### Red River Valley Kernels

The newspapers of the valley all report that parties, who hunted the first day of the season, returned with small bags of the coveted bird.

Rev. Gravadahl, pastor of the Lutheran church at Stephen, has accepted a call at Circle, Montana, and will leave at the end of this month for his new field.

Fifty-nine bushels of wheat per acre is the phenomenal yield reported to have been grown on a Hill plot near St. Hilaire.

A young baby moose was seen on the Prillwitz farm near Argyle a few weeks ago. It is said that deer have also been seen in that vicinity.

Glyndon opened a splendid consolidated school building on Monday. The structure is of brick, has six rooms and was erected at a cost of over \$25,000.

Small forest fires are reported to be burning near Spooner and Baustette.

James J. Hill will speak at the Clearwater count fair to be held at Bagley, Sept. 15.

All the city officials of East Grand Forks had their salaries cut by the city council.

A citizens' league has been formed at East Grand Forks to prevent the illegal sale of liquor after the licenses of the saloons expire.

The first real highway robbery in the history of Red Lake Falls occurred a week ago Saturday, in which five wearers of the mask held up a Mr. Connors and secured only five dollars. This gave them only a dollar apiece for their trouble.

Louis Enge, a former bartender of Moorhead, was killed when an auto in which he was riding turned turtle on the road between Barnesville and Moorhead. Enge with several other friends was returning from Barnesville, where they had attended a labor day celebration. Barnesville booze is blamed for the accident.

George Lyons, a well digger residing at Argyle, laid \$120 in a wallet aside in an outhouse and when he returned to get it, he found that it was gone. It is thought that some stranger picked up the wallet.

The chief of police at Ada has been acting as an employment bureau and has placed over 250 men to work as harvest hands on the farms near Ada. His method of getting help was to stop every freight train going thru Ada and compel all passengers bearing their way to get out and work, or serve time for cheating the railroad company out of their fare.

Ada is to have a new brick depot costing \$13,000.

Several Fergus Falls boys broke into a house and were taken up before the judge. Instead of sending them to some state institution the judge sentenced them to a good sound thrashing, to be administered by their parents.

Deputy sheriff Carlson and Oscar Pearson left Monday with two prisoners, John A. Malone and Glen Bryant, for the state penitentiary at Stillwater. Malone was sentenced by Judge Grindelund to serve an indeterminate term for forging and cashing a check at Argyle. Glen Bryant was given a like sentence for holding up two men at Oslo last week. Both prisoners plead guilty.

Margaret Wycherly of Broadway fame as "Jane" in "The Fight" in five big acts at Dreamland Tuesday.

### THRASHING GETTING WELL ALONG.

Light showers Monday night interrupted thrashing on Tuesday, but this morning the sun came out bright and warm and thrashing was resumed. Nearly half the grain in this vicinity has already been threshed, and two weeks more of favorable weather will see practically all the threshing done. Many farmers have commenced plowing.

#### Odman-Munson Nuptials

Victor Odman and Miss Hannah A. Munson surprised their many friends when they returned from Minneapolis this week as man and wife. Miss Munson left for Minneapolis on Thursday evening of last week ostensibly to visit friends and Mr. Odman followed on Friday evening. The nuptial knot was tied at high noon on Saturday, Sept. 11th, by Rev. E. O. Stone, at the parsonage of the St. Paul Swedish Lutheran church in Minneapolis.

The bride is the daughter of Mrs. Carrie Munson of this city and is an accomplished and very sensible young woman, who is held in the highest esteem by a large circle of friends. For many years past she has held the position as bookkeeper in the K. J. Taralseth Co. store. The groom is a well known and capable young man, who has grown up from childhood in this city. His parents are Mr. and Mrs. John Odman, respected pioneer residents of Warren. He has been employed as a clerk in the K. J. Taralseth Co. store for many years and now holds a position as salesman in the clothing department.

A host of friends extend congratulations to the happy couple and wish them much joy and happiness in life.

#### Helgeland Pioneer Passes Away

Laurence Sandvick, a respected pioneer resident of town of Helgeland, Polk county, died on Sept. 8, 1915, of apoplexy, aged 78 years, 6 months and 4 days.

Deceased was born at Solor, Norway, March 4, 1837. Emigrated to America and settled on a homestead in town of Helgeland. His wife died four years ago and was buried in St. Hilaire. Their only son left some years ago and his present whereabouts is unknown. John Johnson who bought the homestead, has kept and cared for Mr. Sandvick during these latter years.

The funeral was held from the Melo church on Sunday, Sept. 12, and was conducted by Rev. N. G. W. Knudtsen, of this city.

### AGRICULTURAL NOTES

By O. Neraal, Teacher of Agriculture,  
Warren High School.

