Safety and Profit

are two important things to consider in selecting a bank. Money is such a hard thing to get and such hard thing to keep that it is folly to place it where it will not be absolutely safe. At the same time, the man or woman who is saving money naturally wishes it to earn more money, and therefore the monetary institution which combines safety and profit is always a desirable depository.

All These are Found at
Bank of Warren,
The oldest Bank in Marshall County.

WADLEIGH'S GRAIN SAVING GUARDS

Save all the tangled, lodged and flattened grain. Are the cheapest. Why? Because they are the best. The changeable upper elevating finger of the Wadleigh makes it capable of being adjusted to work satisfactorily in all conditions of crops and upon all sides of the field. Make certain the harvesting of all your small grain by obtaining a full set of the Wadleigh Grain Saving Guards.

When ordering Grain Saving Guards give name of machine. For Dealers mention its platform rigid or jointed. If for Champion the way its guards are fastened. Eleven guards are a full set for a 5, thirteen for a 7, and fifteen for an 8 foot machine. Remittance must be made in Chicago. Exchange, Express or Postal Money Order or Registered Letter.
