## Refrigerators We Know About and Warrant

The kind that delights the housekeeper and are not wasteful.

That's the sort.

We have been testing the merits of refrigerators we sell for years. We have learned all about them from people to whom we have sold hundreds.

We recommend none that is not absolutely above adverse criticism. But we have many different varieties to present—to meet exactly every requirement of price, service and space.

Look them over.

\$20.00 and up. Ask about our Automatic Ice Cream Freezer, too.
