

NEW SEWER IS CAVED NEAR THE MILL LOCATION

Basements Flooded and Old Controversy Concerning Sewers Is Renewed.

SIX-FOOT SEWER IS SERIOUSLY IMPAIRED

Steps Being Taken to Remedy Conditions Which Are Causing Inconvenience.

A cave of nearly 20 feet in the new six-foot sewer at the Scanlon location, directly opposite the detention hospital has seriously impaired its efficiency following several days of more than normal precipitation and flooded basements in several sections of the city resulted today in much complaint from Chestnut street tenants and property owners and incidentally had the effect of renewing the sewer construction controversy, which last winter divided the city council and resulted in several stormy sessions.

Since the six-foot sewer went into service the city's storm sewer system has been somewhat changed. With this sewer practically out of commission, as it was reported to be this morning, the sanitary sewer is the only line that is adequately taking care of both the sanitary sewage and storm water. This is held in some quarters to account for the fact that water is backing up into the basements, while in others defective construction which allows surface water to enter from the outside is held to be responsible.

The cave in the six-foot sewer is of a nature that would indicate that between 20 and 30 feet of the sewer had completely collapsed. However, this morning when several manholes were opened the water was found to be running. City Engineer Johnson declared its efficiency had not been entirely impaired and said the necessary repairs would be made as soon as possible.

There seems to be little doubt, however, that if heavy rains were to be continued for an unusual period the business district of the city would be subjected to considerable damage from flooded basements.

The city officials are doing everything possible to remedy conditions today.

WILL ATTEND MASONIC MEET

Benjamin Hoyer, commercial agent for the Duluth & Iron Range Railway company, will be one of the Virginia Masons to attend the ceremonial tomorrow at Grand Forks in connection with the dedication of the new Masonic temple by the "Kam" chapter. He will join the Duluth Shriners in the Zenith City and go to Grand Forks in their special. About sixty patrols will be represented at the Grand Forks celebration. R. McCann of Eveleth of Lawrence-McCann, contractors, will also attend the dedication.

LEAVES ON TWO WEEKS TRIP

Miss Tilly M. Brown, assistant city clerk, left today on her annual vacation of two weeks, which she will spend visiting at her old home at Michigan, Mich., Milwaukee, Chicago and St. Paul. Miss Brown has assisted in the city clerk's office for several years and is an efficient and popular employee.

MANY ATTEND EVELETH MEET

George Simons, Emmet J. Taylor, Keith Maitland, Mayor and Mrs. Michael Boylan, Judge and Mrs. James P. Carey, Charles Grabowsky, Chase Stevens, William B. Shaver, Maurice Richards, Walter Newcomb and Miss S. J. Murphy were among the Virginia residents who attended the Virginia convention at Eveleth last night. The cabaret performance at the Globe hotel pleased, while the parade, in which the Virginia Eagles took first honors, attracted many.

SOCIALIST WILL MAKE ADDRESS

John G. Soltis of Minneapolis, socialist speaker, who was scheduled to speak at the Socialist Opera last evening to the members of the South Slavonian Socialist society of this city, will give an open air speech this evening at the corner of Mesaba avenue and Chestnut street.

The greater part of the local Slavonian society's members are Eagles and attended the convention at Eveleth last evening. For that reason there was no attendance at the Socialist Opera when Mr. Soltis was ready to give his talk.

The address this evening will be in English.

ELABORATE CLASS DAY PROGRAM IS ARRANGED; WILL BE GIVEN IN TECHNICAL BUILDING FRIDAY

Under the direction of Miss Lorena McFarlane, the Senior class members have arranged an elaborate class day program, which will start at 10 o'clock tomorrow in the Technical high school gymnasium. The program follows: Piano Solo.....Claire Lippman Class History, written by Floyd Whiting and Ruth Keller.....Ruth Keller Violin Solo.....Myrtle Johnson The Legacy of Text Books—Harriet Simons, Anna Gimse, Ruth Gowen, Richard Aja, Mildred Hendy Senior Orchestra, "Chinatown"—Floyd Whiting, Harvey Fliher,

Donald Capstick, Myrtle Johnson, Dewey Olson, Normal Department Doings.....Elway Malmstrom The Class Prophecy.....Hazel Boyles The Class Will.....Ethel Grace Farce, "The Mouse-Trap"—Prologue, Eunice Montague, Mr. Buffoy, Herbert De Noble, Mrs. Pretheget, Gladys Shields, Budget, Inga Gimse. Class Song, written and adapted by Myrtle Johnson and Gladys Shields. Entire Senior class. Planting of Woodbine (at front entrance of High school).....James Enright

DULUTH LANDS THE 1916 EAGLES' CONVENTION

Zenith City Is Lone Bidder for Next Convention of Minnesota "Birds."

