WHEN

the housewife can avail herself of a good quality of maple sugar she should do so as it makes one of the most wholesome of desserts. Some hints for sweets made of maple sugar are given here.

Made With Nut Meats.
Maple Cake.—Mix half a cupful of butter creamed with one cupful of broken and mashed maple sugar, half a cupful of sour milk, half a teaspoonful of soda, half a teaspoonful of cinnamon, one-fourth teaspoonful of nutmeg, two cupfuls of flour and one cupful of walnut meats. Bake in a moderate oven.

Maple Caramels.—Take two cupfuls of maple sugar, half a cupful of milk and one tablespoonful of butter. Boil until a firm ball will form between the fingers when tested in cold water. Take from fire, add one teaspoonful of vanilla and one cupful of chopped walnut meats. Turn into a buttered pan and when cool cut in squares.

Made Into Pastry.
Maple Rolls.—Take bread dough to make as many rolls as are needed. Roll one inch thick. Cream together warm butter and soft maple sugar. Spread on dough and roll as you would a roll jelly cake. Cut off slices one inch thick, lay in buttered pans, cover, let rise and bake.

Maple Sugar Pie.—Take one and a half cupfuls of milk and pour it into a double boiler. Add a cupful of maple sugar broken into small pieces. Let it boil until the sugar is dissolved; then pour some of the milk over a well beaten egg. Return to the boiler and stir in a dessertspoonful of cornstarch which has been dissolved in a little cold water. Stir and cook several minutes longer. Line a deep pie pan with good puff paste, turn in the mixture and bake. The yolks of two eggs can be used instead of one whole egg, and a meringue can be made of the whites. Add two spoonfuls of sugar to the stiffly beaten whites, spread on the pie after it is baked; then brown nicely in the oven.

FLIES are the most dangerous insects known to man. He should be their most persistent natural enemy.

It is all important that the winter fly be assassinated.
You are doing a work of humanity by killing him now.

One fly destroyed in the spring will prevent the development of more than 5,000,000,000,000 before the end of summer.

Health a Factor in Success.
The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by Ed Quistgard.

MAKES BACKACHE QUICKLY DISAPPEAR

A Few Doses Relieves All Such Miseries. Bladder Weakness, Kidney Trouble and Rheumatism Promptly Vanish

It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.
