Piermont, N. H., Dedicates Handsome Memorial
Rev. and Mrs. F. B. Richards, Editor and Mrs. C. T. Walter and daughter, Alice, motored to Piermont, N. H., Tuesday where Mr. Richards delivered the address at the Memorial Day exercises and also at the dedication of a handsome soldiers' memorial erected in the public square by the patriotic citizens of the town.

The monument is of granite on which is placed a beautifully designed bronze tablet bearing the names of the sixteen men from that sturdy Granite State community who served in the World War, including one who made the supreme sacrifice for his country and died in the service in France.

While in Piermont, the St. Johnsbury party were the guests of Mr. and Mrs. Ray W. Howard, formerly of St. Johnsbury, who, with his brother Earl W. Howard, are now prosperous merchants there.

"Mike" Moore Whiffs 19 as Academy Wins

Continued from Page 1
Stub Harvey on the relay play to first base.

The heavy artillery of the Academy consisted of "Dutch" Leonard, Stub Harvey, Mike Moore, and M. Schoppe all whom connected for a flock of two bags. Fourteen bingles were collected off the delivery of Holden who had to atone for his treatment of the Academy batters on Memorial Day.

Stub Harvey drove in the winning run in the eleventh inning, after Asselin had been sacrificed along to second by M. Schoppe. Stub's two-cushion blow to right field then settled the contest, as Asselin scampored across the platter with the deciding tally.

The series between Peacham Academy and St. Johnsbury now stands one game to one. The summary:

LANDRY'S DRUG STORE

Great Refund Offer
To St. Johnsbury People Who Are Weak, Sickly, Nervous Or Run-Down

IMPORTANT NOTICE:—By special arrangement, we can now extend to any person in St. Johnsbury who wants more strength, energy and endurance, the opportunity of using Nuxated Iron so that if you do not get all and even greater benefits than you expect, it will not cost you one cent, because we ourselves will promptly return your money.

You may wonder how we can afford to do this. The answer is that week after week a large number of St. Johnsbury people come into our store for Nuxated Iron; throughout the country over four million people use it annually. Blood examinations by physicians all over the country show that an enormous number of people do not have enough iron in their blood. Without iron the blood becomes thin, pale and watery. In many cases this so seriously weakens the vital organs that people often believe they have heart or stomach trouble, kidney diseases, nerve force exhaustion or some other serious ailment. They have pains and palpitation of the heart, sudden dizziness, faintness or spots before the eyes, when a matter of fact the trouble is all due to lack of iron in the blood, and when iron is supplied, all of these symptoms disappear.

Genuine Nuxated Iron contains true organic iron like the iron in your blood. So many people are deficient in iron who would surely be benefited by this remarkable remedy that we recommend that you come right to Landry's Drug Store and get a bottle of Nuxated Iron. Use it for two weeks and note the improvement in your own case. You are the judge—if you do not get all and even greater benefits than you expect, just bring back the wrapper and we will promptly refund the full amount you paid.
