

In the communication from England Prairie last week, it was stated that "Messrs. Morrison and Dell had purchased land just across the road from Mr. Paddock's". It should have been Messrs. Marvin and Dell Bucklund. These gentlemen are brothers, and have come here from Iowa to try our climate and soil. We wish them success.

Don't forget that we have for sale at this office blank and receipt books, marriage certificates, etc.

The thermometer has been fooling all the way from 14 below 0 to a lump of frozen mercury for the past week. This is the best record. Next week we commence a regular record.

Thirty-five pounds flour for a bushel of No. 1 wheat, and every pound of flour warranted satisfactory, is what we propose to give at the Wadena Mill. All wheat inspected at the mill. We will also give 4 pounds of shorts and 8 pounds of bran. We mean to do satisfactory business both to our customers and ourselves.
