INFANTILE PARALYSIS INVADES COUNTY

SCHOOLS AT STEPHEN CLOSED.

Seven Year Old Son of Mr. and Mrs. P. McClernan, of Stephen, Succumbs to the Disease.

The home of Mr. and Mrs. P. McClernan, of Stephen, has been saddened by the death of their little son John, aged seven years and three months, who succumbed to the grim disease, infantile paralysis, on Saturday morning, Sept. 16. This death has plunged an erstwhile happy home and also the whole village into the deepest gloom. Friends of Mr. and Mrs. McClernan all over the county sympathize with them in their great affliction. The funeral was held on Monday.

As a precautionary measure against the spread of the disease, the public schools of the village have been closed for the time being.

BIG SPECIALS

"Life's Blind Alley" and "Green Stockings" at Dreamland Next Week.

"Life's Blind Alley", a powerful dramatic De Luxe production, will be the feature attraction at Dreamland Monday. This is a photo play abounding with realisms of life, a story alive with interest and true to the morals of modern society. On Thursday, dashing Lillian Walker, the girl with the dimple, will be seen in that splendid Big Four feature, "Green Stockings", a picture that will bring tears to your eyes and smiles to mix in. "Life's Blind Alley" and "Green Stockings" are big, clean, worth-while photo plays. See them Monday and Thursday. Usual feature prices.

TO LENGTHEN THE LIFE OF THE BINDER.

A binder left in the field from one season to another will last at best three or four years, whereas, with proper care a binder should do good work for ten, fifteen, or even twenty years. The same kind of thing may be said of almost all farm implements.

Before long, winter will be here, levying its tax upon farm implements left in the open. This is the time, therefore, to make plans for housing farm machinery.

The saying in the value of machinery in one year will almost pay for the cost of a good machine shed.

N. R. Engelstad, who has been looking after his farming interests here for about three weeks, returned yesterday to his home at Northfield, Minn.

North Star College Notes

Sinclair McArthur, Axel Holmgren and Kenneth Wattam, seniors in the high school, have decided to take up work at the College this year.

Rev. James Moody and daughter, of Roseau, and Prof. and Mrs. Luther G. Hanson and son, of Fergus Falls, were pleasant visitors last Thursday afternoon. They expressed their delight with the accommodations given at North Star.

Prof. Sjostrand and family left Friday noon for Kennedy, Minn., to visit at the home of Mr. and Mrs. August Clauson. While there Prof. Sjostrand spoke at two gatherings. On Sunday they were at Hallock and vicinity in the interest of the College.

Two weeks more and school will be in session. We are expecting a large enrollment from the very beginning. To those who have not yet made arrangements for rooms should do so at the very earliest.

The W. C. T. U. reception for the new teachers will take place in the College building Thursday evening, this week.

Miss Elizabeth Rosenthal, academic graduate, is teaching the fifth grade in the public schools of Hallock.

WARREN HOSPITAL GRADUATES NURSES.

The Warren Hospital graduated a class of nine nurses on Friday evening, Sept. 15. The exercises took place in the Swedish Lutheran church in the presence of a large audience, C. E. Lundquist, a member of the hospital board, presiding. The pleasing program was rendered as previously published in the Sheaf and included a pipe organ procession by Miss Ella Lundgren, invocation by Rev. F. N. Anderson, a duet by Messrs. Myhre and Prytz, solos by Ingolf Grindeland and R. M. Prytz, piano solo by Miss Olga Hermanson, an able address by Judge Grindeland and benediction by Rev. N. G. W. Knutson. In the absence of Dr. Anderson the presentation of diplomas was made by Judge Grindeland. After the program light refreshment was served to all in the church basement.

The graduates are: Esther C. Walsted, Clara Eie, Christine Eie, Angeline Maruska, Alma M. Olson, Olga B. Hanson, Naomi C. Swanson, Ella H. Foxen and Anna K. Spjut.

Rev. K. Winberg left Monday for the Twin cities and from there he will go to Stoughton, Wisconsin, to attend the annual conference of the Scandinavian M. E. church. At this meeting new assignments will be made for the pastors, but the congregation here as well as all the people of the city hope that Rev. Winberg may be returned. He will be away about two weeks.

HARVEST MOON

PROHIBITION AUTO COMING

Dry Automobile Campaign to Reach Warren Friday.—Calderwood To Speak.

The advance guard of the Prohibition campaign will reach Warren about 4:30 p. m. Friday, Sept. 22nd.

This is one of a number of machines with which the drys are covering the entire state. W. G. Calderwood, Prohibition candidate for U. S. Senator, will be the chief campaigner of the party that will reach here. The Prohibitionists are getting up the strongest campaign this year that they have conducted in the entire history of the party. Mr. Calderwood in his senatorial campaign has placed special emphasis upon half a dozen issues that are not ordinarily thought of as being part of the Prohibition program, although the Prohibition platform has been one of the broadest gauged platforms in American politics in the last forty years. Calderwood has a preparedness program that is winning him great favor all over the state. He will hold a street meeting.

