Teacher Of "New Thought" Healed By Fruit Liver Tablets

SCHENECTADY, N. Y. "I am not in the habit of praising any material medicine as I am an advocate of 'New Thought'; but some time ago, I had such a bad attack of Liver and Stomach Trouble that I gave up thinking I did not have it and took 'Fruit-a-tives' or Fruit Liver Tablets. Most gratifying was the result. It relieved my liver and stomach trouble, cleaned up my yellowish complexion and put new blood in my body. 'Fruit-a-tives' is the highest result of 'New Thought' in medicine."

Record breaking attendance and crowds turned away at the Globe last night will make everyone eager to witness tonight at that theatre Marshall Neilan's Masterpiece, "The River's End" is a smashing new story of God's country, of the snow wastes of the frozen north, of the edge of civilization, where there are no traditions and men meet life with all the strength of soul within them. In "The River's End," James Oliver Curwood has written a tale of such force, such romance, such vigor and intrigue and charm—and Marshall Neilan has so vividly transferred it to the screen that those who see it will long remember it as one of the brilliant achievements in photo-dramatic literature. The Globe presents this thunderous drama of the North in a setting of fine music. Every moment in the film is reflected and illuminated with a subtly chosen musical theme. Aside from the Globe's four expert musicians, three extras have been added for this special occasion. Come to the Globe tonight, you will enjoy its entertainment.