A. T. TUPA OF ST. PAUL NAMED FOR PRESIDENCY

Virginians Feature Evening Parade; William Cundy, Virginia, On Judiciary Committee.

Today is "getaway day" at the state convention of Eagles being held in Eveleth. The business was completed yesterday, and the greater number of delegates left today for their homes, although part of them will remain and enjoy Eveleth hospitality for a few days more. There is no set program of entertainment today, but there is plenty of fun going on.

Duluth was selected as the meeting place for the state convention in 1916. No other lodges bid for the convention, as it was announced that the Duluth aerio would do so.

A resolution favored by the committee on taxation, providing that the per capita assessment be raised from 5 cents to 10 cents, the money to be used for state purposes, was lost. The usual resolutions of thanks were passed. A. J. Tupa of St. Paul was elected president of the state lodge over George Potts of Staples. Other officers for the year are: John P. N. Ward of Eveleth, vice-president; V. M. Gledhill of Duluth, elected secretary; E. B. Lott of Minneapolis, state treasurer; Mr. Hansen of Minneapolis, conductor; D. A. Klippell of Minneapolis, chaplain; George LeFleur, Minneapolis, W. E. Brown, Duluth, and William Evans of Fergus Falls, trustees. William Cundy of Virginia was placed on the judiciary committee. George Weaver, Minneapolis, past worthy president, was elected delegate to the national convention at Spokane, and V. M. Grady, secretary, was elected a delegate, but must pay his own expenses. Thomas P. Gleason of Minneapolis was elected alternate to the national convention.

A parade several blocks in length in which the city officials, the fire department and the police force rode, preceded by the high school band and drum corps, and in which several hundred Eagles from Chisholm, Hibbing, Virginia and Eveleth participated, was a feature of the program of the Eagles' state convention last evening. The Virginia delegation was by far the best appearing one. Each of the Virginians in line wore a uniform consisting of a white cap, black shirt, white tie, and white trousers. The effect was pretty. The Virginia City band led the Virginia delegation. The emblematic eagle was in the parade, at the head of the delegation. The parade was held on the main thoroughfares, Grant and Adams avenues.

Fireworks Please. After the parade the fireworks display entertained the visitors for about an hour. The display was one of the best seen in the Range, consisting of all the new pieces. It was truly beautiful and brought forth many exclamations of pleasure from both young and old.

Yesterday morning the delegates

JUVENILE BALL STARS ORGANIZE SCHOOL TEAMS

Eighteen Aggregations Will Be Represented in Interscholastic League Here.

Eighteen grade teams have entered the Virginia grade school league. The organization was launched last year with 15 teams in the circuit. The organization has the strong support of Supt. P. P. Colgrove, who watched the growth of the Brainerd school league, which developed such stars as Leslie Joe "Bullet" Bush of the Philadelphia Athletics, Gavin, and others.

The teams have selected their captains and will stage their games on the Roosevelt and Oliver grounds. Most games will be played in the morning with members of the Virginia Northern league club umpiring. The Roosevelt grounds will be put in shape this week.

Prizes will be awarded individuals and team winners. The fifth, sixth, seventh and eighth grade classes will be represented in the league. Each team will carry five substitutes. The players have secured permission to play from Supervisor H. J. Scharr.

DEPUTIES HAVE POPULAR WIND INDICATOR HERE

The aneroid weather barometer, which was recently installed in the office of Chief Deputy Sheriff Fred Witte, is proving very popular. It is inspected daily by visitors to the sheriff's office. The barometer shows changes in the weather indicated as follows: stormy, rainy, change, fair and very dry.

Deputy Sheriffs O'Dea, Moilan, Wring, Lockhart and Gronberg assist Chief Witte in reading the instrument, with Deputy O'Dea as chief reader. "We are having either a late spring of early fall," said Deputy O'Dea today.

were taken through the schools and other public buildings. In the afternoon after the business meeting a trip was made through one of the underground mines. After that a "mulligan" was served.

The crowd was in good spirits and everyone was out for a good time. Concessions, usual at such crowds, lined the side streets and aided in giving the city a holiday appearance.

Hibbing Trims Chisholm.

Judge Brady's Colts from Hibbing won from the fast Chisholm baseball aggregation yesterday in a one-sided game featured by three home runs over the fence, by a score of 11 to 2. Withers pitched for the Hibbing nine. Edmunds received his delivery. Thorson was on the hill for Chisholm for seven innings. He was replaced by Mahon. Benrud caught for the Chisholm team.

