"ALL OUT AND HOLDING FIRM"

NATIONWIDE STRIKE OF RAILROAD SHOPMEN AFFECTS 17 IN NEW ULM.

NEW ULM BOYS WALKED OUT AT 10 A. M. SATURDAY ON UNION ORDERS.

Seventeen men in the Northwestern Railroad shops in New Ulm laid down their tools at 10 o'clock last Saturday morning on orders from the union and quietly and without demonstration walked out, joining the nationwide strike of railroad shopmen which became effective all over the United States at that time. The men who received orders to quit work in New Ulm are 10 car repairers, 4 freight car inspectors, 1 blacksmith, 1 blacksmith's helper and 1 boiler-maker.

"All out and standing firm" was the only message the *Review* reporter could get from strike headquarters in New Ulm this morning. The men seemed reluctant in discussing the strike and a little bit suspicious even of friendly reporters. Meetings are held daily by the New Ulm strikers the same as is being done all over the country. A feeling of "stick and win" was evident on the faces of the New Ulm boys.

Fighting For Living Wage.
There are three demands made by the shop crafts of the country to the railway executives:

1. To continue the payment of wages at present in force.
2. To restore operation under rules 6, 10, 12, 14, 15, 46 and 177 as they existed prior to the amendments thereof proposed in Decision 222.
3. To discontinue the contracting out of work and shops pending negotiations between the Association of Railway Executives and the Railway Employees' Department.

Railroads Often Disobey U. S. Board.
The railroads have at various times refused to abide by decisions made by the United States Railroad Labor Board. Now that board is taking sides with the railroads and asking men to work for a wage reduced to an average of \$563.04 a year, which reasonable people will admit is entirely inadequate.

Women Back The Men.
Wives and mothers of New Ulm men interviewed by the *Review* reporter are sticking by their men in the strike. "If it wasn't for the union, labor wouldn't have anything near a living wage," was the way one of them put it. The same attitude is reported from all over the country.

NOSE BROKEN IN AUTO MISHAP.

Mrs. R. E. Alwin sustained slight injuries and a broken nose Tuesday morning at 10:30 o'clock when a car in which she was riding went over a bump, giving the car a sudden jolt and throwing her, face upward, against one of the ribs in the top. The car was being driven by L. A. Gaut, and the party, consisting of Mrs. Alwin and three daughters, were bound for the old Rieger farm where an all-day picnic was being given by the Methodist church.

The accident happened near the fair grounds, about four miles from the Rieger farm. Mrs. Alwin's daughters, Alma and Lillian occupied the back seat with her. They, too, were thrown from their seats, but were only slightly injured. Those in the front seat were not affected by the jolt, the weight of the engine not permitting the front wheels to rise from the ground.

CRASH KILLED TWO AUTO OVER BANK

BROTHERS INSTANTLY KILLED LAST SATURDAY NEAR BUFFALO LAKE.

Crushed beneath an automobile which left the road, crashed through a fence and turned over down a slight grade, Robert and Albert Lind, brothers, 28 and 20 years old respectively, were instantly killed Saturday night near Buffalo Lake, Minn.

Mrs. Robert Lind and her 18 months old son escaped without a scratch. Mrs. Lind received medical

attention, but it was said that she was suffering from nervous fright only.

Driver Failed To Make Turn.
The car left the road about a mile west of Buffalo Lake where the road turns abruptly to cross the railroad track. Robert Lind, who was driving, failed to make the turn, and the car plowed into an adjoining field.

The car was a roadster and all the occupants sat in the one seat with Mrs. Lind and the baby in the middle and the two brothers on either side. This arrangement seems to have protected Mrs. Lind and the baby when the car turned turtle. The Linds were on their way from their home in St. Paul to visit a cousin at Renville.

DROWNED AT WACONIA.