Hebrew New Year To Be Observed

Hebrews in Grand Forks will celebrate their New Year's eve September 27th, the next day being the beginning of the year 5677 of the Jewish calendar.

The celebration will end October 19. At that time the local Jews will prepare the feasts, which will take place at the Children of Israel Synagogue. Services will be conducted by Rabbi V. Papermaster during the holy season.

The Boxville Farmers' Club. The Boxville Farmers' Club held its first fall meeting on Friday evening, Sept. 15th.

Owing to the fact that threshing was not entirely completed in the community there was not as large a turnout of members as usual.

Mr. G. N. Morkassel, of Warren, was the speaker of the evening and gave a very vivid description of the different phases of the Federal Farm Loan Act recently passed by Congress. Mr. Morkassel attended a meeting of the Board of Directors of the Federal Bank at St. Paul recently as a delegate and hence is qualified to discourse authentically upon the subject.

Mr. C. A. Nelson, of the State Bank of Warren was present and responded to an invitation to make additional remarks upon the topic. The next regular meeting will be held on Friday evening, Oct. 6, and a larger attendance is anticipated for this date.

WEDDINGS

Perrin-Walker.

Robert J. Perrin, of this county, and Miss Lena Walker, of Grand Forks, were married at the Scandia Hotel, in this city, on Sept. 19, Rev. N. G. W. Knutson officiating. The happy couple will reside at Grygla.

Krogh-Ihle

Paul Krogh, of Argyle, and Miss Millie Ihle, of Newforges, were united in marriage at the United Norwegian Lutheran parsonage in this city by Rev. N. G. W. Knutson on Sept. 19. Both contracting parties are highly esteemed young people. After a wedding trip to Fargo and other North Dakota points, they will begin housekeeping and make their future home at Argyle. Many friends extend congratulations.

What's Doing in Minnesota

Winona.—Interest of racing fans in this section centered upon the horse races last week at the Winona county fair at St. Charles.

Brainerd.—Proving too heavy for a condemned 75-foot bridge at Pillager, near here, a traction engine fell a distance of 40 feet into the Crow Wing river. No one was injured in the accident.

St. Cloud.—That Minneapolis was the home of the unidentified woman whose body was found in the Mississippi river here was indicted to the police in following up recent discovered clues in the case.

Virginia.—The first authentic case of infantile paralysis on the Mesabara range has been found at Eveleth, where Mollie, the infant daughter of Mr. and Mrs. Kochevar, was declared to have the disease.

Duluth.—Forty-five dollars a month and board is now being offered in Duluth and other northern cities for woodsmen for the winter cut. This is \$10 a month more than was ever offered; yet virtually no men can be hired.

Winona.—When a car ahead of a locomotive on the Great Western railway jumped the track and flipped over the edge of a 75-foot trestle near here, it carried Dominik Bronk, brakeman of Winona, to death. He fell beneath the overturned car.

Duluth.—Shot through the abdomen by the accidental discharge of his revolver, Aywood Frazer, aged 17, Duluthian, was fatally wounded while fishing in the Cloquet river and died following an operation here. Frazer was with five companions.

Brainerd.—With street lights turned off at night pending increase in taxes Brainerd has felt somewhat like an English town dodging Zeppelins. The Minnesota and International Falls railway early morning passenger train came to town and ran by the station in the dark.

Duluth.—Threatened trouble with the Longshoremen's unions of Duluth and Superior which has caused some uneasiness among the grain shippers of the Head of the Lakes will be amicably settled to the satisfaction of the unions, according to W. F. Smith, secretary of the Superior union.

Hibbing.—Charging that the republication at this time of the state report on Hibbing municipal affairs was purely a political move to counteract his forthcoming candidacy for governor as an independent ticket, Mayor Victor L. Power said it would be shown this village received "dollar value for every dollar spent."

Bemidji.—The first criminal indictment ever returned in Minnesota in connection with alleged timber theft on state land has been returned by the Beltrami county grand jury in session at Bemidji. John Miller and M. Purritanen are accused by the grand jury with having unlawfully entered upon state land and cut timber.

St. Paul.—Governor Burnquist and members of the Minnesota state monumental commission arranged to leave St. Paul to dedicate Minnesota monuments to dead soldiers from this state in three national cemeteries. The exercises will take place as follows: Little Rock, September 22; Memphis, September 23; Andersonville, September 26.

Willmar.—Twenty-eight escapes from the state hospital for inebriates at Willmar during August practically equalled the number of admissions during the month, else the capacity of the institution would be overtaxed now, George H. Freeman, superintendent, has reported to the state board of control. There are now 72 inmates in the hospital or one less than a year ago.

