Base Ball.  
The much talked of game of Base Ball, Argyle vs. Warren, and which was spoken of in the "Banner" of last week, has been played. Saturday afternoon, with the sky threatening rain at every moment, the following telegram was sent to Argyle: "Are you prepared to play today?"  
In a few minutes the following answer was received: "Yes come on, we have blood in our eye."  
Our boys drove up and the game began about 4 o'clock, and after four innings had been played and the Argyle-Stephen combination had had their half of the fifth, the game was stopped on account of rain. The score standing "Argyle-Stephen Combination," 3, Warren, 9.  
It was a great game and clearly a pitcher's battle, in which our "Fred" distinguished himself.  
From the number of nice plays made, it was clearly shown that first-class ball can be played in this part of the country.  
We understand the same teams are to play here again in the near future.

Oak Park.  
Eckvold, Minn., May 20, 1895.  
Krestian, oldest son of A. Tunderum, died of consumption and was buried in the Oak Park cemetery. This makes the second son of Mr. Tunderum who has died within a year. We sympathize with the parents.  
Youngest child, a girl, of Erlan Hanson's, of Big Woods, fell into a boiling kettle of water and was scalded so badly that it died soon after.  
H. Christofferson, the Stephen banker, made a flying trip to Eckvold last Friday.  
The late frost has done considerable damage to oats and barley down here; wheat seems to stand it quite well.  
Hans A. Larson has been drilling for water all through this section of the county and wherever he has been has met with success; at Andrew Swanson's he struck a flow of from 1500 to 2000 bbls. a day; quite good water too; at B. Swanson's the flow was about the same but water not so good.  
La Grippe is here again with all of its old time vigor. One Minute Cough Cure is a reliable remedy. It cures and cures quickly. Chapin's Druggstore.

DON'T STOP TOBACCO  
IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACC-CURO.  
It is purely vegetable. You do not have to stop using tobacco with BACC-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box or 3 boxes (30 days treatment and guaranteed cure) \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. Eureka Chemical and Mfg Co., La Crosse, Wis.  
Office of THE PIONEER PRESS COMPANY, C. W. HORNICK, Sup't., St. Paul, Minn., Sept. 7, 1894.  
Eureka Chemical and Mfg Co., La Crosse, Wis.  
Dear Sirs—I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco for the time being, at least. I tried the so-called "Keweenaw Cure," "No Tobacco," and various other remedies, but without success, until I accidentally learned of your "Bacco-Curo." Three weeks ago to-day I commenced using your preparation, and to-day I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Bacco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