Miss Ruth Heidemann, daughter of Rev. and Mrs. Heidemann of Arlington, was drowned at Lake Waconia on July 4th, where the Heidemann family had gone to spend the day. Details of the drowning are not known at the time of going to press. Mrs. Somsen, who is an aunt of the drowned girl, received a telegram informing her of the accident yesterday and she left immediately for Arlington.

GUN WAS LOADED BOY SHOOTS GIRL

EIGHT YEAR OLD BOY SHOOTS SISTER IN BLUE EARTH COUNTY.

Another case of thinking the gun not loaded, nearly resulted in death to ten year old Aneta Widenhoff, daughter of Mr. and Mrs. William O. Widenhoff, living six miles west of Amboy, last Friday evening about 8 o'clock. An eight year old brother of the girl was playing with a twenty-two calibre rifle and was of the belief that it was not loaded. The gun was accidentally discharged and the bullet lodged in the flesh of Aneta's left leg below the knee.

Bullet Not Yet Removed.
The girl was rushed to a doctor's office at Amboy where the wound was dressed but the bullet was not removed. On Monday the girl was taken to Mankato and an x-ray photograph taken in order to locate the bullet.

FOUR CANDIDATES IN SCHOOL RACE

MISS HERTHA WESCHKE ONLY WOMAN TO ENTER FIELD FOR DIRECTORSHIP

POLLS OPEN AT HIGH SCHOOL SATURDAY FROM FOUR TILL EIGHT O'CLOCK.

Only one woman has filed as a candidate for school office for the coming term. She is Miss Hertha Weschke, who was at one time instructor in the public schools here. The three others who cast their hats into the ring were L. B. Krook, Robert Fesenmaier, and F. P. Zschunke, who has just completed his first term as director on the board. The time for filing terminated Monday evening.

Polls Open from 4 to 8.
The annual school election will be held the one week from the coming Saturday, July 15, at the high school building, the polls being open in the afternoon and evening from four to eight o'clock. Two vacancies are to be filled, the terms of J. H. Vogel and F. P. Zschunke having expired. New Ulm women are gratified to know that at least one member of their own sex has entered the field, and will undoubtedly give their substantial support. If elected, Miss Weschke will hold a position which has not heretofore been occupied by a member of the fair sex. J. H. Vogel did not file for reelection this year.

William Kilgas of Morgan, who was brought to the Loretto Hospital last Wednesday for medical attention, is improving as well as can be expected. Mr. Kilgas is a policeman, and while on duty met with an accident, leaving him unconscious with bruises on the back of his head. It was thought at first his skull was fractured but after examination it proved to be only severe bruises.

LUTHERAN JOINT SYNOD CONVENES AT NICOLLET

At the biennial conference of the Lutheran Joint Synod held at Nicollet last week, Rev. Im. F. Albrecht of Fairfax was re-elected president of the Minnesota district and Arthur L. Book was elected treasurer. The other officers of this district are: Rev. John Plocher of St. Paul, first vice-president; Rev. Henry Boettcher of Gibbon, second vice president; and Rev. Ed. Sauer of Morton, secretary.

The sessions were held daily for a week and closed last Tuesday. Besides various business matters which were discussed, two papers were read by Prof. M. J. Wagner and Prof. E. R. Bliedernicht of the D. M. L. College, and special services conducted.

New Ulm was represented at the conference by M. J. Wagner, E. R. Bliedernicht, G. Burk, R. M. Albrecht, C. L. Scheppe, H. R. Palmbach, Fr. Reuter, H. Klatt and A. Schaller of the D. M. L. College; H. Sitz and W. F. Blauert of the Lutheran school; and Rev. C. J. Albrecht of the St. Paul's Lutheran church. The joint synod covers Minnesota, Wisconsin, Michigan and other surrounding states.

COURT DECISION CLERK HIRE CASE

CHAPTER 154, SESSION LAWS OF 1921, DECLARED TO BE INVALID.

DECISION RESTORES DEPUTY'S WAGES TO PRE-CUT STATUS.

