PIANOS

Are guaranteed to give purchasers unequivocal satisfaction

HERE a name of highest standing in piano-manufacture vouches for the slow, sound construction which determines whether or not a piano will justify the price. Flawless materials, finished skill, the close supervision of detail of a great factory compose this instrument.

Musically the Hamilton is delightful. Due to a rare staying-in-tune quality it remains in demand for foreign countries year after year. On home soil its friends are legion.

THE "Hamilton Manual", the player piano that is all but human, retains all the great merits of the Hamilton Piano—its beautiful bell-tone, its lasting and enduring qualities—enhanced by the most perfect player mechanism made today. It brings a new era of enjoyment and culture into the home of every purchaser.

Come and examine it.  
Attractive prices and terms to suit.

Not only here in Warren but in our neighboring towns, the same good story is heard. An encouraging instance from Crookston is given here, and will be read by us with great interest.

R. C. Burkhardt, deputy sheriff, 616 N. Ash St., Crookston, Minn., says: "I suffered from lameness and rheumatic pains in my back and hips. I was also greatly bothered by too frequent passages of the kidney secretions, which plainly showed where the trouble came from. Doan's Kidney Pills were so highly recommended by my neighbor that I got a supply and began using them. I improved immediately and I continued taking them until the pains left. I can now get a good night's rest and my health is better."

**No Trouble Since.**

On October 29, 1913, Mr. Burkhardt said: "The statement I gave several years ago praising Doan's Kidney Pills holds good. I can recommend them just as highly as ever. I haven't had to use a kidney medicine since Doan's Kidney Pills cured me." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burkhardt had.