Brookins, Withers and Edmunds all connected for three-base hits, slugging the spheroid over the fence. The grounds were heavy and made fast ball impossible.

The Daily Virginian ball team was scheduled to play the Aurora nine today, but the game has been called because of the rain.

HIGH SCHOOL GRADUATES ENJOY BANQUET AND ANNUAL BALL; MANY WITTY TOASTS GIVEN

The annual high school alumni banquet and ball last evening were enjoyed by many graduates and their friends. The banquet was held at the Technical building, with Axel B. Dahl as toastmaster. Senator O. H. Griggs, the oldest Virginia high school graduate, was unable to attend. He has been slated for the toastmastership, a position he has filled with credit at many former similar school functions.

Dr. P. P. Colgrove spoke on "Getting Together" and urged the graduates to work in harmony with the high school students. His talk was well received. Nathan Keller told "Where the Other Graduates Are." Harry Frihnow spoke on "What the 1914 Class Missed." It missed the annual banquet last year, no function being

given for the graduates.

Richard L. Griggs, one of the first Virginia high school graduates, spoke on "Good Old Virginia High School Days," relating many incidents of school life here which were new to his hearers. Leighton Simons gave an entertaining toast. The Dahl orchestra furnished the music. Demgen Hayes, alumni president, welcomed the 1915 class, and President James Enright of the class responded.

The banquet table and the school corridor were handsomely decorated in the class colors.

After the banquet sixty couples enjoyed the annual ball at the Moose hall. Many out-of-town dancers attended. The hall was appropriately decorated in school colors.

HIGH SCHOOL TO GRADUATE LARGE NUMBER

Forty Seniors Will Receive Diplomas at Commencement. Exercise Tomorrow.

HONOR PUPILS WILL GIVE INTERESTING PAPERS

Program to Be Given at Technical Building—John Archer Gray Will Speak.

The 40 members of the high school graduating class will receive their diplomas tomorrow night at the annual commencement exercises at the Technical building.

John Archer Gray, of Jackson, Mich., who addresses the eighth grade pupils tonight, will speak on "The Man of The Hour." He has a wide reputation as a speaker and is said to equal President George E. Vincent of the state university in oratory.

Miss Claire Lippman, valedictorian of her class, will speak, while Miss Adena Johnson, second honor pupil, will give the salutatory. Invocation will be made by Rev. Lou Wallace Gade and the benediction by Rev. Father W. J. Powers. The diplomas will be presented to the graduates by William H. Eaton, president of the school board.

Miss Myrtle King will give a vocal solo, while the Freshmen girls' chorus will sing, "Come Where the Blue Bells Ring" and "Wiegand." The girls' glee club will give "My Heart at Thy Sweet Voice," while the boys' glee club will sing "Here's a Health to You, Old High." Music will be furnished by the high school orchestra. The Seniors will give the class song.

Class Roll.

English course: Hazel Marie Boyles, Donald Walker Capstick, Casimer Herbert DeNoble, Margaret Jane Eaton, Morris Finstad, Anna Johanna Gimse, Mildred Hendy, Myrtle Gustava M. Johnson, Eunice Elizabeth Montague, Richard Oja, Dewey Charles Olson, Gladys Adelle Shields, Joseph Yager.

Language course: Eugene Joseph Baker, Harvey Robert Fliher, Ingeborg Pauline Gimse, Ethel May Graves, Adena Victoria Johnson, Emma Victoria Johnson, Ruth Gertrude Keller, Claire Jean Lippman, Ruth Margaret McMahon, Gertrude Luella Sigel, Harriet Gertrude Simon.

Commercial course: James Edward Enright.

Domestic science course: Ruth Sarah Gowen.

Manual training course: Arthur E. Matala, Floyd Franklin Whiting.

Teachers' training course—graduates: Emily Luella Beystrom, Hilda Crellin, Etta Gronberg, Bertha Ada Lundmark, Elway Marie Malmstrom, Bernice Metcalf, Alma Amelia Nelson, Anna Poupard.

Post graduates: Agnes Dube, Mrs. Noel Ridlon, Ethel Harriet Wilk.

BANDS TO MEET HERE SUNDAY TO ORGANIZE

Northern Minnesota Musical Organizations Will Form Club At Local Gathering.

Acting on the suggestion of members of the Marine band of Two Harbors, a meeting of bands of northern Minnesota will be held here Sunday for the purpose of forming a club for mutual benefit.