District Judge I. M. Olson has rendered a decision in the county treasurer clerk hire case in which the deputy county treasurer asked for a mandamus order compelling the county auditor and the chairman of the board of county commissioners to pay more clerk hire to the deputy county treasurer under the law.

Herman Polkow, chairman of the county board, entered a demurrer against making him a party in the suit. The demurrer was sustained by Judge Olson.

Finds For Plaintiff.
The county auditor's answer to the complaint admitted all allegations of fact in the complaint to be true but based his refusal to pay more than \$50 a month as clerk hire in the county treasurer's office on chapters 154 and 387, Laws of 1921. These were passed by the last legislature as amendments to the former laws on clerk hire.

The court now orders that a peremptory writ of mandamus issue directing County Auditor Louis G. Vogel to issue to Edward J. Berg, deputy county treasurer, order or warrant for \$331.68 as clerk hire for the months of November and December, 1921. Also an order or warrant for \$444.48, balance of clerk hire for the months of January, February, March and April, 1922.

Will Get \$161.12 a Month.
For the months subsequent to April, 1922, the county auditor is ordered to issue a warrant not to exceed \$161.12 a month upon presentation of certificate of County Treasurer showing that the services have been rendered and liability therefore incurred for clerk hire.

In a memorandum filed by Judge Olson in connection with the above order, he shows that the matter referred to is covered originally in Chapter 157, session laws of 1913 under which clerk hire was to be paid. This became section 880 of the General Statutes of 1913. The court makes reference also to subsequent acts aimed to amend the original act and the possible application and probable validity or invalidity of such amendments.

Decision Invalidates Chapter 154.
Chapter 154, Laws of 1921, is the latest amendment on this matter and the one relied on by County Auditor Vogel in his answer. As to this law, the court says in the memorandum filed:

"In the body of the act, it is made to apply only to counties having an area of less than 25,000 square mile and an assessed valuation of more than 25 million dollars and less than 40 million dollars. In other words, it drops out of the law all counties having less than 25 millions of assessed valuation and extends the upward limit to counties having up to 40 millions assessed valuation. It applies to a class of counties not within the limitation of the titles

FRAZIER VICTOR IN NORTH DAKOTA

FORMER NONPARTY LEAGUE GOVERNOR STAGES BIG COME-BACK

OTHER GAINS FOR ORGANIZED FARMERS IN FLICKERTAIL PRIMARIES WEDNESDAY

Lynn J. Frazier, former Nonpartisan League governor of North Dakota, defeated in the re-call election less than a year ago by Governor Nestos, staged a wonderful come-back in politics last Wednesday when he defeated United States Senator Porter J. McCumber, chairman of the Finance Committee, the most powerful committee in Congress, for the Republican nomination for Senator in Congress by a decisive vote. This marks the passing of one of the staunchest of the old reactionary school of politics, McCumber having held the high position for twenty-four years, and the entering of a man of the new school, progressive and alert to the needs of the common people. North Dakota already has one progressive senator in Dr. Ladd, who was elected two years ago with Nonpartisan League endorsement. It is conceded that after next March, North Dakota will have two Nonpartisans in the United States Senate as the Democratic candidate is not considered likely to give Frazier much worry at the November election. Dispatches from Washington carry the news that Senator McCumber will shortly issue a statement to the voters of North Dakota in which he will announce his intention of loyally supporting Frazier in the fall election.

Affects LaFollette's Rank.
The election of Frazier to the United States Senate has far-reaching consequences. Amongst the results hailed with delight by progressives all over the country is the elevation of Senator LaFollette to be ranking member of the Finance Committee of the Senate, the most powerful committee in Congress. Senator Reed Smoot of Utah, as the present ranking member, becomes the chairman of the committee upon the retirement of McCumber. But it is known that it is only a matter of a short time until Senator Smoot will be called to head the Mormon church and when that time comes, Smoot, as a devout church man, will give up his position in politics to head the call of duty to his church. That will move LaFollette up to the chairmanship, under the seniority rule, and close observers say that this may happen within a year. This would be the greatest blow imaginable to the reactionaries, and it is already loudly rumored that an attempt will be made to change the seniority rule in order to keep the feared progressive champion of the people from Wisconsin from acquiring that powerful position in Congress.

