I have, in Township 132, Range 35, Four Thousand Five Hundred and Sixty (4560) Acres of the choicest Timber and Meadow Lands in Todd County, that I will sell at VERY LOW PRICES, for cash, or one-third cash and balance on time, to suit.

These lands are 12 miles south-east of Wadena and 8 miles south of Verndale. They are well adapted to general farming purposes or stock raising. The value of the oak timber on these lands is at least 3 times as much as the price at which I will sell them.

A new saw mill is now building on Wing River in this town at which the timber can be conveniently delivered and the lumber will find a ready market at Verndale, on the R. R., only 7 miles from the mill.

I also have over 1000 acres of good prairie and meadow lands in Wadena County, including a good farm, with 58 acres ready for a crop, 2 miles south of Wadena. Timber and Union Creek crosses one corner of the farm.
