**MECHANICS,**

**Manufacturers and Inventors.**

THE Eighth Volume of the SCIENTIFIC AMERICAN commences on the 18th of September. It is principally devoted to the diffusion of useful practical knowledge, and is eminently calculated to advance the great interests of industry—Mechanical, Manufacturing, and Agricultural—the genius and master-spirit of the nation.

It is unrivaled as a Journal of the Arts and Sciences, and maintains a high character at home and abroad.

The Publishers pledge themselves that the future volumes shall at least equal, if not surpass their predecessors. Among the subjects chiefly brought forward and discussed in its columns, are Civil Engineering, Architecture, Railroads, Bridges, Agricultural Implements, Manufactures of Metals, Fibrous and Textile substances, Machinery for the purpose, Chemical Processes, Distilling, Coloring, &c. Steam and Gas Engines, Boilers and Furnaces, Mathematical, Philosophical and Optical Instruments, Cars, Carriages, Water-wheels, Wind and Grinding Mills' Powers, Planing Machines, Tools for lumber, Brick Machines, Farming, Fire Arms, Electricity, Surgical Instruments, &c., besides Claims of all the Patents, Reviews, Notices of New Inventions, American and Foreign. The work is in form for binding, contains several hundred Engravings, over four hundred pages of printed matter, and a copious Index. Nearly all the valuable Patents which issue weekly from the Patent Office are illustrated with Engravings in its columns, thus making the paper a perfect Mechanical Encyclopedia for future as well as present reference.

VALUABLE PREMIUMS are offered for the largest List of Subscribers to this Volume. It is published weekly, by MUNN & CO., their Patent Agency Office, 128 FULTON STREET, New York.

**CHALLENGE.**

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, bad breath, pain in the stomach, picking at the nose, hardness and fullness of the belly, dry cough, slow fever, pulse irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

**Hobensack's worm Syrup.**

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated the tonic properties of the Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after physicians have failed, is the best evidence of its superior efficacy over all others.

**The Tape worm!**

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened in the intestines and stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day; these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

**Hobensack's Liver Pills.**

No part of the system is more liable to disease than the LIVER, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS and PLANTS furnished by nature to heal the sick; Namely, 1st. AN EXPECTORANT, which augments the secretion from the Pulmonary membrane or promotes the discharge of secreted matter. 2nd. AN ALTERNATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

**TO FEMALES.**

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c. None genuine unless signed J. N. Hobensack, all others being base Imitation. Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Hobensack, Philadelphia, Pa. For sale by all Merchants and Druggists in the county and State. Agents. GEO. HOWARD, Tarboro'; Wholesale and Retail Agent for the county. F. S. MARSHALL, Halifax. Price 25 cts. Each.

**THE WELL KNOWN**  
**Furniture Manufacturer,**

Begs leave to return his sincere gratitude to the citizens of Edgecombe and its vicinity, for the very liberal patronage that has been extended to his father, and hopes that the desire hitherto manifested to serve the public, will merit a continuance of their patronage.

From the long continued illness of my father, (that the business may go on punctually,) it has become necessary for me to discontinue my business in Goldsboro' and return to the long-established stand in Tarboro'.

From a desire on the part of my father I have become sole proprietor of the

so well known by the citizens of this and the neighboring counties—and would say, that I shall continue to manufacture Furniture in every variety and style that would please the eye and heart of all Adam's race. Also I would say to the wearied, come and I will give you rest on those fine cottage and French Bedsteads, that are now going off as rapid as hot buckwheat cakes out of a cold morning at the magnificent Edgecombe Hotel. Also I will show you other styles of Furniture, that are not going off quite so fast, and a few articles like old man Dogan's horse, when he had one thousand green pine rails upon him—but they are few. For particulars see advertisement in another column. March 3, '52.

**LOCOMOTIVE WORKS.**

RICHMOND, May 19, 1852.

The undersigned are prepared to receive orders for every description of Locomotive and Stationary Engines, and solicit orders for the following descriptions of Machinery:

LOCOMOTIVES, from the smallest to the largest size, 7 side and Outside Connections, STATIONARY ENGINES for Saw and Grist Mills, Rice Mills, Flouring, &c. SUGAR MILLS AND ENGINES, all sizes. HORSE MILLS, all sizes.

The addition to their Works of a shop 250 by 150 feet, to be devoted exclusively to the manufacture of Locomotives enables them to execute orders for this description of work with great dispatch—equal to fifty per annum, which can be increased should the demand require it.

The position of their Works (being at the terminus of the most important lines of Railways, connecting with the South and Southwest) will enable them, when these improvements are completed, to deliver their Machines promptly and in fine order, without incurring the usual heavy expense consequent upon shipments by sea.

The work furnished by them will be warranted equal to any made, and the terms in other respects equally favorable.  
Anderson & Southern.

**NOTICE.**

To all Persons wishing to Build.

THE subscribers would hereby inform them, that we are prepared to contract for the building of any thing in the carpenter's line,