Nestos is Re-Nominated.
Governor Nestos was re-nominated for governor over the Nonpartisan League candidate, State Senator B. F. Baker, in last week's primaries. Nestos campaigned on a platform promising to continue the Nonpartisan League program already initiated by the League administration before Nestos became governor. Thus Nestos was in the advantageous position of promising to administer the government of North Dakota along Nonpartisan League lines although running for the nomination against a League. Another big advantage in favor of Nestos was the fact that he is a Norwegian, which means a great deal in North Dakota politics where the overwhelming majority of the voters are of Scandinavian origin. Governor Preus of Minnesota also a Norwegian, spent considerable time in North Dakota campaigning for Nestos before the primaries and he had to show considerable skill as a political contortionist in asking the people of North Dakota to re-elect a governor on the same kind of a platform which Governor Preus in this state in the coming campaign will denounce as Socialist, Bolshevistic, and Russian, dangerous to the churches, our schools and our homes, full of free love and murder of babes, and all the political bogey-men necessary to scare the political children of the G. O. P. to toe the chalk line marked out for them by the "Powers That Be" and vote the reactionary ticket straight from top to bottom.

SIBLEY FARMER KILLED FALLING FROM HAY LOAD

Albert Haas, pioneer farmer of the Winthrop neighborhood, 61 years of age, was killed on Wednesday last week when he fell off a load of hay, breaking his back. The accident happened on his farm about six miles north of Winthrop.

Although a physician was called immediately, nothing could be done to save the man's life. Mr. Haas retained consciousness till 10 o'clock the next morning when death came.

The funeral was held from the Mountville Lutheran church Monday, July 3.

Mr. Haas was well known, being a prominent pioneer.

Henry Haeblerle and a friend, Carl Schurmeyer, both of Cincinnati, Ohio came to New Ulm Thursday to spend several days at the home of the former's mother, Mrs. L. Haeblerle on South Washington street. They left Monday for a week's visit fishing trip in Northern Minnesota. Upon their return Mr. Schurmeyer will leave for Cincinnati, but Mr. Haeblerle will spend the summer with his mother.

"SKAT ONKELS" IN STATE MEET HERE

LOCAL SKAT FANS PREPARING FOR STATE TOURNAMENT HERE SUNDAY.

\$100 FIRST PRIZE WITH 29 OTHER VALUABLE PRIZES IN CONTESTS.

New Ulm will be host to the "Skat Onkels" of the State next Sunday at their annual summer tournament. At the annual meeting of the skat league of the state held at St. Paul last winter, New Ulm was picked as the place for this year's midsummer tournament.

There will be two sessions as usual, the first session beginning at 2:30 P. M. and the evening session at 7:30. There will be thirty cash prizes and the first prize will be \$100. The entrance fee is \$1.50.

Local Fans Enthusiastic.
Some of the local skat fans are quite enthusiastic over this event and feel that there will be in the neighborhood of 300 to take part in the contest. The roads are very good and if they should remain so there will be a large number of skat players from the Twin Cities and especially from the immediate neighborhood who will make it a point to be here. It is worth any skat onkel's time to take a try at the \$100 prize.

Announcements for the skat tournament were sent out early this week and the officers of the State League suggested to all the skat players who do not own automobiles to organize in parties and charter an auto bus.

No Business Session.
There will be no business session at this tournament but there will be the usual number of post mortems. The arrangements for this tournament are in the hands of the local skat club and everything possible is being done to have the arrangements so perfect that the guests will feel repaid for coming here and will insist on having the next midsummer festival also held in this city.

