BIG REDUCTION SALE!

We have just finished figuring up how many goods we had on hand January 1st, and find that the stock in our dry goods department is too large.

Now, we must reduce this stock before spring, and in order to do so quickly, we have decided to advance a special sale in this department, with prices so low that if you are in the least inclined to be economical you can not afford to pass them by.

We will guarantee to undersell any concern in this city at this sale. To satisfy yourselves on this point, please make comparisons in quality and prices, and if you are a judge of these, we know you will buy our goods.

The conditions of this sale will be similar to our clothing sale. Terms are strictly cash. To avoid any misunderstanding on this point, we will state that if you bring produce you will have to take goods at regular prices in exchange. Special prices are for cash only. Can not afford to sell goods at these prices on any other terms.

Goods for this sale will be displayed on tables, counters and show cases, and plainly marked.

Take advantage and buy your season's supply at this sale.

THIS CATCHES YOUR EYE!

Let us have your attention also while we note a few important facts, **The Sheaf does Job Printing.** You knew that, did you? It is under a new management. You probably didn't know that. The present management has had several years of experience in metropolitan job offices. The finest, most up-to-date work will be put out on short notice. Bear that in mind. Telephone, and your order will be called for.

Ladies' Coats and Skirts, SUITS, ETC.

These goods are all of this season's make, and every garment is up to the latest style. Not an old garment left except two coats. We will offer these goods to you at this sale for cost. You will, perhaps, wonder why we do this. We will tell you. We can take the money we get for these coats and buy summer goods, sell them and buy new coats next fall. So you see it is better for us to get the money than to keep the coats.

Shirt Waists.

One lot of ladies shirt waists, slightly soiled, that we will dispose of at half regular price.

One lot of silk waists, good colors--some black, black and white, striped, and a few in fancy colors. This lot goes at flat cost.

Ladies and Children's Underwear.

We have cut the prices on these goods right to the core. Better take advantage of this sale and buy enough to last you for next winter. There are some prices--only keep in mind that our regular prices have been much closer than our competitor's.
