The Wadena Light Guards are drilling regularly at Light Guard Hall. A gentleman who was present at one of their meetings this week complimented the boys very highly, and remarked that they are fully as good in nearly all points as the Duluth Guards, who were recently mustered into the State service. We believe they are to compete with the St. Cloud company for the place of Company G. 2nd Regiment, but it was stated in St. Paul papers recently that Wadena was to compete with the Austin company.

It closed with an enrollment of 67. The Teachers' Examination on Saturday was also well attended.

After making an examination it was found necessary to amputate three of his toes. The job was neatly done and reflects great credit on the doctors as surgeons. The fellow is improving as fast as could be expected and will be able to navigate again in the course of a few weeks.  
That people should continue to use teas exported in bulk or paper packages is only explicable on the supposition that they are unacquainted with the nature of the tea leaf. Experts, however, are aware that this leaf is of the most sensitive character, and that after a brief exposure to the air it deteriorates in quality and flavor. Even when packed in lead-lined chests it quickly loses its strength and aroma, and only by the importer, H. F. Burch, besides being a pure tea of superior grade, is packed only in Perfector Tea Cans, and therefore cannot part with either strength or flavor.

The ladies of the Dorcas Society will give an Ice Cream Soiree at the home of Mrs. W. R. Baumbach, Thursday evening Apr. 23, for the purpose of keeping the relief fund supplied. It is true the Society did have funds, but as they are having many calls for assistance and are, at the present time, furnishing two nurses for invalids, besides numerous other charities. We therefore think it advisable to give some kind of entertainments which shall be both pleasant and profitable. There will be a committee on entertainment and we cordially invite all who are interested in this good work, to come and have a social time. Remember that "he who giveth to the poor lendeth to the Lord."  
**A Rare Musical Treat.**  
Our people are about to be favored with a visit from Donavin's Original Company of Tennesseans. It seems that to avoid prosecution other managers of colored companies used the words "Tennessee Jubilee Singers," rather than the Famous or Original Tennesseans. They are "Jubilee Singers," only, while this company are cultivated, thorough vocalists, and give a legitimate and concert program. We call attention to these facts because our people have been humbugged several times. Those who will notice their elegant printing and many testimonials of a high character, will not doubt their genuineness. They appear in Light Guard Hall in this city on the evening of the 24th, inst. As this company visited this city about two years ago and produced a program never equaled here and gave general satisfaction, we expect a crowded house. All who fail to attend will miss a rare musical treat.