RICH VEIN OF NICKEL ORE DISCOVERED AT REDWOOD

Mother Nature has certainly distributed her bounties over our state with a lavish hand for now comes the news that nickel ore has been discovered near Redwood Falls. A vein of the ore, about five feet in thickness and about three-fourths of a mile long, has been discovered on the August Boltz farm about four and a half miles from the city. A company called the Redwood Falls Mining Co. has already been organized, and a crew of miners employed. Stock is being sold at ten cents per share, and is readily being disposed of to Redwood Falls residents. The company will establish several offices with headquarters at St. Paul.

Assay reports indicate that the deposit is extremely valuable, and bids fair, upon development, to rank among the richest nickel mines in the world.

REV. A. ACKERMANN INSTALLED AS PASTOR
Rev. A. Ackermann, who has for a number of years been one of New Ulm's respected citizens, was formally

installed as pastor of the Immanuel Lutheran church at Mankato last Sunday. Rev. Ackermann was an instructor in the D. M. L. College for a number of years, and prior to his removal to Mankato, he held a position in the State Bank of New Ulm. He succeeds Rev. A. F. Winter as pastor of the Mankato church, the latter having been chosen president of Bethany College in that city.

Rev. Winter conducted the services and Rev. Heidemann preached the installation sermon. The services were followed by a lunch served in the church dining rooms by the ladies of the congregation. J. T. Schlesselmann acted as toastmaster. The welcoming address was delivered by Carl Dethoff and Rev. Ackermann responded with a short speech. After a farewell address by the retiring pastor, the meeting was closed with a brief speech delivered by Wm. Stradtman.

The many friends of the Ackermann family sincerely regret their removal from New Ulm, as it was a loss to the entire community. However, all wish Mr. Ackermann the greatest measure of success in his new field.

HEAD CRUSHED IN AUTO ACCIDENT

INSTANT DEATH OF SERVICE MAN WHEN FORD AUTO TURNS TURTLE.

Nat Knutson, section foreman of Lewisville, an ex-service man, was killed instantaneously last Sunday when the automobile in which he was riding turned turtle, crushing his head. The accident happened on the road about three and a half miles east of Lewisville.

Loose Gravel, Probable Cause.
The car was driven by a Mr. Riels of Madelia, who escaped with only minor bruises. Mr. Knutson took the ride with Riels with the purpose in view of buying the Ford. It seems that the car, upon striking loose gravel, became unmanageable and slid off the grade.

Knutson was 23 years old. A bride of a year survives him.

Mrs. Geo. Anderson of St. Paul and her two children, Verne and Maxine, arrived Thursday to spend two or three weeks at the home of Mrs. Anderson's parents, Mr. and Mrs. Carl Hrusa.

LAD LOSES LEG BOARDING TRAIN

EYOTA BOY HAS LEG CUT OFF TRYING TO STEAL RIFE ON FREIGHT TRAIN.

COMPANIONS TURNED OVER TO PARENTS BY NEW ULM AUTHORITIES.

Clarence Palmer, 20 years old, of Eyota, Minn., had his left leg cut off trying to board a moving freight train in the Northwestern yards in New Ulm last Monday afternoon at 4 o'clock. Three companions, also from Eyota, had safely gotten on, but Clarence slipped and fell under the wheels, his left leg being cut off right below the knee and the toes of his right foot were also cut off. The accident happened on the Northwestern crossing on Center street.

Boys Bound for Huron, S. D.
The boys were bound for Huron, S. D., according to their story told to the police, and they had decided to bum their way on freight trains. They were going there to look for work, the boys said.

The accident was noticed at once by the train crew, and the train, local freight No. 1, having only nine or ten cars, was stopped at once. A surgeon was summoned and the injured man taken to the Union Hospital immediately.

Parents Order Boys Held.
A long distance telephone call from the parents of one of the boys ordered them held till they could be taken home.

The Palmer boy's father and three sisters came to New Ulm on Tuesday to see the injured lad. He is resting easily at the hospital but the doctor says that it may be necessary to amputate the right foot also as it is badly crushed. This, the doctors are trying to avoid, if possible.