W. F. Finch and E. O. Hutchinson from Radium were in town yesterday. Mr. Hutchinson wants to buy a flock of sheep (from 75 to 125 ewes) for his farm south of Radium. Both of these gentlemen are looking for pure bred live stock. Mr. Finch placed his order for five Holsteins and Mr. Hutchinson wants one Aberdeen Angus. Others have spoken to me about buying pure bred live stock this fall.

As soon as the busiest season is over with the big crop is garnered, the Warren Live Stock Improvement Association will lay its plans for the shipping in of pure bred live stock in car-load lots. Breeders of pure bred live-stock in other states have been corresponded with and terms and particulars have been secured from each. This will be a help in getting a line-up on the stock that is wanted. There is probably not a farmer in this community but what wants one or more heads of pure bred live stock this fall. The feed is surely here in abundance and I think that the time is here when farmers in some localities will have to diversify or else deed their holdings over to the

weeds. Without a doubt, a few car-loads of pure bred live stock could be placed among the farmers of this county before long. Those who are interested will do well in making their wants known to J. S. Hilleboe, the secretary of the association, as soon as possible.

Calls are coming in for seed barley, winter wheat and winter rye. Those who have these grains for sale, please let me know. According to reports there will be a big demand for seed barley.

Seed corn will be scarce and it is perhaps needless to say that no efforts should be spared to harvest and care for the corn that may now be ripe. Corn that is dented can be picked and will make better seed corn, if taken care of, than what can be secured elsewhere in the spring, and chances are that there is going to be very little for sale.

The Course of Study, Agriculture in the Grades, will be ready the latter part of this week. Viking will organize a Farmers' Co-operative Live Stock Shippers' Association, September 25th.

#### Good Woman Passes Away.

Mrs. Hannah M. Lindamood died at the home of her daughter, Mrs. W. G. Hamrick, in Polk county, Minn., on Sept. 8, 1915, aged 67 years, 6 months and 7 days. Her health has been poor for a number of years but was taken very sick on Sept. 6th.

Deceased was born near Mt. Jackson, Shenandoah county, Virginia, on March 1, 1848. She was the youngest of twelve children, all of whom lived to maturity, she being the last to pass to her heavenly home. On Dec. 25, 1867, at Woodstock, Va., she was married to her husband Henry H. Lindamood, who survives her. The family has lived in Virginia, Illinois, and during the past two years in Minnesota.

Mrs. Lindamood is mourned by her husband and also by the following children and surviving relatives: Mrs. W. H. Hamrick, Polk Co., Minn., F. L. Lindamood, Marshall Co., Minn., Mrs. O. H. Ehart, North Dakota, W. H. Lindamood, Mt. Hope, W. Va., Chas. Lindamood, Mrs. Henry Jordan and Mrs. Edward Evans in Virginia.

The funeral was held from the home of her daughter, Mrs. Hamrick, in Polk county, on Sunday, Sept. 12,

1915, and was conducted by Rev. L. W. Bartholow, pastor of the M. E. church in Warren. Interment was made in the Warren cemetery. All the children except the three living in Virginia were present at the funeral. The heartfelt sympathy of the community is extended to all who mourn the loss of a good, loving wife and mother.

B. Data and Sam Costa, of Spring Valley, Illinois, are up looking over their farms in this vicinity. Both gentlemen are highly pleased with the crop results this year.

W. B. Davis, of Joliet, Ill. is here looking after the thrashing on his farm near town. He expressed himself as well satisfied with the returns on his investment this year.

Prof. Nelson A. S. Miller, of North East Pa., arrived on Thursday of last week to enter upon his duties as teacher of English and History at North Star College. Prof. Miller is a graduate of the State University of Iowa and comes well recommended for his work. He is also much interested in athletics and will have charge of physical training during the school year.

### APPRECIATES THE SHEAF'S SPECIAL EDITION.

The Sheaf has received many compliments for its special edition from people living at a distance. Among these is one from A. A. Warren, of Fergus Falls, who writes thus: "Kindly mail me a copy of your special edition of Sept. 8th. It is a highly creditable edition. You and your clients deserve praise."

