Perry Renolds of the St. P. M. & M. lightning breakers was at home Sunday, paying his parents a visit. Perry is one of the "b'boys" and we are always glad to see him.

Mr. Alexander the genial freight conductor passed by here the other day with a heavily loaded train. Mr. A. is one of the most gentlemanly conductors the company has.

Mr. Dady from Warren, was up the other day; he was not on the "war path" this time, come again Gene.

Our genial friend Mr. Diamond was in town attending the commissioners meeting; he is hale and hearty, and is one of the best commissioners the county has had. Alf is chuck full of tree claim, of which he has one of the best in the county.

Mr. Bennewitz has received four more car loads of lumber. Looks like biz.

We made a trip into the country the other day, and kept our weather eye open as to the crops; they look splendid and if this nice weather keeps on we will have a heavy yield.

When Bennewitz & Kirsh came home with one solitary fish which they caught(?) and don't invite us to help them eat it, we think they show a selfish spirit. Don't do it again Peter.

Mr. Verboncouer is driving a fast horse; seems to us Dolf is putting on lots of style. Cant you give a fellow a ride!

Mr. Ohmer is painting his new building and making other necessary improvements.

Our old friend Judge Slee was in town the other day at the commissioners meeting. The Judge looks as hearty as of yore.

The county auditor is in his glory he has at last settled in his new office.

Our old time friend Charlie Young, one of Lake City's heavy merchants was in town Monday, paying his many friends a short visit; he looks well and thinks this country immense.

Trautmann & Co., have received a large stock of books, lamps and fancy toilet articles. "Doc" says he is bound to have one of the best and neatest drug stores in the county in the course of time and wants all his friends to give him a call.

Mr. Smythe a new lawyer has arrived in town and intends to locate here. It seems as if we were going to have a supply of lawyers. "You pays your money and takes your choice."

Our friends Verboncouer & McIntosh have received another half car load of goods and are selling them at bottom prices.

Mr. Bennewitz has been having his new office painted up in a neat manner. Mr. Kirsh who has a table in the office has been doing the work.

Moss & Co, our blacksmiths, are nothing if not industrious; we hear their busy hammers playing duets from early morn till late at night.

Mr. B. Jarvis is serving the public with some very choice steak; he kindly remembered us one day and it was "boss."

Mr. Fairweather has returned from his trip to St. Paul, and is looking well as usual.

Mr. L. Hancock of Euclid was in town the other day visiting his brother Ed.

Mr. Geo. Drew a nephew of uncle Philo Stone, has arrived; with his team and house-hold goods. The gentleman intends to locate in this vicinity. Welcome to the "promise land" George.

Mr. W. Wingfield is rushing up Mr. McIntosh's new house in fine style.

We understand that Ed. Hancock has contracted to put up a large grainery and tool house for Hon. Mr. Stephens. Ed. is a first class workman and we are glad to see him succeed.

A fishing party left here the other day composed of Messrs. McLaughlin, Dick Kivel and Sam Conners, they left with hearts beating high in anticipation of the sport they were to have. They left well provisioned, (three loaves of bread one ham and two gallons of—) one of the gentlemen asked Cons. what in the duce he wanted with so much bread. They returned the next day and our friend Dick was the unlucky one having caught a fish. Dick says if he will be forgiven this time it shall not occur again.

Miss Hattie Ardel has left for Glyndon and Detroit to visit her many friends and schoolmates.

Chicago, St. Paul, Minneapolis & Omaha Line.

The line is composed of the Chicago, St. Paul & Minneapolis and North Wisconsin rail-ways, and the St. Paul & Sioux City railroad with its various branches. Detailed descriptions of the route and places reached by this great line of railway are as follows:

The Eastern Division of this line commencing at St. Paul traverses the most beautiful and romantic portion of Wisconsin, through the picturesque Hudson, Menomonie, Eau Claire and Black River Falls to Elroy. From Elroy the line passes through the wonderful Baraboo Valley, Devil's Lake, and through Madison, (the beautiful city of inland lakes,) to Chicago, at which point connections are made with all leading lines of railway running through cars to all principal cities and towns in the Eastern States and Canada.

ENTIRE TRAINS, baggage and smoking cars, coaches, sleeping cars, RUN THROUGH WITHOUT CHANGE from St. Paul to CHICAGO over a steel rail track and well ballasted road bed.

Also, remember that the Pullman Sleeping Cars are the best sleeping cars run by any line and that the ONLY LINE running these celebrated PULLMAN PALACE SLEEPING CARS between St. Paul and Chicago is the CHICAGO, ST. PAUL, MINNEAPOLIS & OMAHA LINE.

Trains of this line to Chicago and the East, through Elroy and Madison, leave St. Paul at 12:35 noon, daily, except Sunday, and at 8:05 night, every day in the week. Pullman Sleeping Cars on each train to Chicago.

The Western Division of this line commencing at St. Paul, reaches into Iowa, Dakota and Nebraska, passing through the thriving young cities and towns of Shakopee, St. Peter, Mankato, Worthington, and through Le Mars to Sioux City, Omaha and Council Bluffs; and with branch lines reaches Blue Earth City and Woodstock, Minn.; Doon, Iowa; and Sioux Falls, Dakota.

THE PERFECT CONNECTIONS of this line at COUNCIL BLUFFS in Union Depot with first class lines of road for all points in Central and Western Missouri for Kansas, Texas, Nebraska, Colorado, California, Arizona, New and Old Mexico, makes it worthy of being called the "OLD RELIABLE" SIOUX CITY LINE.

Besides it is the ONLY LINE to the south-west.

Through the Seven Great Cities of the rich and populous Missouri Valley, namely: SIOUX CITY, COUNCIL BLUFFS, OMAHA, ST. JOSEPH, ATCHISON, LEAVENWORTH AND

-KANSAS CITY-

Trains of this line to Council Bluffs and the south-west leave St. Paul at 7:10 a.m. and 3:40 p.m. every day except Sunday. Sleeping coach on 3:40 p.m. train to St. Paul to Council Bluffs.

THROUGH TICKETS over this line to the East and South are on sale at all the principal railroad stations in the North-West, but if you cannot get the tickets desired or checks for your baggage from your starting point, then come to ST. PAUL and secure any ticket you want at depot of the

Chicago, St. Paul, Minneapolis & Omaha Line.

no extra expense, as all trains from the North and North-West run into the same depot as this line.

This line has printed a beautifully engraved CALENDAR for 1881, which shows the day of the week-month and year; it will be sent FREE OF CHARGE with copy of our pocket folders, upon addressing the undersigned, who will also answer promptly any questions as to rates of fare, &c.
