the courthouse here, yesterday morning, indications seem to point to a lengthy session, especially in view of the fact that a special term of court will be held, beginning June 7, which is expected to consume a week's time, at least.

The regular May term was convened by Judge I. M. Olsen of this city at 11 o'clock yesterday morning, when the grand jurors reported for duty. They were all present (with the exception of Ed. Manderfeld, who is now a resident of Nicollet county), namely: Karl Aufderheide, Herman Cordes, O. R. Dingler, Paul Hackbaur, Peter Sprenger and George A. Tauer, New Ulm; Otto Nordhardt and Robert Williams, Sleepy Eye; H. H. Birkmeier and Louis Kreitinger, Springfield; F. C. Jensen, Hanska; Martin Windschitl, Comfrey; Ferdinand Lehne and George Potter, Burnstown; George Dreher and Adolph Remmele, Home; George F. Lee, Lake Hanska; Jacob Rusten and Peter Swenson, Lunden; Park Green, Mulligan, Gustav Kersten, North Star and Henry D. Hansen, Prairieville.

After imparting the usual instructions to the grand jurors, the court appointed George Potter as foreman, and upon retiring to the court room to begin deliberation they elected Louis Kreitinger as clerk.

Disposition of Calendar.
Immediately after the grand jurors had retired, the 51 cases on the civil calendar were called and disposition of them was made as follows:
