Mr. and Mrs. Math. Schouweiler and Mr. and Mrs. John Carlson motored to Comfrey Sunday to spend the day.

Miss Helen Guse of this city went to Rochester Monday. She will be the guest of her sister, Mrs. Fred Meyer for several weeks.

Miss Clara Schouweiler who has been spending the past month with her parents and other relatives in New Ulm, has returned to Minneapolis.

The members of the Ladies Guild of the St. Peter's Episcopal church will have their monthly meeting and coffee at the guild hall this afternoon.

Mrs. Peter Johnson of Judson came to New Ulm Monday to consult local physicians. She is the wife of Butter-maker Johnson who is well-known in this community.

Mr. and Mrs. Francis Bastian and little daughter Ruth Frances were over Sunday visitors at the home of the latter's parents, Mr. and Mrs. Herman Ziegler, at Sleepy Eye.

The N. E. Nelson family will leave on Saturday for Lake Minnetonka where they will remain during Mr. Nelson's vacation. They have rented a cottage at the lake and will spend a week or more there.

Dr. and Mrs. Geo. F. Reineke drove to Lambertson Monday afternoon to spend a day at the Dr. D. V. Glysteeen home there. They were accompanied on the homeward trip by their daughter Marian, who had been a guest of Dr. and Mrs. Glysteeen for the past few days.

Mr. and Mrs. A. F. Rohleder of St. Paul visited Saturday and Sunday at the Dr. Strickler home. Mr. Rohleder is an officer of the Capital Trust Company of St. Paul. Sunday they attended the Midsummer festival at the Nora church at Hanska and listened to an address by Oscar C. Helming of Carleton College who spoke on "The Next Step in the Evolution of Democracy, stressing in particular the subject of capital and labor.

County Auditor Louis G. Vogel and Deputy County Treasurer Ed. J. Berg left Friday afternoon on their annual vacation which they expect to spend in the Northern part of the State at some summer resorts that promise good fishing sport. When last heard from they had reached Alexandria. They expect to return about July 1st. County Treasurer Henry J. Berg expects to take his annual vacation beginning July 9. He will visit with his son-in-law and daughter, Mr. and Mrs. Murphy of Holdingford, Wisconsin, and will also be present at St. Cloud July 9 and 10 when the new K. C. home erected in that city will be dedicated.

BROWN-NICOLLET CROPS ARE FAIR

STAND OF WHEAT IS POOR IN MOST PLACES BUT CORN IS GOOD.

RYE HARVEST WILL BE ON THIS WEEK AND NEXT CLOVER FINE.

The crops in Brown and Nicollet counties at this time may be pronounced fair to good. As usual, the various localities differ slightly, depending on the soil, the time of planting, moisture and other things. Often spotted conditions are found in the same locality for the same reasons.

Wheat is Poor.
On the whole, wheat must be said to be poor, although there are a few very good exceptions. The wheat stand in most places this year is very thin with short heads.

Corn, on the average, is very good. The only poor corn seen was that which was planted very late.

Clover is Fine.
Nearly everywhere the clover looks fine, but timothy, as a rule is very thin and scrawny. Potatoes look good nearly everywhere. Oats and Barley are fair to good nearly all over.

Rye Ready To Harvest.
Rye looks good and is just about ripe for the harvest. Some of it will be harvested this week.

Pastures are somewhat in need of rain. Prairie hay is generally poor for lack of moisture. On the lowlands, hay is very good.

Heat Damage Slight.

The intense heat of last week has not damaged the crops to the extent thought at first, but, of course, some damage resulted, especially on the sandy lands. If the hot south wind had continued for a couple of days more, the crops would have been a sorry sight. The cool days of Saturday, Sunday and Monday seem to have freshened things up considerably again.

Linden Township Fair.
The heat didn't do very much damage in Linden township according to Mr. Troidal who rents County Commissioner John M. Johnson's farm.

Mrs. Sophie Vetter, who lives with her son near the northern outskirts of the city of New Ulm didn't think much damage had resulted from the heat.

West Newton Township.
John L. Bushard of West Newton township, who lives in the Minnesota River valley, pronounced corn very good, oats fair, hay good, and potatoes very good. The heat burned his gooseberries, but otherwise the damage was slight.

Henry Biell, also of West Newton on higher land, was not quite so optimistic, although he said too that the heat probably had not done a great deal of damage. His wheat was fairly good, but thin. The rye is fair and ready to cut in about a week. Corn is good, but his could be better, he said, the reason being that he planted late. Barley and oats are fair, clover very good, but timothy and prairie hay, poor.

Lafayette Township.
John R. Kringer of Lafayette township says that the wheat stand is very poor this year being very thin. Corn is pretty fair. Rye is about medium and oats and barley also. The heat of last week did considerable damage. If the hot south wind had kept up two more days, there would have been nothing left of the crops, said Kringer.

The Klossner Vicinity.
Geo. H. Vetter, cashier of the Klossner State Bank, is of the opinion that last week's heat affected the crops unfavorably but the cool weather following was a great relief and checked the damage. Rye is ready to cut within the next few days and corn is very good.

