Opening of Toyland

Santa is here, children! He is waiting in the store to greet you with a great pack of Toys. Yes, he has brought just about everything from his home among the icebergs. Dolls? Why there are so many you will hardly be able to count them. Dolls that can walk and some that can say mamma when you press them. They're just as cute as can be. Santa has remembered all about the good little boys, too. He wants you to come and see him and to pick out from all these dandy playthings just what you want for Christmas. Here are engines that go by electricity, building sets, soldier suits and about a thousand other things we know you would like to receive for Christmas.
