The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, Etc.

**Ruggedness**  
MERE strength isn't enough. Rigidity of construction—ample power—unquestionable capacity for recuperation—these are the things that make a storage battery rugged. The ruggedness of the Prest-O-Lite battery is responsible for its adoption as standard factory equipment by many large manufacturers of motor trucks and passenger cars. Every owner of a truck or pleasure car owes it to himself to see that his next battery is a Prest-O-Lite. Call and talk it over with us.
