Brunswick

PHONOGRAPHS AND RECORDS

Your Gift to Your Family!

Instead of buying a little something for each one of the family this year, why not give a real gift

A Brunswick Phonograph for Instance!

WOULDN'T the whole family appreciate it! Music in your home on Christmas Day, and every day in the year, at any time and what ever kind you like best. Could any gift be more desired?

Join the Brunswick Christmas Club.

This plan makes it easy, a small payment down and a reasonable amount each week soon pays for a Brunswick. Let us tell you how easy it is to be a Club Member.

We want you to see the New Models and to hear the New Brunswick. There are many advantages found on this Machine that are not found on others, and it costs no more.

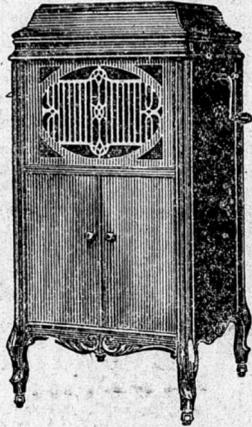

You will like it, and so will the rest of the family.

The latest Records are always here first.
Come and Hear Them.

SILVER TROPHIES TO BE SHOWN AT BUREAU MEETING

J. F. Reed And Mrs. John Grant Are To Make Addresses.

LAWSON WILL PRESENT HIS ANNUAL REPORT

State Organization Meets At St. Paul On Jan. 2, 3, and 4.

The grand champion silver trophies and ribbons won by Joe Isaksen of Springfield at the recent Junior Livestock show in St. Paul will be on exhibition at the annual meeting of the Brown County Farm Bureau which will be held at Sleepy Eye, Friday of this week, according to an announcement made by Willis Lawson, county agent. J. F. Reed, president of the State Farm Bureau federation, will give the main address of the day. Mrs. John Grant of Windom will give a speech which will be particularly interesting for women.

Free Lunch at Noon.
The session will begin at 11 a. m. and Mr. Lawson urges those who are coming to be there on time. The Sleepy Eye Commercial club has donated a free sauerkraut and wiener lunch at noon. The first number of the afternoon program will be the annual report of Mr. Lawson.

The meeting will be held in the public school auditorium of Sleepy Eye and all are invited whether members of the Farm Bureau or not.

State Bureau to Meet.
Marketing will be the theme stressed at the annual convention of the Minnesota Farm Bureau Federation, to be held in St. Paul, Jan. 2, 3, and 4. On the second day of the meeting, most of the time will be devoted to reports from farmer-owned sales agencies, Representatives of livestock, grain, wool, potato and other terminal selling institutions with which the Minnesota Farm Bureau Federation is co-operating, will be on the program to report on progress during the year and suggest plans for expansion in 1923.

Rates Are Reduced.
Railroad rates of a fare and a half for the round trip for all persons attending the convention have been obtained by F. L. French, secretary. "To profit by this arrangement," Mr. French says, "delegates and others attending should obtain a certificate at the time the ticket is purchased. Some time during the convention these certificates will be indorsed by federation officials, which indorsement will entitle the purchaser to a ticket home at half price."

Wallace May Be Present.
Farm Bureau officials have been assured by Secretary of Agriculture Wallace that he will be present for an address the opening day if he can arrange his work at Washington so he can make the trip west. However, the question of his coming is still unsettled.

Consideration of the Federation's agricultural program for 1923 will be an important part of the delegate's work.

FALL TERM OF DISTRICT COURT GETS UNDER WAY

State of Minnesota vs. Charles Schroeck.
In two cases motions were made for continuance on the ground of sickness of material witnesses and there were also several motions asking that the questions of fact be submitted to the jury. These motions were all heard Monday afternoon.
REAL WINTER COMES IN WITH MERCURY SHOWING 10 BELOW
New Ulm experienced its first touch of real winter weather yesterday morning when the thermometer registered 10 degrees below according to A. Henle volunteer meteorologist. This was a drop of 36 degrees from the reading Monday morning when the mercury indicated 26 degrees above zero.
The sudden change was caused by the switching of the wind, Mr. Henle reported. Monday morning the wind was from the south but before noon it had swung to the west and by night to the north causing the mercury to fall rapidly.
The wind which had reached a velocity of 25 miles an hour Monday, subsided somewhat Tuesday but cold and fair weather will continue, Mr. Henle predicted.

TOYS! TOYS!

This store has the most complete assortment of toys of any store in the county.

Why not do all your shopping under one roof?
