18-36—The Famous Four Plow Tractor With the Wide Drive Drum.

There is nothing too good for the farmer in these days. They demand something more when they buy a tractor than just a tractor that will work and will do fairly good work under favorable conditions. When you buy the GRAY you then have a tractor that affords the same chance for each plow to do the same quality of work as the weight of the tractor is spread evenly on the ground just before the plows, thus giving the same advantage to each plow to do good work and affords the same high quality of work at all heavy farm work, as the GRAY will not leave any wheel tracks in the field. And it will work successfully in the field as soon as machinery will work. The GRAY has side arm hitches so that machinery can be drawn on each side of the tractor in connection with machinery drawn on the draw bar, an exclusive feature on the GRAY. The GRAY will disc and harrow preparing a perfect seed bed of sixty acres in a ten hour day in one operation. Come in and look it over.

PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricke, 507 Bornman St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it: "I suffered with my stomach, had awful cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To be sure of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I started with PE-RU-NA, which was about fifteen years ago. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and weigh near two hundred pounds. Before, I weighed as little as one hundred. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricke is an inspiration to every sick and suffering woman.

MRS. MARY FRICKE

If you have catarrh, whether it be of the nose, throat, stomach, bowels, or other organs, PE-RU-NA is the remedy. It is not new; it is not an experiment. PE-RU-NA has been tried. PE-RU-NA has been used by thousands who once were sick and are now well. To prevent coughs, colds, grip and influenza and to hasten recovery there is nothing better.

PE-RU-NA will improve the appetite and digestion, purify the blood, soothe the irritated mucous linings, eradicate the waste material and corruption from the system. It will tone up the nerves, give you health, strength, vigor and the joy of living. Do what Mrs. Mary Fricke and thousands more have done—try PE-RU-NA. You will be glad, happy, thankful.
