I desire to announce myself as a candidate for renomination to the office of County Treasurer of Marshall County, subject to your approval at the primaries, June 16th, 1914.
In this connection I desire to thank the taxpayers for the loyal manner in which they have supported me, and their co-operation in helping me in the discharge of my duties has been of material assistance to me in more ways than one.
When first I sought this office I pledged myself that if nominated and elected, I would try my very best to discharge the duties of the office with the utmost fidelity, whether I have done this or not to your entire satisfaction it is for you to judge, and it will be my earnest endeavor if renominated and elected to make still greater effort to do my full duty as a public servant. If I have failed in any particular it is not because I have not tried to do my duty conscientiously, but an honestly made failure that I have tried to remedy. As to the duties of the office I have become perfectly familiar with every detail and am in a position to serve your interest with the utmost dispatch and promptness.

I hereby announce myself as a candidate for nomination for Register of Deeds of Marshall County. I was elected Register of Deeds on the Republican ticket in 1888, holding the office one term of two years, during which time I endeavored to discharge the duties of the office faithfully and efficiently, to the best of my ability. I was again nominated by the same party in 1890, but went down to defeat in the Populist wave which that year passed over the country. Many friends of all parties concede now that I did not have a fair chance at that time and have promised me their support. For that reason I am a candidate now and ask your kind help at the primary election June 16, 1914.
Respectfully,
Hans A. Larson.
