The first killing frost of the season visited this section Thursday night, following a month of the most agreeable autumn weather. The long continued warm weather helped to mature one of the biggest bumper corn crops ever harvested in this part of the state.

Had a killing frost set in only a few weeks sooner, this big crop would have been practically a failure. Since Thursday night's frost we have again been enjoying regular Indian summer weather, with plenty of sunshine and warmth.

Mrs. Katherine Mertz and Mr. and Mrs. Lorenz Flor were at Morgan, last week, where they attended the wedding of the former's grandson, Jacob Sell, to Miss Barbara Susana Welter, which occurred at the Catholic church at that place last Tuesday morning.

D., and upon their return will go to housekeeping on the Sell farm in Sundown township, Redwood county.

A wedding of interest to many of our readers took place at the palatial Gilday, September 25, at 10:30 o'clock in the morning, when Miss Anna Elizabeth Allen, daughter of Mr. and Mrs. Douglas Allen, prominent residents of Redwood county, became the bride of Charles Oswin Gillfillan, well-known capitalist and landowner in the same county. Rev. Dr. A. W. Ross of Redwood Falls performed the ceremony in the presence of the immediate relatives and a few friends of the contracting parties. Following a wedding breakfast, Mr. and Mrs. Gillfillan departed on a brief honeymoon to Chicago. They will be at home after December 1 on the extensive Gillfillan farm, Gillfillan, Minn.

Mr. Walters will receive a new hearse to replace the one that was wrecked. No settlement has as yet been made with Undertaker Jesse Majewski of Sleepy Eye, who was seriously injured when the hearse was struck by the train.

The present public school buildings at Sleepy Eye are not large enough to adequately house the various classes. Two of the Commercial Club rooms have been secured for the teachers' training department and it is hoped that the upper floor of the Sleepy Eye Mills office building can be leased to accommodate the agricultural department this year. The board of education of Sleepy Eye is putting forth every effort to find temporary quarters for all departments of the public schools there, as failure to do so would endanger the state aid from the November and March settlements, which will amount to between \$9,000 and \$10,000.
