

RETAKE TOWN FROM REBELS

THE FORCES OF HONDURAS GOVERNMENT CAPTURE TOWN OF GRACIAS.

Washington Is Kept Fully Informed. The State Department Is Keeping in Close Touch With the Situation.

Washington, July 14.—Official advice received by state department confirm the press reports that the Honduran government forces have retaken the small town of Gracias and add that they are about to move to the more important city of Choluteca. To this extent the government appears to have the advantage. On the other hand Honduras is menaced on the northern border.

On the Caribbean sea border there are continually reported of an attack on Puerto Cortez, while Gen. Lee Christmas, who the state department officials style a soldier of fortune is reported in the country a few hours from Puerto Cortez.

The force mentioned is one of the dispatches as being on a small island about eighteen miles distant from Puerto Cortez is presumably the one from which an attack is feared. The state department is being fully advised of the situation in the whole of Central America, but Mr. Dodge, the minister to Honduras and Salvador, explains that reliable information is difficult to obtain.

Meantime the American and Mexican governments continue to use their best efforts to conserve peaceful conditions in that part of the world, but have gone to the extent thus far only of offering their friendly mediation.

The American cruiser Albany is now on its way from Panama to Amapala, the Pacific coast port of Honduras.

THUGS FIRE ON TRAIN

The Pennsylvania Delegates to Denver Are Assaulted.

St. Louis, Mo., July 14.—The train bearing the Pennsylvania delegation home from the Denver convention was attacked by thugs as it was entering the city. On the side of the special car was a steamer announcing that the car contained the Pennsylvania delegation. W. E. Schultz, O. E. Maxwell and J. F. Curran of Washington, Pa., were cut by flying glass, but escaped the stones and bullets.

Col. James M. Guffey was seated in the forward end of the car and escaped injury. Since leaving Denver Col. Guffey has been ill as a result of the heat. At Sedalia, Mo., the train was held while a physician came aboard and attended Mr. Guffey.

HIGHWAYMAN WAS SCARED OFF

A LONE BANDIT ATTEMPTS TO HOLD UP A MINNEAPOLIS STREET CAR.

The Conductor However Is Fearless. He Grapples the Robber Who Escapes Without Securing Any Valuables.

Minneapolis, July 13.—A lone bandit, masked, held up the conductor and motorman of an Eighth and Central street car in the glare of an electric arc light at Chicago avenue and Thirty-eighth street, at 1 o'clock yesterday morning.

The bandit entered the car while it was standing, fully lighted up at the end of the line. Conductor Jonas Erickson and Motorman Carlson were seated in the car "killing time," and were the only persons in the car. Carlson was seated at the end of one of the long seats and Erickson was next in a short one.

The bandit bearded the rear platform while the gates were open, entered, fully masked and with a large revolver in his hand, and greeted Erickson and Carlson with "Throw up your hands or I'll shoot!" Carlson's hands were up like a flash, but not so with Erickson. He sat placidly eyeing the masked man and not until the revolver was shoved under his nose did he move. Then with a quick move he grabbed at the bandit's revolver and tried to wrest it from him. A scuffle followed, during which the revolver was discharged. The bullet struck Erickson's coat, passed around his body and lodged in a book which he carried on the opposite side. The bullet passed so close that it left a streak across the shirt.

The bandit fearing that Carlson would help Erickson and overpower him then started to back out of the car.

Erickson followed and tried to hold the man but he jumped off the car and disappeared in the darkness without getting any loot.

SHERMAN DROPS AN OFFICE

TO RETIRE FROM CONGRESSIONAL BODY CHAIRMANSHIP.

Canvass of Political Situation Causes Decision of Candidate for the Vice-Presidency.

Washington, July 11.—Representative James S. Sherman, candidate for vice-president on the Republican ticket, in a short time will retire from the Republican congressional committee, of which he is the chairman.

This determination has been reached by Mr. Sherman and other Republican leaders within a day or two. The announcement of Mr. Sherman's prospective resignation was made here Friday by Senator Hemenway of Indiana, who, accompanied by Representative McKinley of Illinois, arrived in Washington from Hot Springs, Va., where they had been in conference for several days with Judge Taft.

The decision of Mr. Sherman to retire from the committee was reached only after a very careful consideration of the entire political situation. It was finally deemed wise for him to relinquish his duties as chairman of the congressional committee, largely on account of the duties and responsibilities which will devolve upon him as one of the national candidates. It has not been determined yet who his successor as chairman of the committee will be. It is likely that Mr. Sherman's formal resignation and the announcement of the name of his successor will be made simultaneously.

Acting Coroner Sellers conducted the inquest and Assistant District Attorney Gray represented the commonwealth.

Mrs. Wilson was the first witness called. While giving her testimony she occasionally gave way to tears, but for the most part of the time she was on the stand she remained composed.

The widow said that her husband had had a quarrel with a man who had come to him and demanded \$25. She said the money was paid to the man, but she did not know for what purpose, beyond that his wife was sick and that he must have the money. This man, the witness added, had threatened her husband if he did not comply with the request. When asked if she knew who the man was, she said she did not know.
