Climbing Mountains.

Is a fascinating and invigorating pastime. It develops not the body only, but the mind. The Alpine Peaks of Switzerland have their counterpart in our own country, in the Sierras, the Cascades, and parts of the Rockies.

The greatest glacial peak of the United States is Mt. Ranier in Washington, more than 15,500 feet high. This magnificent mountain has 15 or more giant glaciers creeping down its sides and discharging their glacial detritus into the Columbia river or Puget Sound.

A climb to the summit of this is a mountaineering feat worthy of any mountaineer. For 25 cent

Chas. S. Fee, Gen'l Passenger Agent of the Northern Pacific railway, St. Paul, Minn.—will send to any address an illustrated booklet called "Climbing Mt. Ranier" describing a climb over glaciers to the top of the mountain.

NEGROES IN PANIC

HUNDREDS ARE FLEEING IN TERROR FROM DANVILLE, ILLINOIS.

THEY FEAR FOR THEIR LIVES

EVERY FREIGHT TRAIN THAT LEAVES THE CITY CARRIES ITS QUOTA.

KEYED TO HIGH PITCH OF HATRED

SLIGHTEST TROUBLE WOULD CULMINATE IN A TERRIFIC STRUGGLE.

Danville, Ill., July 29.—Under spur of the fear of an outbreak between the negroes and whites, more than 800 colored people have fled from Danville as a result of the lynching of John Metcalf on Saturday night.

Although general calm pervades on the surface, a feverish condition exists both within the city and at the mining towns within fifteen miles of the city. A concerted movement yesterday by the Vermillion county bar to bring to justice the mob murderers has had no effect in quieting the alarm of the colored people, and every freight train that leaves the city carries its quota of fleeing negroes. Infinite rumors of a concerted move to the city have

Added to the Alarm and has cleared the streets of negroes and whites have mingled freely and without trouble, not a half-dozen colored people ventured last night. Fear of further trouble, both in Danville and in the coal mining regions hereabouts, has prompted Sheriff Whitlock to post at all the mining camps a number of persons to watch the movements of factions that he may prevent a recurrence of the hideous affair of last Saturday night. It is generally believed that the slightest trouble between the whites and negroes would culminate in a tragic struggle, for both sides, while trying to prevent trouble, are keyed to a high pitch of hatred.

The negroes themselves are thoroughly alarmed. Several hundred who were brought here from the South to work are

Trying to Get Away. The reputable citizens of the city are doing all in their power to restore absolute quiet and minimize the likelihood of further trouble. Sheriff Whitlock, whose action in shooting into the mob to defend the jail against attack, has won him unstinted praise from all sides, is working hard to aid in the prosecution. He already has secured the names of thirty persons, most of whom he himself recognized while they were storming the jail, and these he will lay before the special or regular grand jury, whichever may have charge of the cases.

BURGLARS GET \$400.

Officers Give Chase and Bring Down Two Wild Shots.

Scottsburg, Ind., July 29.—The safe in the store of Shilling & Blackford at New Washington was blown open early yesterday and \$400 taken. Three men on bicycles who had entered the town Sunday night were suspected. The marshal and three deputies started after the men. When they came in sight the men abandoned their bicycles and took to the woods. There was a running fight, the men firing a number of shots. The marshal brought two of them down with a shotgun and the third escaped but is still being hunted by an armed party. The men were locked up here. Neither is fatally hurt.

LEAVES TRAIL OF BLOOD.

Farmers Chase a Negro Who Attempted to Assault a White Woman.

Logansport, Ind., July 29.—An unknown colored man last night attempted to assault Mrs. Joseph Waitts, wife of a prominent farmer near here. Threshers on the farm heard her screams and started after the negro, chasing him several miles and firing a number of shots at him. He escaped into the swamp country and is believed to be badly wounded, as blood was left on his trail. Farmers are organizing to continue the pursuit.

DASH FOR LIBERTY

THIRTEEN CONVICTS ESCAPE FROM A CALIFORNIA PENITENTIARY.

FIERCE FIGHT WITH OFFICERS

TURNKEY FATALLY STABBED, GUARD KILLED AND ANOTHER OFFICER INJURED.

MILITIA ORDERED TO THE SCENE

CONVICTS HEADED FOR ALABAMA CAVE NEAR BALD MOUNTAIN.

Folsom, Cal., July 29.—Thirteen desperate prisoners confined in Folsom penitentiary made a successful break for liberty at the breakfast hour yesterday morning. After a fierce fight in the captain's office, during which a turnkey was fatally stabbed, a guard killed and another officer wounded, the convicts seized a quantity of arms and ammunition, and, using the warden and other officers for a shield from their pursuers, made good their escape.