RUBY DE REMER HELD MOST PERFECT BY ARTIST

Ruby de Remer, who has the leading feminine role in "The Passionate Pilgrim," the superb Cosmopolitan picture released by Paramount and which will be shown at the Lyric theatre Wednesday and Thursday, has been proclaimed the queen of American beauties, by Paul Helleu the celebrated French artist.

Mr. Helleu states that Miss de Remer "is perfection in beauty of feature, coloring and grace." The artist is an authority in this regard and his judgment is regarded as the final word so that when he asserts Miss de Remer to be the most perfect type of American femininity, there is none to dispute the dictum.

Miss de Remer has the role of an invalid heiress in "The Passionate Pilgrim" and during most of the action of the story, she is seated in a wheel chair. But love finally cures her and she finds happiness in the love of a man she has befriended—the role portrayed by Matt Moore. The cast is large and exceptionally brilliant.

YOUNG AMERICA 8 HOME TEAM GETS 7

NEW ULM'S CRACK BASE BALL TEAM MEETS FIRST DEFEAT OF SEASON.

HAMANN PITCHED WELL WITH GOOD SUPPORT BUT YOUNG AMERICA LUCKY.

In a game featured by Dame Luck for Young America, added to which was our loss of Johnny O'Shea, and the lack of the base ball band, New Ulm lost their first contest on the diamond here, Sunday. Johnny O'Shea, veteran second base man for New Ulm, last year and the first part of this season, has been called in by the big league, and is being farmed out to a minor league in Iowa. Denny Oates, a veteran outfielder, had to take his place. Denny held his position manfully but in spite of his snap and pep he was at a disadvantage. Denny's place at left field was taken by Seppe Guentner, the best center field New Ulm has yet produced, and his place, in turn was held down by Herman. If his ball playing is of the same grade continuously, as he displayed Sunday, Manager Minium had better get busy with the pen and sign him up before he gets away; a real ball player.

Jess Becker played an excellent game, at bat getting four hits. He also caught a straight one from about two feet from the ground. His good work was somewhat marred by his lack of judgement in the field. He bungled a high one for center field and became somewhat bungled himself.

Hamann pitched and was accredited with eight strike outs. Hamann did not show up as was expected, perhaps the lack of sleep the night before was a factor.

Billy Born also made a bone-head play. A man on third and a bunted ball, Bill left the plate after the bunt. The game was the best played this year. It was anybody's game until the very end. Young America came to New Ulm well stocked up for the game. It is reported they paid \$100 alone for one player. The crowd should have been larger, in view of the good game played.

First Inning.
In the first inning, Barriere, first man up for Young America was out second to first, Dretschku hit to left. Kehoe hit to first and got by on an error by Sullivan, advancing Dretschku. Olson, next man up, got a two base hit, scoring Dretschku. Klue struck out. Bohne flied out to Becker in right field. One score, two hits. For New Ulm and flied to center field. Deppe hit a keen fly to left field. Dougherty hit a liner over second, advancing Deppe to second. Herman hit a double and drove in Deppe. Dougherty attempted home on this long drive but was out at the plate. Billy Born hit to left field, scoring Herman. Billy was out attempting second. Two runs, four hits.

Second Inning.
In the second inning Stemig got a hit over short. Ryan was hit by a pitched ball and advanced the runners. Leverette, the \$100 pitcher, struck out. Barriere was hit by a pitched ball. The bases were full and Hamann struck out Dretschku. Kehoe hit to short and was put out at second. Becker hit to right field. Sullivan grounded to third; out to first. Seppe looked 'em over but let 'em alone—struck out. Hamann liked his style and did likewise. No scores for New Ulm.

Fourth Inning.
Stemig, first man up in the fourth, was put out of commission by Oates. Ryan got on first on an error by Dougherty. Leverette was out, second to first. Barriere got on first on an error by Oates. Dretschku hit, scoring Stemig. Kehoe flied out. Herman hit into first's hands. Billy Born grounded out to the pitcher. Two men out. Becker hit to left field and Sullivan, next man up, hit a double, scoring Becker. Seppe had hard luck, second to first. One run for New Ulm.

Fifth Inning.
Denny Oates nailed a high one, hit by Olson. Klue tripled over to Becker. Misjudgement of Becker made this a hit. Bohne bunted and chased Billy after a foolish one, and scored. Stemig out to first. Ryan safe on first. Leverette out to first. One score for Young America.

Hamann out to first, from short. Denny hit a hot one to left field. Deppe flied one right into third's hand, out to first. Dougherty hit over to left and Denny scored. Herman hit to pitcher. One score for New Ulm.

Seventh Inning.
Quick work was made of Young America. Olson was out. Klue was out to Becker. Bohne was out by Dougherty.

pe got to third. Deppe in on wild pitch. Dougherty came home on a hit by Herman. Billy Born flied to second and Herman was out, stealing second. New Ulm, three points in the lead.

