Gasoline that Drives the Piston Home

In winter you need a gasoline that in addition to starting easily will drive the piston the full stroke under power.

Red Crown does this. That's why you get such tremendous sustained pulling power when you use

Red Crown

The High-Grade Winter Gasoline

Red Crown is made by the Standard Oil Company (Indiana) to fit your car, and for no other purpose.

It imparts to your engine that eager responsiveness in starting and high-speed driving that makes winter motoring a pleasure.

It burns clean and vaporizes to the last drop. That's why it gives such satisfactory mileage.

21.4c per gallon—why pay more?
