### KLOSSNER DAIRY FARMERS PICNIC

SEVEN HUNDRED PEOPLE AT THIRD ANNUAL CO-OP CREAM PICNIC.

MAY WAS BANNER MONTH FOR KLOSSNER CO-OPERATIVE CREAMERY.

The third annual picnic of the Klossner Creamery Company was attended by 700 people last Sunday and was a success in every way. The officers of the creamery are very well pleased with the interest shown by the creamery's patrons.

Alexander Johnson of Winthrop, field man for the Minnesota Co-operative Creamery Association gave a short talk on dairying and on the objects of the association. Representative Oscar Swenson, Nicollet County's member of the lower house in the legislature, also spoke.

Lafayette Band Played. Splendid music was furnished by the Lafayette band. There was also a program of sports of various kinds and in the evening a dance was given for the young folks at the pavilion which was very well attended.

Soft drinks and lunch were to be had all afternoon and evening at a stand run under the auspices of the creamery company and farmers and their helpers in the stand worked as hard as they ever did on the farm to supply the multitudes.

Creamery Officers. The officers of the Klossner Creamery Company are: Herman Albrecht of Lafayette township, president; Geo. H. Vetter, cashier of the Klossner State Bank, secretary; Wm. D. Gieseke of Brighton township, treasurer; and John Ulrich of Brighton township, Robert J. Reinhardt of Lafayette township and John L. Bushard of West Newton township, directors.

The creamery draws its trade from a territory out about three miles in each direction north and south. To the east, they get the cream for nine miles and to the west for twelve miles. The west territory is handled by a hauler.

Paid 45.6 Cents. The Klossner creamery handled 169,600 pounds of butter last year for which they paid an average price of 45.6 cents. The total amount of butter made was 112,885 pounds and the patrons themselves bought back 18,619 pounds for their own home use.

May Held Record. Last month, the month of May, was the record month in the history of the Klossner creamery when 38,600 pounds of butter was made in one month. The price paid now is 38 cents but lately has fluctuated in the neighborhood of 35 cents. The Klossner creamery has 215 cream patrons. Vernie Johnson is their new buttermaker. He has been with the creamery for about a month.

#### MINOR AUTO MISHAPS.

Stanley Radtke, 3 year-old son of Mr. and Mrs. Charles Radtke residing on North Franklin street, was slightly injured by an automobile Monday evening at 7 o'clock. The child was playing in the street in front of his home with several companions, when a Ford sedan, driven by Fred Streimer, of the Central Garage, approached the group at a moderate rate of speed. Stanley failed to make way for the oncoming car and was consequently knocked down by the bumper of the car, and, according to the story as related by his companions, the car passed over him before the driver came to a halt. The boy was slightly bruised about the forehead and received a few scratches about his feet.

Another accident occurred Sunday when a Chevrolet driven by two parties of Minneapolis, capsized about six miles west of Sleepy Eye. Fortunately the top was up when the accident happened and the occupants completely escaped injury but the wind-shield and top were badly mutilated. The names of the two men have not been learned.

Leo Schuck met with an accident Sunday afternoon at about 5 o'clock while he was backing his car out into the street in front of the Radke garage where it had been parked. His car shot out backward toward the right and bumped into another approaching from that direction. The latter car was being driven by Fred Langermann of New Ulm. He was accompanied by Mr. and Mrs. John Vogel of North Valley street with whom Mr. Langermann is making his home. The right fender of the Langermann Regal was damaged and a rear wheel of Mr. Schuck's car was knocked off in the collision.

Miss Helen Quinn of West Newton left Monday for Moose Lake where she will spend the remainder of the summer. She has secured employment there until fall.

### GARPENTER HURT WHILE AT WORK

FRED HAGER IN HOSPITAL AS RESULT OF ACCIDENT THURSDAY MORNING.

BODY PIERCED BY STRIP OF WOOD DRIVEN BACK BY MOLDING KNIVES.

Fred Hager is recuperating satisfactorily at the Union Hospital from the effects of an unfortunate accident which occurred Thursday morning at 9 o'clock. He was manipulating an electrically-driven molding machine in the Weilandt and Stegemann Carpentry Shop, when a strip of wood, six feet long and nearly an inch square was driven back by the knives of the machine and penetrated a portion of the groin.

Mr. Hager was alone in that part of the work shop when the accident happened. He went immediately to his fellow workers for relief, but at first they refused to believe him, thinking that he was merely in a prankish mood. They were very much concerned over his condition when he had made it clear that the happening was not a figment of his fancy, and they followed out his instructions with regard to sawing off the projecting ends of the strip, before medical aid was to be had.