Convicts, each armed with rifles, marched one on either side of Warden Wilkinson, who was threatened with death if he made an attempt to escape, and the officers were told that if any of the pursuers took the life of one of their number they would

Retaliate, Life for Life. At Mormon bridge, about a mile from the penitentiary, the warden, his son and Capt. Murphy were released and sent back. The others were marched along with the convicts. Further on the convicts went to a farmer's house, seized his four-horse team and wagon, gutted the house of everything of value, took the farmer with them as a driver and headed for Bald mountain. Evidently it is their intention to reach Alabaster cave, situated near this mountain. All the convicts are still at large.

Later in the day Gov. Pardee ordered Company H of Placerville to the scene, and Company C, Second Infantry, of Nevada City, was ordered to be in readiness in case they should be needed.

The several hundred remaining prisoners made no attempt to get away and were quietly returned to their cells and locked up.

Two Killed by the Posse.

Placerville, Cal., July 29.—According to a report received a fight between the escaped convicts from Folsom and posse has taken place near Pilot Hill in which Fred Howard was killed and A. Scabio wounded. Both are convicts. The convicts are said to have scattered and to be making for the surrounding woods.

TRAGEDIES NEAR JACKSON.

Two Men Killed and Two Fatally Injured in Fight.

Jackson, Ky., July 29.—Two men killed in a fight on Long creek, and two were fatally injured in an encounter at Hunting creek, twenty miles from here, yesterday. In a fight on Long Creek Govan Smith was shot through the breast by John H. and as he lay on the ground with the blood rushing from his wounds, Smith pulled his revolver and shot Hall through the brain. Both men expired almost immediately.

On Hunting creek John Stidman and Alex Craft engaged in a fight after a quarrel in a "blind tiger." Stidman drew a knife and Craft a revolver. Craft missed his mark the first two times, but the third shot he inflicted a fatal wound. Stidman out Craft about the body and it is said both will die.

RUN OVER BY KING'S CARRIAGE.

A peasant woman succeeded in passing the cordon of troops and rushed toward the royal carriage. She was knocked down by a soldier and fell beneath the wheels. She was badly injured. It is not known why she desired to reach the royal carriage, but it is suspected that she is insane. The occurrence started a rumor that an attempt had been made upon the life of the king.

A SHORT CONCLAVE

GENERAL BELIEF THAT LEO'S SUCCESSOR WILL BE QUICKLY CHOSEN.

WARM WELCOME TO GIBBONS

FEATURE OF MEETING OF THE CONGREGATION OF CARDINALS.

ECCLESIASTICS ARE WORRIED

VIEW WITH ALARM THE COMMEMORATION OF KING HUMBERT'S DEATH.

Rome, July 29.—Almost all the cardinals of the conclave have now arrived. Their time yesterday was mainly occupied with a lengthy meeting of the congregation, which was notable for the cordiality with which Cardinal Gibbons was received. After the meeting the cardinals received numerous visits at their various residences. In well informed circles Cardinal Angelo di Pietro, pro-datary of the pope, is being talked of as a compromise candidate in the event that Cardinals Oreglia, Gottl, Rampolla or Serafino Vannutelli fail to secure the necessary votes. Should Di Pietro be elected pope he would, it is said, be the representative of the representative of the Rampolla-Gottl faction, and yet would be fairly acceptable to all.

Cardinal Michael Logue, archbishop of Armagh, who, with the exception of Cardinal Gibbons, will be the only English-speaking cardinal in the conclave, arrived yesterday from Ireland. He said he believed that the successor to Leo would be quickly chosen. Speaking of Cardinal Gibbons, the Irish cardinal paid him a glowing tribute, though, like all the prelates here, he held out no hope that the American cardinal had the remotest chance of election.

"Indeed," said Cardinal Logue, "I think Cardinal Gibbons would be a subject for commiseration if the selection should devolve upon him, for no American would care to spend the rest of his life confined within the precincts of the Vatican."

The Irish cardinal expressed the opinion that the question of sending protesting against the treatment of the Vatican by the Italian government should be left to the next pope.

It is now practically certain that all the cardinals will be present at the conclave except Cardinal Moran, archbishop of Sydney, who will not reach Rome in time, and Cardinal Celestia, archbishop of Palermo, who is too ill to attend. A proclamation was posted in the streets of Rome last night inviting citizens to the annual commemoration of the death of King Humbert on July 29. The ecclesiastics view the approaching ceremony with some alarm, believing that the anti-Clericals may take advantage of the opportunity to make a counter demonstration against the sympathy exhibited all over Italy in connection with the death of the pope.
