The Wonder  
Heating Stove

For a wood stove there is nothing  
that equals it.  
Economical, durable and profit-  
able. It is better to have one of  
these stoves in your house than  
an expensive furnace. See the  
cold and hot air drafts. Your  
floor will never be cold if you use  
a WONDER HEATING STOVE—  
\$10, \$12 and \$15—and there is  
nothing under the sun that  
equals them.  
Special sale on common heating  
stoves from \$2 up.

WILL BEMIDJI WIN  
OUT TOMORROW

First Football Game in His-  
tory of Town Comes Off  
Tomorrow.

LOCAL TEAM IS UP AGAINST A  
BEEFY BUNCH.

If Precedent Holds Good the Home  
Team Should Get Away  
Good.

The strenuous American game  
of football, the game of brawn  
and muscle of pluck and energy  
will make its initial bow to the  
local world of sport in Bemidji at  
the fair grounds tomorrow after-  
noon when the newly organized  
team of this city will contest for  
supremacy over the team from  
Grand Rapids, one of the fastest  
in this section, and when the  
purple of Bemidji will either  
flutter in triumph or grovel in  
defeat.

There are games and games in  
this city but football will not be  
added to the list until tomorrow  
and there is a vast deal of inter-  
est in tomorrow's event. Be-  
cause the game has never been  
played in Bemidji it does not  
necessarily follow that there are  
no enthusiasts. Quite the con-  
trary is the case and the indica-  
tions are that when the struggle  
starts there will be a well filled  
grand stand and bleachers of  
war horses who will hang on  
every play and every turn of the  
game with all the vim and red  
fire that makes a football game  
spectacular.

Can the home team hope to  
win? This is a question that no-  
body is prepared to answer with  
money at present, but Dr. Tuomy  
one of the team's efficient coach-  
whose experience in the business  
dates back for some time does  
not hesitate to say that if the  
talent at home goes into the  
game with the pluck and determi-  
nation which it should, the com-  
pany will be sufficiently fast to  
take the bunch from Grand Rap-  
ids into camp. Most of the  
practice work has been conduc-  
ted under Dr. Tuomy's super-  
vision and his judgment in the  
matter is regarded as good.

The game will be called at two  
o'clock and it is estimated that it  
will be gotten off in two thirty-  
five halves with fifteen minutes  
rest between. The admission to  
the grounds will be twenty-five  
cents and seats in the grand  
stand will be worth an additional  
ten cents. The city band will be  
in attendance and will discourse  
its bravest music to make the  
thing lifelike and add spirit to  
the occasion. The Grand Rapids  
team will arrive tonight and will  
be accompanied by the flower of  
the rooting fraternity which  
flourishes to a commendable de-  
gree in the Itasca county town.  
Indications are that with favor-  
able weather the attendance will  
be very large. The colors of the  
home team are purple and gold  
everybody should wear the  
do such elocutionary stunts  
are right and proper at a foot-  
ball game and make for the suc-  
cess of the home team.