The gathering will be held in the county building in the basement room used by the City band for practice purposes. Bands from Chisholm, Hibbing, Tower, Soudan, Gilbert, Buhl, Mountain Iron, Ely, Eveleth and Virginia will be represented at the gathering.

It is planned to hold an outing at Two Harbors this summer. The proposed organization is also expected to become affiliated with the state club.

VISIT HERE ON WEDDING TRIP

Russel C. Henry, copy editor on the Duluth Herald, and for several years employed as Range editor on the Duluth dailies, and Mrs. Henry, formerly Miss Bessie M. Miller, a Duluth girl, who were married at the head of the lake Sunday, are the guests of Edward Waterhouse, an old friend. They recently visited at Mr. Henry's cottage at Lake Vermilion. Mrs. Henry is a well known Duluth girl, accomplished and popular. The Range newspaper fraternity points in extending congratulations to the Henrys. They will return to Duluth tomorrow.

Here on Business.

C. M. Brown, local editor of the Two Harbors Journal-News, one of the best weeklies in the state, is a Virginia business visitor today. He was a pleasant caller at the Enterprise office. Mr. Brown is one of the best young newspapermen in the state and is active and popular.

MONTAGUE WIRES SUPPORT TO WILSON; URGES AMERICAN LOANS TO ALLIES; OPPOSES GERMANY

Judge R. J. Montague, who has followed the war situation with much interest and study, last night sent the following telegram to President Wilson:

"To President Wilson,
Washington, D. C.
"Please accept the good wishes of an humble citizen that God may direct you right in your action on the European war situation. Though it may be necessary to interdict all commerce with Germany and her allies and encourage commerce with all other nations and encourage our financiers to

make loans to Greece, Roumania, Bulgaria and the Allies, I believe the American people would fully sanction such a course to the end that our country, the Great German people and the world, may be saved from Prussian military despotism.
"Respectfully submitted,
"R. J. MONTAGUE."

Virginians read with much interest of the resignation of William Jennings Bryan as secretary of state. Sentiment here is believed to favor President Wilson and Judge Montague's telegram is regarded as timely by local residents.

PLACES AD IN ENTERPRISE AND CAT COMES BACK

Rev. Hugo Thorene Finds That This Great Family Journal Is Good Advertising Medium.

"It pays to advertise"—and especially in the Daily Enterprise.
Rev. Hugo Thorene, well known Virginia pastor, is now a thorough believer in the use of printers' ink. Wednesday Rev. Thorene lost his prize Angora cat—and thereby hangs a tale. He searched high and low for his pet, but was unable to find him. Then it dawned upon him that advertising in the Enterprise might result in the return of the cat.

An ad was placed in the Enterprise's classified column yesterday and behold this morning the young animal returned to his master's abode. It is believed the ad had the proper effect on the cat, which cost Rev. Thorene \$18, and that his return home was the result of the advertising.

F. C. Whiting, Virginia agent for the New York Life Insurance company, left at noon for St. Paul to attend a meeting of the agency of the company.

WILL INSPECT LOCAL BUILDING THIS WEEK

The Roosevelt school building, which has been condemned by Architect Carl Nystrom of Duluth, will be inspected Saturday by S. A. Challman, commissioner of school buildings in Minnesota. Mr. Challman will be accompanied on his inspection trip by Architect Nystrom and S. F. Rumsey, an Oliver Iron Mining company engineer, who recently inspected the structure. The inspectors will submit their findings to the school board at its regular meeting Monday night.

Will Make Home in Virginia.
Burt Broadbridge, of the Mesaba Show Card & Window Decorating company, returned last evening from Duluth accompanied by his wife and child. Mr. and Mrs. Broadbridge will make their home in a flat in the Karon building.

WILLIAM BUSH SHOWS EAGLES SOMETHING NEW

When William Bush, acting as Eveleth delegate to the state convention of Eagles last year, promised to show visiting Eagles something new if they awarded the 1915 convention to Eveleth, he did not make a rash promise. President Weaver of the state order, in commenting on the promise, said snow on June 8 was certainly something new and that Mr. Bush must have worked in league with the weather man.

Mrs. O. Infelt, 421 Sixth street, left at noon for a month's visit with her parents, Mr. and Mrs. H. A. Durand, Des Moines, Iowa.

ALL DEPENDS ON THE WEATHER MAN WHETHER VIRGINIANS ARE TO MAKE THE TRIP TO COLERAINE MEETINGS

If, in the parlance of the baseball fan, the weather man hands over a ray of sunshine by 5 o'clock this evening and continues to lay over fair weather, fifteen automobile loads of Virginia persons will leave tomorrow morning at 7:30 for Coleraine to attend the meeting of the Northern Minnesota Development association. If not, however, all the arrangements made by the committee will be given up.

