The Ladies' Aids of these churches will conduct their annual meetings the same days. Those whose duty it is to prepare financial reports will please have them submitted to the auditing committees for their approval prior to the annual meetings.

One of the important questions to be considered at these meetings and at the coming annual meetings of all the congregations in the Red River Valley conference is whether or not the Warren City Hospital shall become one of the institutions of said conference. Please remember your annual meeting! So far as consistent all voting members should be present.

Then, too, we wish to make mention that at the forenoon service Christmas Day at the Elim church a touching little scene took place. The motion was

made and carried that at the Elim Young People's Society's New Year's wake an offering be lifted for the benefit of the famine stricken Chinese. And certainly this is a very noble and timely motion for a most worthy cause, wherefore we request and kindly urge for a good attendance that evening. What a grand thing it is to think that our dear people are so spirited as to remember our brethren in distress across the still waters of the Pacific. God's choicest blessings cannot but be the result of such kindheartedness, for He says: "Cast thy bread upon the waters: for thou shalt find it after many days." While it is true that even we sometimes meet with adverse conditions in life, it is also true that ours is the great privilege to be citizens in the land of plenty and every day God more than supplieth our needs. To Him be praise and glory forever!

Taking all things into consideration there can hardly be a comparison between us and our less fortunate brethren in certain sections of Europe and Asia. Think of the millions upon millions of poverty and famine stricken Chinese to say nothing of the appalling conditions in southern Europe. May their cry for sustenance stir our hearts to action. It is a splendid way whereby to ring out the old and ring in the New Year. So please don't forget the New Year's wake and to give as the love of God prompts you to give. "God loveth a cheerful giver and let us not be weary in well doing: for in due season we shall reap, if we faint not."

A Happy and Prosperous New Year

In these closing days of 1920 we wish to express our sincere appreciation to our friends and customers for their valued patronage during the past year. We have earnestly strived to be of real assistance to the community we serve and it is gratifying to know that our circle of friends is constantly growing.

The burdens incident to the processes of reconstruction following the Great World War have been great for us all, but your splendid co-operation has enabled both yourselves and us to weather the storm thus far, and now we believe we can see the gleam of the light of better times.

We look forward to the New Year with a firm faith, not only in the future of Our Nation, but that also of our community, and welcome each day as another opportunity to increase this institution's usefulness and to broaden our scope of service to its patrons and friends.
