

BOARD PLANS ART EXHIBIT IN HIGH SCHOOL APRIL 28

Five Hundred Pictures and Prints Are To Be Displayed.

PURCHASE 100 TONS OF COAL AT \$8.95

Four Speakers Suggested As Commencement Orators.

Two hundred large pictures and 300 small prints will be displayed at an Art Exhibit to be held in the gymnasium of the High School building April 25 to 28, according to plans announced to the Board of Education at its meeting Monday evening by Superintendent Arnold Gloor. An Art lecture will be delivered in connection with the display.

One of the purposes of the exhibit is to arouse interest in art. Similar displays have been held at Mankato, Tracy, Shattuck, Fairmont, Elbow Lake, Detroit and Fergus Falls. The board voted that the admission charge should not be more than 15 cents. Proceeds will go toward the purchase of pictures for school rooms.

Board Buys Coal.

After opening bids from coal dealers the board voted to buy 160 tons of Montgomery county coal at \$8.95 a ton. The contract went to Bingham Brothers. This is the cheapest coal the board has bought this year, it having paid \$11.40 last summer for Yochegheny and \$10 for Franklin county. Bingham Bros. offered Franklin county for \$11.12 and Saline county for \$10.65. Their price on Franklin county was one cent below that of Nagel and Leary.

Hubert Theissen, janitor at the High School building, informed the board that Yochegheny and Franklin county were the most satisfactory coal he had burned this winter, but because of the substantial saving in Montgomery county the board decided to try this variety.

Herman Raabe reported that the board had a balance of \$33,600.01 on December 1. The board has recently received \$43,000 from the county, he said.

The board decided to make arrangements at once for a speaker at Commencement which will be held on June 1. The names of J. C. Brown, President of the State Normal School, St. Cloud; Dr. C. A. Prosser, director of Dunwoody Institute, Minneapolis; Judge Oscar Hallam of the State Supreme court and the Rev. Roy L. Smith of the Simpson Methodist church, Minneapolis, were all suggested as possibilities. They will be communicated with immediately to see if one is available for the desired evening.

THIEF ROBS MANKATO BANK OF TEN DOLLARS

For the first time in the history of Mankato, one of its banks was robbed last night. The thief today is no doubt "cussing" his luck at not making a bigger haul than he did. The thief netted the thief about \$10.

For some time past the National Bank of Commerce has been advertising the advisability of making small weekly savings. One of the large front windows of the bank, located in the Saulpaugh block, was used for this purpose. In order to show what the saving of three dollars a week would amount to in five years, a number of packages of paper cut the exact size of a one dollar bill and faced with a genuine paper dollar were placed in piles in the window. A placard, announced that in five years this would amount to \$852.50. To all appearances there was \$852.50 in the window. This must have looked like easy pickings for some "Wary Willie," who procured a large coupling pin and broke the window. It would appear that the arm of the thief was short, for three of the paper dollars, and they were genuine too, could not be reached by him.

The robbery was not discovered by the police, who knew nothing of it until August Johnson, janitor at the First National bank, who lives in North Mankato, passed by the National Bank of Commerce between four and five o'clock this morning while on his way to work. Mr. Johnson informed the police department and the theft of the money.—Mankato Free Press.

RIVERSIDE PARK CLOSED.

Last Wednesday afternoon a public auction was held at Riverside at which time the buildings were disposed of. The 16x18 pavilion was bought by August Beyer for \$120, and the other 15x10, went to Theodor Mohr for \$80. The bowling alleys were purchased by Louis Adam for \$10 and the dance pavilion by Joe Prokosen for \$83. Louis Adam also purchased the music stand for \$25.00 and \$40 was paid by different parties for miscellaneous small articles belonging to the park. The managers said they were unable to pay expenses at the park last summer and the City Council declined to buy them out, so they were obliged to hold the auction.

POSTPONE HEARING ON MEDICAL CHARTER

The hearing on the suit of Dr. O. J. Seifert of New Ulm and Dr. D. V. Gleysteen of Lamberton against the Minnesota State Medical association asking that the charter of the Brown-Redwood counties association be reinstated has been continued in Ramsey county district court until December 16. The case was scheduled to come up last Saturday.

In their complaint, the two doctors assert that the revocation of the local charter by the State association in 1919 without a hearing was contrary to law. They declare that the action of the state association has deprived them of memberships of financial value without giving them an opportunity to be heard.