Companions Sent Home.
The New Ulm authorities turned over the other boys to Mr. Palmer who took them home yesterday.

POP TRUCK TIPS KILLING DRIVER

A. W. SCHMID, DRIVER FOR NEW ULM BOTTLING WORKS KILLED FRIDAY.

NECK AND RIBS BROKEN WHEN TRUCK GOES OFF GRADE NEAR LAFAYETTE.

A. W. Schmid, driver of a pop truck for the New Ulm Bottling Works, was instantly killed in an accident near Lafayette late Friday afternoon when his truck slid off the grade and tipped against a telephone pole pinning the driver between the truck and the pole, breaking his neck.

Mr. Schmid was collecting empties and had eleven cases of them on his truck when the accident happened. He had left Lafayette, according to reports, about 5 o'clock or later in the afternoon on his way to Gibbon. About three quarters of a mile out of Lafayette, his truck seems in some way to have slipped off the grade, which is about two and a half feet high. The tracks showed that he traveled along about 130 feet with the two wheels on the right hand side off the grade, evidently attempting to get back on the grade, when the truck tipped, rolling over against a telephone pole.

Neck and Ribs Broken.
The driver was pinned between the pole and the seat of the truck and his neck and ribs were broken, causing instant death. As Mr. Schmid was all alone and there was no one near at the time of the occurrence the cause of the accident will remain unknown. The truck was a Reo Six and seems to have been in good condition as employees of the New Ulm Bottling Works drove it back to New Ulm after the accident, the top being the only part broken on the truck. If Mr. Schmid met a car and turned off too far, no other driver has volunteered such information. Heart failure did not enter into the accident, according to the undertaker who found a perfect circulation. In cases of heart failure, the circulation is restricted.

Found by Mail Carrier.
The first to arrive on the scene after the accident was a Lafayette mail carrier who happened along about 5:30. He reported the matter at Lafayette at once and Henry Moline, restaurant proprietor at Lafayette, telephoned the Frenzel brothers at the New Ulm Bottling Works.

At 6 o'clock, H. H. Frenzel, A. J. Frenzel, Frank Hesse and John J. Macho left here in a car and arrived at the scene of the accident in about twenty minutes. J. H. Forster, the undertaker, also went up with his assistants, to take care of the body. Dr. Fred W. Behmer of Lafayette representing the coroner of Nicollet county, was there when the New Ulm folks arrived and the body was turned over to the undertaker.

Born in Springfield.
A. W. Schmid was 37 years old the 23rd of June, just past. He was born in Springfield, this county and was married to Miss Jennie Jorgenson in October, fifteen years ago. He moved to New Ulm eleven years ago to go to work for Frenzel Brothers at the New Ulm Bottling Works. He has been with this firm ever since.

There are three children, Margaret, 13, Roger, 12, and Marion, 8, who remain with their mother to mourn the loss of their father. Other surviving relatives are his aged mother at Springfield; Rudolph, a brother, who works for the A. J. Vogel Lumber Co. in New Ulm; Otto J. of Lamberton, and Wm. J. of Sleepy Eye.

Funeral at Springfield.
The funeral was held last Monday at Springfield from the mother's home. Interment was made in the Catholic cemetery.

The sympathy of the community goes out to the bereaved family in their hour of sorrow.

Miss Elizabeth Priesterbach, an instructor in the local high school for the past year, and her parents, drove to New Ulm from St. Paul last Friday. They were accompanied by Miss Emma Potter of Merriam Park, who held the position of school nurse at New Ulm during the last school term. They were guests at the Henry Held and Dr. T. F. Hammermeister homes, and visited with many local friends. Mr. and Mrs. Priesterbach and Miss Potter returned to St. Paul the following morning, while Miss Priesterbach remained until the afternoon to accompany the Misses Elizabeth and Bertha Schmidt to Chicago.