Court House News

Marriage licenses have been issued by Clerk of Court Swandby to the following: Paul Krogh and Millie Ihle; Robert J. Perrin and Lena Walker; Arthur Fogelberg and Esther A. Carlson.

Judge Grindeland left Monday evening for Decorah, Iowa, to attend a meeting of the Board of Trustees of Luther College.

Arthur Olson is Caught.

Arthur Olson, who, together with John Skoog broke out of the county jail one year ago last June and has since been at liberty, was apprehended last Friday at Red Lake Falls by deputy sheriff Oscar Pearson. He was brought before Judge Grindeland on Monday and plead guilty to the charge of grand larceny in the first degree, the offense being robbing the till in the Soo depot a year ago last winter. He was given an indeterminate sentence of from one to ten years in the state's prison at Stillwater, whither he was taken by Sheriff Hanson. Both young men implicated in the robbery at the Soo depot are now in durance vile and will have ample time to meditate on the fact that justice never sleeps.

ADAMS PRESBYTERY TO MEET HERE.

The Adams Presbytery will meet in Warren on Tuesday and Wednesday next week. On Tuesday a Presbyterian Sunday School Institute will be held commencing at 10 o'clock a. m. A splendid program of addresses and papers by visiting pastors and Sunday School workers has been prepared for the occasion, and the general public is cordially invited to these meetings, which will be held in the Presbyterian church. On Wednesday the business sessions of the Presbytery will be held. A large number of ministers and lay delegates are expected to be in attendance and Warren extends a hearty welcome to these workers in the Lord's vineyard.

MOTHER DIES; BABY LIVES

Mrs. Iver Iverson, of Alvarado, Passes Away Last Evening in This City.

After entering the shadow of the valley of death and giving life to a well born 11-pound baby boy, the mother, Mrs. Iver Iverson, of Alvarado, failed to return from that narrow border land where life and death meet in close proximity, and gave her own life for the perpetuation of the race. She was taken to the Miss Nordgren home in this city on Monday in anticipation of her confinement, and on Tuesday morning she was taken ill. After a painful parturition the baby was born at five o'clock in the afternoon and everything appeared to be all right. Shortly after 7:30 o'clock her sickness took a sudden turn for the worse, and she failed so rapidly that within ten minutes she breathed her last. Her age was 39 years.

The death of Mrs. Iverson has cast a deep gloom over the entire village of Alvarado and country tributary thereto, where she had grown to womanhood and was highly esteemed by a large circle of friends. Her maiden name was Miss Hannah Smith, her parents being Mr. and Mrs. John G. Smith, honored pioneer residents of this community. Before her marriage she taught for a number of years in the rural schools of the county. Mrs. Iverson was a good, noble woman and a sincere Christian. She was an active member of the Swedish Lutheran church at Alvarado and took great interest in its Ladies' Aid and the furthering of all good and charitable work in the community. She is immediately mourned by the grief stricken husband, Mr. Iver Iverson; and four young children, including the baby whose bringing into life cost the mother so much. She is also mourned by her parents, Mr. and Mrs. John G. Smith, the husband's parents, Mr. and Mrs. Peter Iverson, and many other relatives and a large circle of friends. May the consolation of all who mourn be that she, who has departed, has gone to claim a higher and more perfect life on the other shore and that she will be a link that will bind them more closely to heaven.

The funeral will be held in Alvarado at 2 o'clock on Thursday afternoon.

DITCH VIEWERS ON THE JOB.

Protest Against Damaging Lateral Given Full Consideration.

Wm. Forsberg, of Warren, H. A. Larson, of Big Woods, and J. Cook, of Argyle, came over to Middle River last Thursday in Mr. Cook's Ford and are engaged in the work of viewing county ditch No. 28. They are giving full heed to the protests of Andrew Olson, the editors and others against the emptying of a branch into lateral No. 1 of State Ditch No. 83, so it is possible that that lateral will be left out of the system. They inform us that they will report conditions exactly as they are as to the insufficient outlet of the proposed branch emptying into Ditch No. 83. Then it will be up to the county commissioner and the engineer to say whether or not the branch shall be put in to add to the flooding land owners along ditch No. 83 are being subjected to.—Middle River Pioneer.

Leroy Peterson is Again a Winner.

Last year he won second prize in the Northern part of the State in the "Corn Acre Yield Contest" and this year he wins first prize at the State Fair for his ten ears of corn, competing with all of the boys from

the "Northern Zone". This is doing very well for a boy 12 years of age. He has also done very good work in the pig contest as will be noticed when the pig contest reports are made.

Andy Morkassel is Another of Our Prize winners.

Last year he won second in the pig contest in the state which entitled him to a membership in the "Boys' Camp" and was thus given a

free trip to the State Fair. He took along ten ears of corn from his last year's crop and was awarded second prize at the fair.