In a preliminary hearing held last December in the Ramsey county district court, the newly organized Redwood-Brown counties society was made a joint defendant with the State Medical association in the case.

MUESING OPENS NICOLLET DRUG STORE

The new Muesing drug store at Nicollet will have its formal opening about December 15. The store occupies the modern new building of the Nicollet State bank and opened for business a week ago. The bank's quarters will be ready for occupancy soon and both business esplan to have a joint celebration at the formal opening.

The interior of the new drug store is in silver gray. The terraza floor is gray and the fountain marble is gray with black trimmings. The trimmings of the show cases are in gray. The stock is enclosed in neat glass cases. The store is said to be one of the finest small town drug stores in the state.

ERECT NEW DEVICE FOR WASHING SAND

The Saffert Cement Construction company is erecting a new automatic sand washing machine with a capacity of six cubic yards of sand an hour across from its plant at 224 Third street north. This will do away with hand labor in preparing sand for the manufacture of cement products. The system consists of a huge derrick, some 42 feet in height, to the top of which the sand is elevated. It will be washed as it goes down an inclined chute, 46 feet long. The new apparatus will speed up the work of the plant.

HIGH SCHOOL IS OUT TO CAPTURE HONORS OF STATE

Players Will Not Be Satisfied With Less, Coach Says.

FIRST GAME WITH COMFREY, DEC. 15.

Many Of Star Players Are Reporting Nightly For Practice.

The New Ulm High School basketball team is out to capture the state championship this year, Rollin Church, coach, declared last night when he made public the schedule of games which has been arranged. Two years ago the local team lost the state championship by three points. Last year as for many previous years, it was the champion of the Eleventh district comprising New Ulm, Redwood Falls, Sleepy Eye, Springfield, Tracy, Tyler, Minnesota, Lamberton, Marshall, Canby and Lake Benton. This year, according to Mr. Church, nothing will satisfy the players but to win the distinction of having the best team in the state.

Prospects Are Bright.

A number of experienced men are reporting nightly for practice, Mr. Church said, and the prospects are bright for a strong lineup. Among those from whom the team will finally be selected are the following: Joe Schueller, Plymouth Nelson, Oscar Muesing, Louis Schugel, Joe Keckesen, David Williams, Fred Leonard, Theodore Fritsche, Howard Vogel and Ellis Jones. The first game will be played with Comfrey here on Friday evening, December 15.

Schedule Is Announced.

Other games on the schedule announced by Mr. Church are as follows: Lamberton at New Ulm on December 22; Redwood Falls at New Ulm on January 12; Mankato Commercial college at Mankato, January 13; Mankato Normal at New Ulm January 19; Sleepy Eye at Sleepy Eye, January 20; January 26, open; St. Peter at St. Peter, January 27; Mankato Commercial college at New Ulm, February 2; February 3, open; Redwood Falls at Redwood Falls, February 9; Mankato Normal at Mankato, February 10; St. Peter at New Ulm, February 12; Lamberton at Lamberton, February 16; February 17, open; February 22, open; Sleepy Eye at New Ulm, February 23 and February 24, open.

Girls Are Practicing.

The girls' basketball team is holding regular practice under the coaching of Harry Dirks. The girls last year played ten games and won all of them. Many of those out for the team this year are experienced players. As yet but two games have been scheduled for the girls. They will play the Mankato Normal Girls' team here on January 19 and at Mankato on February 10. As these are the dates on which the boys will play the Normal team both of these games will be double headers.

23 STUDENTS MAKE SCHOOL HONOR ROLL

Twenty-three high school students have made the coveted honor roll for November, as compared to 17 last month, according to an announcement made by Principal R. J. Stewart. Heading the list is Erna Grussendorf who has had six A's for the past three months. Alice Melie leads the Freshmen class with A in five subjects. Both of these are considered excellent records.

To be on the honor roll a student must secure A in three subjects and B in the remainder. The other names to be found on the list for November are Mildred Epple, Florence Frederickson, Doris Haugen, Elizabeth Hintz, Cecilia Hough, Caroline Guggisberg, Verval Mueller, Adeline Ritschel, Fred Marks, Verna Marie Miller, Margaret Schmid, Henry Somsen, Florence Hartl, Edgar Fechner, Amy Mather, Arnold Miller, Frieda Olted, Irma Peterson, Lorna Schleuder, Charlotte Beckus, Alpha Backer, Winnifred Scheweppe, Hilda Steinmetz.

