WORDS FROM HOME.

Statements That May be Investigated.
Testimony of Warren Citizens.
When a Warren citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Warren resident. No stronger proof of merit can be had.

W. O. Holcomb, Warren, says: "I had been subject to attacks of pain in my kidneys that almost floored me. I was troubled by a dull, heavy ache across the small of my back and in my hips. I could not stoop over to pick up anything without having a sharp crick catch me in the small of my back. I was laid up at home for a week unable to work. My kidneys were irregular in action. Nothing helped me much until I got Doan's Kidney Pills. Several boxes removed the trouble in such fine manner that I can get around as well as ever now."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Holcomb had. Foster-Milburn Co. Props., Buffalo, N. Y.

The Man with money knows it pays to bank money.
Comfort, ease and elegance is his reward. He didn't get it in one day, or a week, or a year. He didn't "strike it rich." He didn't have a rich relative die and leave it to him. He BANKED his money. The amounts were small at first, but he KEPT AT IT; then the amounts grew larger, opportunities came and the little sum he started with became a great big FORTUNE.
You can do it too—if you TRY.
Put YOUR money in OUR bank.

Get a Plan for your New Barn

Building a barn by guess or from a rough sketch is very apt to be expensive. You can't be SURE of arrangement, quantity of material and complete cost until you have it finished, and then it's too late or very expensive to correct mistakes.

With a Good Plan
you can see just what it's going to look like. You can figure out in advance the exact use of every foot of space. You can get just the right construction for the size you want to build.

You Can Get Such Plans Here
Our new plan service includes barns of all types suitable for this country. The above is one of many designs shown in our new plan equipment. Call at our office and go over these plans with us. We are sure we can help you get an unusually good barn for the price you want to or can pay.
