**SUNNY SQUIBBLETS**

Now if some folks would spend a little less time chasing the political pork barrels, and a little more time in filling up the potato barrel from their own back yard, the country would be better off.

Fortunately there are a lot of people who are willing to help the spenders get rid of their money. Otherwise they would be awfully bothered to know what to do with it.

**THE GOVERNOR THAT FAILED**

To the utter disregard of men and women of Vermont and the nation and to the supreme disgust of thousands of Vermonters who supported Gov. Clement in the last campaign, this stubborn executive with the granite mind and marble heart, has declined to call a special session of the Vermont Legislature to make Vermont the perfect state.

**Heat Saps Power;  
Store up Energy**

Keep digestion perfect with Dr. Caldwell's Syrup Pepsin and you will have strength to work

SUMMER is the season of vacations, of slowing up in work. And there is a good reason for it. Heat is enervating and work quickly tires. But people must work, and we should all keep ourselves in such fine physical condition that we can do our share even in hot weather.

Of first importance is to see that there is a regular, daily bowel elimination. If you skip a day you are constipated. Constipation, especially in summer, is quickly followed by fatigue, loss of appetite, chills and colds. There is no energy for work.

When you feel constipated and out of sorts, more tired than you know the circumstances warrant, take a spoonful of Dr. Caldwell's Syrup Pepsin. This delightful laxative-tonic is a combination of simple laxative herbs with pepsin and can be bought at any drug store.

Syrup Pepsin will quickly relieve your constipation and give you a feeling of lightness and clear headedness.

**FREE** Millions of people of all ages suffer from occasional or chronic constipation. Let them send name and address to Dr. W. B. Caldwell, 512 Washington St., Monticello, Ill., for a free sample bottle of his wonderful Syrup Pepsin. 8 million bottles were bought at drug stores last year, the largest sale in the world.

Mr. Walter of 411 Minnie St., San Francisco, had to quit work because of constipation, colds and a train of other ills. He took Dr. Caldwell's Syrup Pepsin and promptly recovered his health and strength and is now at work again.

You will make no mistake getting yourself a bottle of Syrup Pepsin and taking a little at the first sign of constipation.

**POPULAR AUTO  
DEALER TAKES  
NURSE FOR BRIDE**

William Abner Wright and Miss Annie Laura Saitor were married at the home of Rev. Dr. E. W. Sharpe, Monday evening at 8 o'clock. The house was prettily decorated for the occasion, sweet peas being effectively used in the dining room and roses in the parlor. They were married by Dr. Sharpe beneath an arch of evergreen, the ceremony taking place in the parlor. The single ring service was used, and a few friends and relatives were present. The wedding march was played by Mrs. Bernice Roundy Townsend.

The bride was gowned in white organdie and carried a shower bouquet of bride's roses. She wore a veil which was caught with lilies of the valley. Miss Annie Saitor, a cousin of the bride, was bridesmaid, and she wore a pale green organdie and carried a bouquet of sweet peas. The best man was Charles Wright, a brother of the groom. Little Isabel Craigie of Littleton, N. H., was ring bearer and carried the ring on a rose bud, and Miss Alda Craigie of Littleton, had charge of the guest book.

Following the ceremony refreshments of ice cream and cake were served by Mrs. Albert E. Powell, Miss Isabel Corrow and Miss Hilred Lyster. Mrs. Wright cutting the bridal cake. The bride was the recipient of many choice gifts.

The bride's going away gown was of dark blue satin and her hat was white milan straw, combined with black plush.

The bride's gift to her bridesmaid was a little finger ring and the groom's gift to the best man was a stick pin.

Mr. and Mrs. Wright left on the early morning train Tuesday for Montreal, Niagara Falls and Buffalo. During their absence Mr. Wright will visit the Essex factory and drive home in a new Essex car. Upon their return they will reside on Pearl St.

The bride is a graduate of Brightlook Hospital, a popular and efficient nurse and has made her home at Dr. Sharpe's. The groom is one of St. Johnsbury's best known automobile dealers and both have the best wishes of a wide circle of friends.

**Young Ladies Entertain-  
ed at Elmwoode**

The members of the Searchlight Club of the South church and the Missionary Round Table of the North church were most delightfully entertained at Elmwoode Monday evening when Mrs. Ruthy P. Fairbanks and Dr. Charlotte Fairbanks were the hostesses. The principal part on the program was an informal address by Miss Mary R. Ely, who has recently returned to St. Johnsbury after a year of study in Cambridge, Eng. Miss Ely gave a graphic account of her experiences abroad which included a month's trip through Ireland and a month with the Y. W. C. A. in Paris. In the latter city she heard of the work that a St. Johnsbury doctor had been doing

**St. Johnsbury's Streets  
and Sidewalks**

The village trustees have mapped out the work of the street department for the summer, but are greatly handicapped in their work because of the non-arrival from Boston of the stone crusher. The machine broke down last fall and was sent to the factory the first of the year in ample time for repairs to be made and returned for the present season. Until it arrives in St. Johnsbury it will be impossible to crush the stone for the foundation of the streets or for the concrete sidewalks. At present the steam roller is being used on Portland street where the highway is being spiked and rolled. This method will be employed in the other principal streets, and unless the stone crusher arrives pretty soon is about all that can be done to improve our highways. Of course it is not as permanent as resurfacing, but it is the best that can be done under the circumstances. W. S. Goss, who recently resigned as freeman at Brightlook Hospital, is running the steam roller. At present the only new sidewalk being laid is a cement sidewalk and cross walk on River street. This will be much appreciated by the people in that section who have long been without a suitable walk.

The marvelous fertility of Mother Nature is manifested in your garden growing up to luxuriant weeds.

**A False Standard of Culture**

Has gained ground in this country which looks upon the bearing and rearing of children as something coarse and vulgar and to be avoided, but the advent of Eugenics means much for the motherhood of the race. Happy is the wife who, though weak and ailing, depends upon Lydia E. Pinkham's Vegetable Compound to restore her to health, and when headaches and backaches are a thing of the past brave sons and fair daughters rise up and call her blessed.

**He has yielded to the advice of some friends who have ill-advised him from the start, and the results of his political mistake will be far-reaching. Some good republicans have even expressed their firm belief that if he did not call a special session the democrats would carry the next election. But what does this autocrat care for the future of the party that elected him to the office he has now repudiated if he can have his own way. It is a sad ending to a political career of this man of three score and ten when he had the opportunity to blaze his name high on the political escutcheon.**

"We shall march prospering,—not through his presence  
Deeds will be done,—while he boasts his quiescence  
Still bidding crutch whom the rest bade aspire  
One task more declined, one more footpath untrod."

A SUCCESSFUL MAN OF SIXTY to whom we paid an Endowment, called it the best thing he had put money into, because he got it all back with interest, and this after having been insured for thirty years. He said "Not one man in ten who invests money outside of his own business for thirty years can at the end show one hundred cents on the dollar for his investments. Your plan guarantees safety and profit."

Quite spoils a woman for any other China. She would rather have one piece than a groaning table of not Pickard.

The uses to which the pieces can be put make any choice a good one.

If it is Pickard you may know that it is artistically correct.

You will find we have a beautiful selection to choose from.
