The Hutchinson's Friday evening, Jan. 7th.

F. D. Keye, of Middle River is in town attending to county business.

Mr. J. B. Titus will hereafter attend to the County Treasurer's business.

W. H. Gilbert, of the firm of M. P. Gilbert & Co., has gone east on business.

A. B. Nelson's horse team took a whirl around town Tuesday, nobody hurt.

The Hutchinson Family Vocalists will be here Friday, January 7th. Don't forget it.

Rev. A. E. Flint returned home Friday, from a visit to friends in Eau Clair, Wis.

W. C. Carlton of Angus, was viewing the "boss" town in Marshall county on Saturday.

President Hayes' wheat, on his Dakota farm, averaged twenty-three bushels per acre.

E. M. Wright one of the prominent lawyers of Otter Tail Co., was in the county seat last week.

Read the notices of the Hutchinson Family concert. This is one of the oldest and best troupes that travel.

A. Diamond the county commissioner of the northern district is in attendance at the commissioner's meeting.

The county commissioners are in session, but the proceeding were not ready for this issue, but look for them next week.

Glyndon News: The days begin to lengthen. After a little you will know it without being told—unless your note is falling due.

The travel over the railroad is very light, both ways, the fares can, as a general thing, be counted upon one's fingers.

The north bound train, met with an accident on last Thursday at Fergus Falls. No one hurt. A broken switch-rod was the cause.

The pleasant weather of the latter part of last week, was improved by the farmers, in coming to town and that is what makes our merchants smile.

This is the week of prayer all through the country, and there will be prayer meeting held at the school house, on Tuesday, Wednesday and Thursday evenings.

John Davis, was on a trip to Red River on Monday last, in the interest of the petition for a county road, and we understand he got quite a number of signers.

We notice the machine agents are commencing to button-hole the farmers as the come to town. Plenty of tittle H. C., as we cannot use a self-binder for a month or two yet.

Mr. A. M. Brown, of Tamarac, passed through the county seat on January 1st, he stopped to see his brother, Professor Brown, while in the city, called and subscribed for the SHEAF. Come again Mr. Brown and bring your friends with you, we shall be glad to them all.

We received a neat New Year's card from Dr. C. W. Barnes, the dentist of Crookston. Come up and see us Doctor, and make Warren one of your visiting places once a month, we think you will find some business in your line.

Runaways seem to be the fashion just at present among the teams that come to town. Two of them took a circle around town, during the week.

We had a pleasant call from our Sheriff W. T. Lackey, he came to this portion of Minnesota about a year and a half ago, from Wabasha county. His home is at Middle River, come and see us again Sheriff.

Correspondents will please sign their own name in full, and then if they wish any other they may choose to write over. Communications will not be published without we know the name of the party sending it.

A social will be held at the residence of Mrs. W. W. Wood, on the Pembina farm, and there will be conveyances to take all who should wish to attend, the weather permitting. A good time is anticipated. Come one and all. These socials are gotten up to raise money, for the organ fund, it is a good cause, help it.

Mr. T. R. Davis, came home from Crookston on Saturday evening, but returned again Monday. He reports work in the carpenter line quite brisk at that point. So it will be here, in a short time if, the buildings, that are talked of now, are erected during the balance of the winter and early spring.

The Sunday school is prospering and have ordered for the coming year, new lesson leaves and Sunday school papers for the young folks. Last Sunday they elected their officers for the coming year, which are as follows: Rev. A. E. Flint, Superintendent; Geo. H. McCrea, Treasurer; Mrs. Geo. H. McCrea, Secretary. May the school always continue to increase and prosper.

We notice in the Red Wing Argus, the death of Mrs. T. H. Perkins, wife of T. H. Perkins Esq., of Euclid, Polk Co. Mr. P., was formerly editor of the Goodhue Co. Republican, but owing to poor health, sold the business and took a half section of land three miles west of Euclid. We were very much grieved to hear of the death of Mrs. Perkins, who was a kind friend to us when we first came to this northern country.

The dance at Geo. H. McCrea's, came off as noticed a few weeks ago, on New Year's eve, and a very pleasant affair it was. Everybody went to have a good time, and enjoy themselves for the last time during 1887 and the first of 1888. The supper was excellent, and done great credit to Mr. and Mrs. McCrea. There were some 20 or 25 couples present, the floor was ably managed by Mr. A. P. McIntyre. The dancing was kept up until about 4 o'clock a. m., when the company wished each other a happy new year and journeyed homeward.

Warren offers great inducements to a good veterinary surgeon, we over heard one gentleman remark, that he could make over \$1,000 next season, if he would give his attention to the matter. The large farms in the neighborhood having a large number of horses, mules and cattle to work, and more or less of them are sick, caused we presume by the difference in the water, and hard usage. A number of are brought in the country from Illinois, Iowa, Wisconsin and Southern Minnesota, are more apt to be sick than those which have here a season or two. Let some good surgeon come.

**The Hutchinson Family.**  
This celebrated Family of Singers are coming to Warren, and will favor our citizens with a rich musical treat, next Friday evening at the school house. This family of vocalists are so well known throughout every State in the Union, and also Europe that it will not be necessary to say further than that they will be in this place, and give a concert on Friday, evening January 7, 1888. Read what the Press says of this family of vocalists.

It was an evening of thorough artistic enjoyment, (Toledo Ohio) Bee.

The "Tribe of Asa" fully maintains the reputation that the family, as singers, have enjoyed for nearly forty years. (Chicago Daily Tribune)

A hearty welcome was extended to Hutchinson Family, the edifice being filled by a large and enthusiastic audience. (Winona (Minn.) Republican)

Those who missed the Hutchinson Family Concert last evening, and they were few in number, judging from the crowded state of the hall, missed a musical treat worth going miles to partake of. It has been our good fortune to hear them fully a dozen times, and we must confess that they fairly outdid all former efforts on last evening. (Jefferson City, (Mo.) Journal)