FIRE BURNS OUT THREE TRACY FIRMS

Three Tracy business concerns were burned out by a destructive fire November 28, when two brick business blocks were destroyed. The fire broke out about 9 p. m. from an unknown cause. It had gained too much headway to be extinguished by the fire department and for a time the safety of the entire business district was threatened. The firms which were burned out were the Citizens Light, Heat and Power company, Mrs. Gertrude Timmers Millinery and the Albin Johnson Tailor shop.

Ladies' and Gents' Silk Umbrellas, high class, \$5.00 to \$15.00. Schleuders Jewelry Store. Adv. 49-51

WONDERFUL MUSICAL ARTISTS HEARD HERE

Within the space of less than a week, the people of New Ulm and vicinity had an opportunity to hear instrumental and vocal artists who surpassed anything that has ever before been heard here. Wednesday evening the Fonzaley quartet held forth at the Armory and Sunday afternoon and evening, the South German Maennerchor of Baden, Germany, gave concerts at Turner Hall. In both cases the audiences were not so large as the ability of the performers warranted and both concerts closed with a deficit. This is much to be regretted, because the promoters of these especially good attractions should not, in addition to putting in their time, be also called upon to pay money out of their own pockets to make good a guarantee, which they made in the faith they had in their fellow-citizens, that they would appreciate good concerts and attend in large enough numbers to make a deficit impossible.

The members composing the string quartet were Adolf Betti, first violin, Alfred Pochon, 2nd violin, Louis Bailey, viola and Iwan d' Archambau, cello. Every one of these musicians is a master on the instrument he plays. Musical shadings were brought forth with wonderful effect. Their pianissimo and also their fortissimo playing was simply perfect and the audience showed by spontaneous applause that they appreciated every number of the concert.

No better male singing has ever been heard in New Ulm than that of the South German male chorus. The piano selections by Heinz Froehlich were also of a high order. The vocal solos by Mr. Karl Schmidt were in a class by themselves. The enunciation of the singers was perfect and every word could be heard distinctly in all parts of the auditorium. It seemed to be no effort for them to sing and the director had the chorus under perfect control at all times. They responded to every motion, even the slightest, of their able director Heinz Froehlich.

Shortly before the close of the concert, one of the members of the company explained their reasons for coming here. He said it was not the chase after the almighty dollar. They came here more for the purpose of renewing the pleasant relations that had always existed between the people of Germany and the citizens of this country, to bring to their countrymen in the United States a message of good cheer; to tell them, that altho the misery was great in Baden and for that matter in all of Germany, the people had not despaired and as proof of this he mentioned the cultural work that is progressing admirably. He spoke very earnestly, without bitterness, and what he said made a deep and lasting impression on every one.

From here the singers left for St. Paul and Minneapolis and from there they go to Iowa and will be in Chicago about the middle of December. They will return to their native land early next year.

"KARMA" AT TURNER HALL

OSWALD WINS FIRST PRIZE AT SKAT CLUB

Otto F. Oswald won first prize with 20 net games at the meeting of the skat club Monday evening in Turner hall. George Liesch captured second prize with 603 net points. H. F. Wendorf secured third place with a diamond solo against four. Fred Meyer secured fourth place with a high play of 120 points. A special prize of one Eversharp pencil was donated by H. O. Schleuder.

Anton Kaechele, who was a member of Co. "A", 12th Minn. Vol. Infantry during the Spanish American War died at his home in Tracy a week ago Saturday. He had been an invalid for quite a number of years. While a member of Co. "A" he contracted yellow jaundice and has been in poor health ever since. The deceased was born in Revere, May 29, 1879, and lived in Springfield at the time of his enlistment. Shortly after his discharge he removed to Tracy and was in the furniture business there for quite a number of years. The funeral was held Monday following his death and the remains were brought to Springfield for interment.

Christmas Shopping Made Easy

The Store that is filled with Xmas Gifts. Christmas Stocks at Their Best. Do Your Christmas Shopping Early.

At this time of the year with only 15 Shopping Days left, with that Xmas feeling in the air, our thoughts turn towards Xmas shopping. And never has the Xmas season found our Store filled with beautiful Xmas gifts as it is this year. Make your Xmas shopping easy by looking over our large stock of Xmas gifts.