Remained Conscious. He was taken to the Union Hospital and remained conscious until an anesthetic was administered. If no complications set in Mr. Hager will be able to leave the hospital in a few weeks.

The injured man is about 35 years old. He is married and resides with his wife and two children at 7th and Minnesota streets. He has been employed at the Weilandt and Stegemann shop for some time.

#### NEW ULM KNIGHTS COLUMBUS WIN ALL ATHLETIC HONORS

Plans for the K. of C. picnic materialized when the New Ulm St. Patrick's council gave a picnic jointly with the Mankato and St. Peter Knights of Columbus. The outing was held Sunday on the Albert Jensen picnic grounds near Swan Lake, for the Knights and their families.

Those of New Ulm who attended the picnic drove to the grounds in a body starting from home at about 10:30 in the forenoon. The amusements offered were various forms of athletic games and contests in which New Ulm made a remarkable showing. The New Ulm team beat both St. Peter and Mankato in the tug-of-war contests and when they offered to take part in another match against both opposing teams the offer was respectfully declined by the opponents. No prizes were offered.

Basket lunches were partaken of and refreshments were furnished free. It is estimated that several thousand people were present at the affair which was the first picnic to be given by the New Ulm council in conjunction with any neighboring councils.

The annual picnic of the local council will be held at the Sleepy Eye State Park in about a month. Plans for the affair are going forward rapidly in that city.

#### GLENCOE'S FOURTH OF JULY.

Glencoe invites you to their Fourth of July celebration with a program of events to please the tastes and desires of old and young alike. There will be speaking, band concerts, turner exhibitions, base ball, races and sports, dancing and fireworks, in fact everything which goes to make a big Fourth of July celebration.

The New Ulm Turnverein will be one of the big attractions on the program, 40 athletes in wonderful exhibitions of athletic skill; individual performances, pyramid formations and drills, both afternoon and evening. An extra attraction for the old folks and those not so old is an "old time dance" at the city hall in the evening. The main dance, afternoon and evening, will be at Oak Leaf Park.

The display of fireworks in the evening will require more than two hours. No such wonderful fireworks display is shown in the state outside the Minnesota State Fair, according to the printed programs.

It is expected that a large crowd will accompany the New Ulm Turners to Glencoe on the Fourth.

Miss Hattie Baltrusch has been suffering considerable pain as the result of a sprain of her right ankle about two weeks ago. Miss Baltrusch was getting down boxes from a shelf when she fell. When she was over the sprain, one of her toes on the same foot, became infected. Miss Baltrusch is getting along quite nicely now and is able to be up and around.

Mr. and Mrs. F. J. Backer and daughter Alpha accompanied by Louis Buenger, Sr., left on Sunday for Kenosha Wis. to attend the 25th anniversary of Rev. Carl Buenger's ministry celebration. Mr. Backer will return to New Ulm in a week while Mrs. Backer and daughter and Mr. Buenger will remain in Kenosha for a month's visit.

Mrs. E. H. Sans and son Clifford motored to Le Sueur on Sunday to attend the church services there that morning. Yesterday evening they also attended the services at the conference held there. They will be accompanied by Rev. Sans to Minneapolis for a few days visit with relatives. Following their return to New Ulm, Mrs. Sans and children will make an extended visit at Madison, Wis.

The Alfred Thiede and Frank Guth families, motored to Linden on Sunday to visit at the Arthur Melzer home. In the afternoon they attended the Lutheran mission festival at the lake. The festival was well attended and music for the occasion was furnished by the Hanska band.

Mr. and Mrs. Herman Meyer of Willmar spent a few hours visiting at the home of Mr. and Mrs. John Dietz on South Franklin street on Sunday. They were enroute from Willmar to Iowa where they had been visiting with the former's father for two weeks. The Meyers made the trip in their car and camped out on the way. Mrs. Meyer is a niece of Mr. Dietz

Mrs. Frank Howland and daughter of Kalispell, California, are expected to arrive in New Ulm today to be the guests of Mr. and Mrs. A. O. Bautz. Mrs. Howland is a sister of Mr. Bautz.

Mr. and Mrs. Fred Radtke accompanied by their son-in-law and daughter, Mr. and Mrs. R. W. Bittner of Walnut Grove motored to Duluth last week to spend several days visiting with Herman Radtke, who is an interne at a hospital in that city. Mr. and Mrs. Radtke are now visiting with the Bittner family and with other relatives and friends at Walnut Grove. They expect to return home the latter part of this week.
