Owing to the extreme mild weather during the months of November and December, our stocks are now far too big. It is our earnest desire to make a complete clean-up of Fall and Winter Goods, and if prices can do it, we will accomplish this wish. Every article in our store will be placed on sale Saturday morning, Jan. 18th, at prices that will assure quick selling. The more goods we sell now the less trouble we will have at inventory time later. Below are only a few of the many bargains offered.