The committee at a meeting last evening completed all arrangements for the trip. About sixty persons planned to go and are anxious to make the trip. But the weather man has

taken a hand in the game and present indications are that the trip will have to be called off.

"Practically every automobile owner in town has offered his car for the trip," M. H. McMahon said today. "We had planned to go to Coleraine about 60 strong but unless there is a change in the weather before 5 o'clock this evening we will not attempt the trip as it would result in considerable damage to the roads to travel over them in their present condition," he said.

Urge Merchants to Decorate.
The Chestnut street and outlying merchants are urged to decorate their places of business in honor of the legislative guests.

SECOND GERMAN REPLY REACHES WASHINGTON

Contents Will Not Be Made Public Until Studied Thoroughly, According to Lansing.

ACTING SECRETARY MAKES STATEMENT

Bryan's Resignation Overshadows Note to Germany; Vanderbilt's Body Not Found.

(BY ASSOCIATED PRESS)

"Can Sink Contraband Vessels."
WASHINGTON, June 10.—Germany's latest note to the United States on the sinking of the sailing ship William P. Frye by the Prinz Eitel Frederick makes the far-reaching claim of the right to destroy any American vessel carrying contraband, while agreeing to pay damages for the act.

LONDON, June 10.—The total number of men for the army and navy sanctioned by parliament for service so far in the present war is 3,200,000. "This number will not be exceeded without authority of the parliament," said Premier Asquith, thus setting at rest the rumors that the other forces had mobilized without public knowledge.

Torpedo British Boats.
London, June 10.—Two British torpedo boats were torpedoed this morning off the east coast of England by a German submarine. The boats are numbers 19 and 12. Both went to the bottom. The survivors were brought ashore. The attack occurred at an early hour before dawn.

Vanderbilt Body Not Found.
London, June 10.—Representatives in London of the Vanderbilt family received word from Queenstown this morning that the body recovered from the coast of Clare county last night was not that of Alfred Vanderbilt.

Find Vanderbilt Body?
London, June 10.—It is reported in dispatches from Ireland that the body of Alfred Vanderbilt, who lost his life May 7 when the Lusitania was sunk, has been found. The body was found by an old woman who was collecting seaweed on the Clare coast, near Dolin, north of the Cliffs of Moer. The watch in the clothing is said to bear the initials of Vanderbilt. The papers in the pockets would appear to identify him. The body was found last night. This information was contained in messages to the Exchange Telegraph company.

Receive German Reply.
Washington, June 10.—The German government's reply to the second American note regarding sinking of the American ship William P. Frye by the Eitel Frederick has reached the state department. Acting Secretary Lansing stated its contents would not be made public until the reply had been studied.

Suggest Supply Ban.
The German answer insists that the stopping of supplies be sent to enemy belligerents may be effected by the destruction of the contraband or the destruction of the ship carrying contraband without violation of treaty obligations. It contends that a prize court is necessary to fix the amount of compensation, to there exists no occasion for direct diplomatic negotiations in the case unless the prize court should fail to award compensation, and that the obligation of belligerents to pay compensation remains, regardless of the action of the prize court. The German note contends that, should the prize court fail to award compensation, Germany would undertake to arrange equitable indemnity. As a precaution in the preliminary procedure Germany suggests that American claimants should enter their claims on record.

Resignation Interests Many.
Washington, June 10.—Bryan's resignation under circumstances leading up to it still held interest in Washington, overshadowing the dispatch of another note to Germany. Its effect on the nation's foreign relations and also its political consequences afforded wide speculation. Chief attention concentrated on the effect of Bryan's resignation. Bryan's statement, some officials thought, was unfortunate, coming at a time when the discussion with Germany was in progress. Some members of the cabinet had advised against the issuance of the statement.

Bryan is preparing another statement of his attitude on the situation between the United States and Germany, which he intends to issue for publication with the appearance of the text of the American note in tomorrow morning's newspapers.

Berlin, June 10.—Official announcement from army headquarters states that the German forces which invaded the Baltic province of Russia have retreated. The statement says that the German wing southeast of Shavell has withdrawn to the south, towards the Beisagola Zoginie line.

ENGINEERS WILL MEET AT EVELETH

The Virginia members of the Range Engineers' club will be well represented at the regular meeting of the organization at the Eveleth public library Saturday night. B. W. Benedict of the American District Steam company will speak on "Central Station Heating."
