OPENING OF A NEW SCENIC ROUTE TO YELLOWSTONE PARK

Through the Heart of the Rockies and the Last of the Old West.

The new scenic Teton Mountain route from Lander, Wyo. to the Yellowstone opens July 1. Large, easy riding motor busses take you through the Shoshone Indian Reservation, along the picturesque Wind River, which is crossed and recrossed many times, to wonderful Brooks Lake, with the world's greatest trout fishing.

Other attractive features of the trip are unequalled views of the Teton Mountains, considered the most majestic of all ranges in the Rocky Mountain Region; and a ride through the Jackson Hole and Lake Region; the greatest big game country in the world.

A new booklet, entitled "Teton Mountain Route to Yellowstone National Park," is just off the press. Ask for a copy. Then you will want to go. For fares, train schedules and full information, ask Agents, Chicago & North Western Ry. Adv. 27-30

GOLDWIN PRODUCES NEW LEROY SCOTT MELODRAMA WITH FINE CAST.

When the cast for the new Goldwyn production of Leroy Scott's new melodrama of the underworld, "The Night Rose," was assembled, a group of leading men and women were given the principal parts. All of them have been featured alone in former pictures; and now they may be seen together in the photoplay coming to the Grand Theatre, Wednesday and Thursday.

Lon Chaney has been regarded as the most powerful character actor on the screen today; and in "The Night Rose," he impersonates a king of the underworld in commanding fashion. Leatrice Joy and Cullen Landis are the victims of the villain's machinations, while John Bowers is the honest district attorney who tried to clean up the town.

One of the most magnificent ball room scenes ever staged was screened for "The Night Rose." It is not only

picturesque, but also the background for the climax of the story.

GASOLINE PRICE DROPS.

The price of gasoline took a drop effective Monday morning, coming down three-tenths of a cent per gallon. The price was 26.7 and is now 26.4.

The reason for the drop is said to be the reduction in freight rates which went into effect July 1st. One must buy three and one-third gallons to make a penny, but why not be thankful for even small favors?

A BUSINESS COUPE FOR BUSINESS MEN

This car represents a new and important achievement in commercial transportation.

For the first time in motor car history, business men are enabled to buy a closed car, the body of which is built throughout of steel.

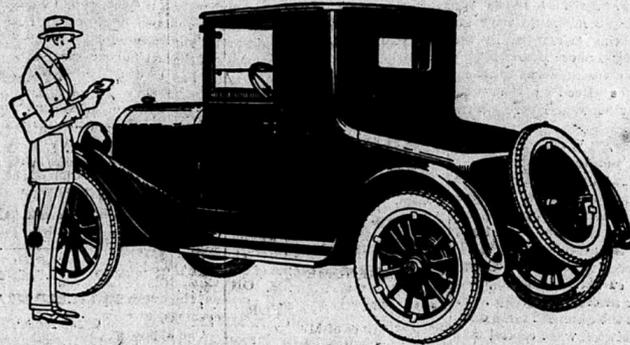

The advantages of this all-steel construction—reserved until now to open cars—are particularly marked in a coupe built to weather the wear and tear of hard commercial usage.

Immediately you will be impressed with the beauty and lightness of this coupe. Time will convince you of its unusual stamina. The doors snap neatly shut. Body squeaks are eliminated. Dodge Brothers enamel is baked on the surface of the steel—a permanent lustrous finish, impervious to wear.

The interior is roomy and thoughtfully equipped with every appointment necessary to the owner's comfort and all-weather protection.

Business houses that equip their salesmen with motor cars have been quick to recognize in this coupe a very unusual investment.