Eighth Inning.
In the next inning, Young America pulled the sensational stuff, capturing four scores, giving them a lead of one which lead was retained to the end of the game. The first man flied to Denny. Second man up was caught by Sullivan, two men down, no scores. Leverette hit and got on first. Barriere hit and advanced Leverette to second. Dretschku advanced the players being walked by Hamann. Olson hit, scoring Leverette. Hamann walked Klue, advancing Barriere home. Two scores. Bohne hit and Dretschku and Kehoe walked in. Four scores. Stemig struck out.

BOX SCORE.

Young America	Ab	R	H	P	O	A	E
Briere 2b	5	2	1	2	1	0

New Ulm 2 0 0 1 1 0 3 0 0—7

Next Sunday's game will be with St. James and they are out for blood. A large crowd should be out to see such a good game.

The three year old daughter of Mr. and Mrs. Milton Berkner of Sleepy Eye had her tonsils removed on Saturday at the local Union Hospital.

Francis Bastian returned on Saturday from Amelia Lake where he spent a week on a fishing and outing expedition.

Miss Sylvia Stoll, who is employed at the Union Hospital, spent a day with her parents at Nicollet. She returned to New Ulm Wednesday.

Mrs. John H. Schnobrich presented her husband, the Klossner merchant, with a new clerk last Monday. Yes, he's a boy, and everybody concerned is happy, of course.

Carl Hummel and Herbert Buschers left yesterday morning and will spend a month visiting Yellowstone National park. They are making the trip by car and will camp on the way out.

Mr. and Mrs. Fred Brust, Mr. and Mrs. Louis Windhorn, Mrs. Geo. Peuser, and Henry Junker were among those who took advantage of the excursion to the Cities Saturday.

Miss Catherine Dorn, daughter of Mr. and Mrs. A. S. Dorn was operated on for appendicitis at the Loretto Hospital on Saturday evening. Although she was quite ill, she is improving as nicely as can be expected.

Mr. and Mrs. Frank Korth returned from their visit at Sioux Falls, S. D., on Monday. Mr. Korth reports that the crops in that vicinity are very poor, due to the lack of rain. He says there will be no potato crop to speak of this year, although there was a heavy rain on Friday.

In a letter received by friends in New Ulm from Miss Frances Krook, she writes that she is now touring the state of Illinois and part of Indiana with the Mutual Morgan Chautauqua. She is out with the Welsh Lady Glee Singers, soloists and ensemble singers. They expect to be out some ten weeks visiting seventy-five towns. There are eight in her company and they are touring in a Studebaker car. Miss Krook is the daughter of Mr. and Mrs. L. B. Krook of this city.

William Weilage of this city was in Sleepy Eye last week to attend the funeral of his sister, Mrs. Ferdinand Krenz, Sr., which took place on Friday. The deceased was seventy-one years old when she passed away. Death was due to the infirmities of old age. Mrs. Krenz was an early pioneer, and one of Sleepy Eye's most respected citizens. She was born in the Province of Hanover, on July 11, 1850. She was married to her surviving husband at Lafayette, Ind. in June 1869. In 1883 they came to Minnesota and settled on a farm near Le Sueur and later resided on farms in Milford township and north of Sleepy Eye. Seven children were born to Mr. and Mrs. Krenz, three of whom preceded the mother in death.

A BUSINESS COUPE OF STEEL

Dodge Brothers offer to the business public of America an entirely new principle in Coupe body construction.

From framework to window mouldings the body is built of steel. It is the first all-steel closed car ever marketed. This design anticipates every possible requirement of commercial travel. It insures unusual quietness—unusual grace—unusual stamina. It has made it possible to give the Coupe that same lustrous baked-on enamel finish for which Dodge Brothers open cars have long been famous.

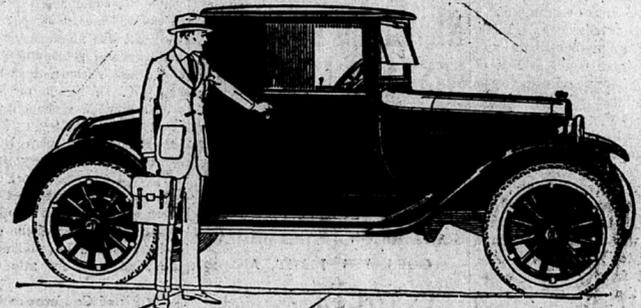

The upholstery is of genuine leather—leather that will wash and wear. The seat is wide and comfortable. Carrying compartments are accessible and spacious. The car is equipped with a heater, dome light, window levers, windshield cleaner, cord tires, Yale door locks, and every other appointment necessary to the owner's comfort and protection.

Built inside and out to withstand the wear and tear of everyday use, it retains the same lightness and beauty of line which you are accustomed to look for in Dodge Brothers cars.

It is the Business Coupe which business people the world over have been expecting—from Dodge Brothers.

The price is \$980 f. o. b. Detroit