#### A Farewell Surprise.

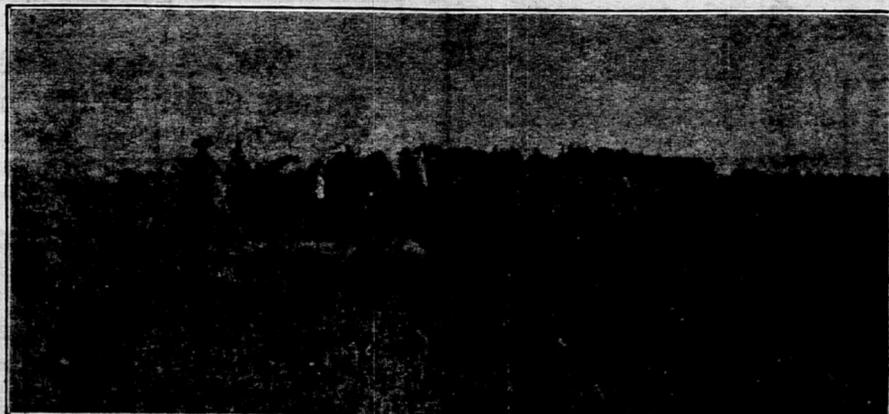

The Ladies' Aid of the United Lutheran church gave a farewell surprise to Mrs. Carl Hanson on Monday evening in appreciation of her active work for the church, and in social affairs, during the time she and her family have lived in Warren. Both Mr. and Mrs. Hanson had been invited to spend the evening at the home of Fred Bakke, county treasurer, and here, all at once, the members of the Ladies Aid of the church burst in upon them, bringing with them many refreshments, of which all later partook. Rev. Knudtsen, in a neat speech, on behalf of the society presented to Mrs. Hanson several beautiful pieces of cut glass, and at the same time thanked her and her husband for their great interest and zeal and valuable assistance in promoting the work of the church and of every good cause for the benefit and uplift of the city, while they have resided here. He also wished them God's speed when they leave for their new home and field of activity and hoped that success and happiness may follow them in the future. The family has lived in Warren since 1908, when Mr. Hanson was appointed register of deeds to succeed John P. Myhre, deceased, and was afterwards elected three times to that office.

Mr. and Mrs. Hanson and the children left on Tuesday evening for Newfolden, where Mr. Hanson will hold the position of cashier in the new bank which he and other interested parties have established at that place.

#### Married.

Gust Nuske and Mabel Bentten were united in marriage on Wednesday, Sept. 8th, at the United Lutheran church parsonage, by Rev. N. G. W. Knudtsen. The groom is from Indiana and the bride is from Germantown, this county. They will make their future home in Thief River Falls. Friends extend congratulations.

"The Fight" in five acts Tuesday.

HARVESTING SCENE, NEAR GRYGLA, MINN.

### NORTH STAR COLLEGE

Prof. Nelson A. S. Miller and Prof. Harry C. Anderson have already arrived to take up their work at North Star College. These two young men will have charge of the courses in the Academic department. The Board of Directors are to be congratulated in having been able to secure these two competent young men.

The enrollment in the Music department continues to grow every day. Miss Hermanson is anxious to have many more enroll before the end of the week. Call up the College office, phone 147.

In the complete rearrangement of the Academic course of study at North Star College for the coming year, every effort has been set forth to reach the highest standard. A rigid prescribed, yet broad and liberal course has been adopted. Special attention will be given to the fulfillment of College entrance requirements, thereby enabling the future graduates of North Star College to obtain unconditional admission to any College or University without examination.

Of the individual courses probably none have undergone more radical changes than the English courses. Every effort has been used to make these courses as practical as possible without losing sight of the cultural side. Probably the most notable change in this department is the introduction of a course in Journalism in the spring semester of the Senior year. The instruction in this course will be of a College grade.

The well known fact that "a sound mind dwells only in a sound body" has also been given due consideration with the result that a required course in gymnastics will be introduced. All students in all departments will be expected to take this course. Prof. Miller will have charge of this work, and we are glad to announce that he has had a number of years experience in this particular branch of training.

Rev. F. N. Anderson has been attending the General Council's meeting at Rock Island, Ill., the past week.

Axel Johnson, a former student in the Commercial department, has accepted a position as bookkeeper in a bank at Dahlen, N. Dak. Axel will no doubt make good under the able supervision of his brother, Anton, who is the cashier in the above named bank. We congratulate!

Arvid Lindstrom has accepted a position as Assistant Cashier in the Karlstad bank. This is another example of what our boys are doing after they graduate from North Star College.

Now let us all remember that school begins October first. Make up your mind to write now for information.

Mr. and Mrs. A. P. Frank, of Longmont, Colorado, arrived today for a visit with their son, Dr. E. T. Frank, and their daughter, Mrs. C. E. Stinchfield. Before coming here they visited with their son, James, at La Moure, N. D. Neither Mr. nor Mrs. Frank seem to have aged any since they removed from Warren several years ago.

See Jane Thomas, the woman who fought the crooked politicians and vice-merchants of a big city, in "The Fight" at Dreamland Tuesday, Sept. 21. Admission 10 and 20 cents.
