TIP FROM POWERS

THREE GOVERNMENTS COUNSEL BULGARIA TO REMAIN QUIET.

NO HELP FROM FOREIGN QUARTERS

PREMIER ASKED TO STOP THE MOBILIZATION OF BULGARIAN FORCES.

MAY NOT HEED THE WARNING

SULTAN BEING URGED TO ORDER TROOPS ACROSS BULGARIAN FRONTIER.

Sofia, Bulgaria, Sept. 18.—Although no formal replies have been received to the Bulgarian government's note, it is said that the representatives of three great powers have repeated their counsels to Bulgaria to remain quiet, as in the event of a war with Turkey, Bulgaria need not expect any help in foreign quarters. It is further reported that the same diplomats visited Gen. Petroff and endeavored to persuade him to postpone the mobilization of Bulgarian forces, but the premier declined.

One of the ministerial organs in an editorial on the government note, says it hopes it will be the last time that the Bulgarian government will issue a note. If the powers do not intervene

To Restore Order
in Macedonia, Bulgaria will undertake, with the feeble forces she possesses, to do what is expected of her and give Europe the pleasure of witnessing a bloody drama in Macedonia.

A telegram from Burgas reports that a general massacre is beginning throughout the district of Losengrad. Turkish troops and Bashi-Bazouks attacked a Greek village near Losengrad, killed twenty-five peasants and destroyed the church, schools and many houses. The Turks attacked the village of Paoulevo and killed everybody they found on the streets.

A fight is reported from Petchonitza between a band of 100 insurgents and 300 Turks. The insurgents, who occupied a strong position, fired on the attacking Turks, killing twenty-five.

Turks Are Mobilizing.
A telegram from Uskub says the mobilization of the Turkish army is proceeding rapidly, while dispatches from Constantinople assert that the military party is urging the sultan to order his troops to cross the Bulgarian frontier without a declaration of war, which the party regards as unnecessary inasmuch as Bulgaria is a suzerain state of Turkey. The sultan is said to be hesitating.

An insurgent band of 450 men was annihilated by the Turks Sept. 14 between Istib and Kratova. Another band which attacked the railroad near Demirhisar, was repulsed with loss.

Great Britain Will Send Fleet.
London, Sept. 17.—The efforts of the powers, according to the latest telegrams, are directed both at Constantinople and Sofia toward an endeavor to avert war. It is said that all the ambassadors at Constantinople have drawn the port's attention to the danger of permitting a continuation of the excesses in Macedonia by the Turkish troops and irregulars.

The Daily Chronicle says it understands that Great Britain has decided on a still stronger step in the dispatch of a British squadron in support of her diplomatic endeavors at Constantinople to put an end to the massacre. It is impossible, however, to confirm or deny the Daily Chronicle's statement.

Most of the special correspondents in the near East consider war inevitable, but think it may yet be delayed. Neither side is really prepared for it.

LIPTON HAS APPENDICITIS.
Not Thought to Be in Any Immediate Danger.

Chicago, Sept. 18.—Physicians in attendance on Sir Thomas Lipton declared last night just before leaving their patient that his condition was satisfactory and he was not thought to be in any immediate danger. A consultation was held by the doctors and they gave the friends of Sir Thomas to understand that the necessity of an operation, while not obviated, was not immediate. Sir Thomas is suffering from appendicitis.

STEAMER DAMAGED.
St. Paul Runs Against Pier of Bridge at Hastings.

Hastings, Minn., Sept. 18.—The steamer St. Paul ran against the pier of the high wagon bridge, damaging her starboard wheelhouse and smashing the wheel. She was pulled off by the government steamer Col. A. Macintosh, and will be obliged to remain here a day or two for repairs. The passengers, numbering about seventy, were transferred to the Burlington road for down-river points.

BIG ONES ESCAPE

STATUTE OF LIMITATIONS SAVES THE HIGH POSTOFFICE OFFICIALS.

FRAUD FLOURISHED FOR YEARS

COULD HAVE SENT FAMOUS POLITICIANS OF BOTH PARTIES TO PRISON.

ALL THE EVIDENCE IS NOW IN

GENERAL BRISTOW ANNOUNCES THAT HIS WORK IS FINISHED.

Washington, Sept. 18.—Officials of the postoffice department yesterday presented the last of the evidence in the departmental fraud cases to the federal grand jury. Fourth Assistant Postmaster General Bristow yesterday morning announced that he had finished, and unless the inspectors strike a new lead of rich promise in their final moves in the great scandal the investigation will rest with their appearance at the court yesterday.

Mr. Bristow is not entirely satisfied with the result of the investigation. Some of the men he wanted to catch have escaped through the statute of limitations. Upon the advice of the legal department of the government the inspectors could not begin proceedings against the

Dishonest Officials
for acts committed prior to July 23, 1900. Then one of the indictments against George W. Beavers, former chief of the division of salaries and allowances, was for an offense alleged to have been committed only three days before the statute became effective. The inspectors have discovered that fraud flourished from 1895 to 1900. The case upon which indictments have been found are small and inconsequential, it is stated, in comparison with what took place during those years.

"Some men whose names are known from one end of the country to the other may thank their lucky stars that there is a statute of limitations," said one of the postal officials. "If there were not, the country would be given some

Startling Exposures
of betrayed trust by high government officials. I think we could send some of the most famous politicians in both parties to prison were it not for this statute."

Mr. Bristow is anxious to have the public understand how the statute has narrowed his work. He feels that unless his limitations are thoroughly understood there is more or less ground for the opinion which prevails in some places that certain influential ex-officials are being protected. He insists that influence has been of no effect with him, and that the only reason these men are going free is that he finds it impossible to prosecute them because of the statute of limitations.

TO TALK ABOUT GRAIN.
National Association of Grain Dealers Will Meet in Minneapolis.

Chicago, Sept. 18.—The annual meeting of the Grain Dealers' National association will be held this year at Minneapolis Oct. 6, 7 and 8. It is thought that a larger representation will be present at this meeting than at any previous meetings held by the association. The Chicago board of trade committee in charge of the matter has arranged for the board of trade representation, which will include about one hundred members, to go to Minneapolis by special train by the Chicago & Northwestern, leaving here Oct. 5.

KILLED AT A CROSSING.
School Principal and Farmer Are Run Down.

Philadelphia, Sept. 18.—Henry S. Stratton, principal of the Pittman Grove, N. J., public school, was instantly killed yesterday, and Samuel Clendinning, a farmer of Richwood, N. J., was probably fatally injured in a grade crossing accident at Pittman Grove.

SHIP IS WRECKED.
Driven on Florida Coast by Recent Hurricane and Fifteen Drowned.

Galveston, Tex., Sept. 18.—The British steamship Juhulva was driven ashore and wrecked near Boynton on the Florida coast in the recent hurricane and her engineer, with fourteen of her crew, were drowned. She sailed from Galveston on Sept. 6 for Hamburg, by way of Newport News, Va.

MANY SETTLERS COME.
Fall Movement on One-Way Rates Will Be Very Heavy.

St. Paul, Sept. 18.—The movement of colonists westward on the special one-way rates proves that there are still many farmers in the Middle and the Eastern States who want to secure new homes in the West. Night trains on the Northern coast lines have been crowded for three days with people who go to remain in the West, and there is every prospect that the movement will continue very heavy.
