YOUNG MAN KILLED IN AUTO ACCIDENT

Sydney Rose, Aged 22 of Racine, Wis. Loses Life When Auto Turns over near Roan siding Monday A. M.

The auto pleasure tour of two young men from Racine, Wisconsin, came to a sad end Monday morning, when their auto, a new Dodge touring car, skidded and rolled over on road four miles south of Warren, near Roan siding, causing the death of one of the young men, Sydney G. Rose, who was at the wheel. At the end of the gravelled road two and one-half miles out they came onto the clay road which was slippery from the preceding night's rain. Noticing this, Marvin L. Lassen, the companion of Rose, remarked that the road appeared soft, whereupon the driver began to slow down his speed of about 30 miles an hour, when all of a sudden the car skidded and turned turtle, throwing Mr. Rose clear out of the car and then rolled onto him in the ditch, pinning his head and upper part of the body under the body of the car. Mr. Lassen, the other young man, was not injured at all and he crawled from his seat through the broken windshield and endeavored though in vain to lift the car so as to release his companion, who was groaning in his precarious position. Omer Thomas, Frank Kays and Mr. Heller, farmers of the vicinity had noticed the car turn turtle and hurried to the scene as quickly as possible. With their aid the car was lifted sufficiently to release Rose, but by this time his soul had passed on to that "undiscovered country, from whose borne our traveller returns." What up to this time had been a pleasure trip to the fine stalwart and manly young man, was changed to one of sighs and mourning for one of them because of the loss of his companion. With a sad heart Mr. Lassen, whose age is 21 years, returned to Warren with the lifeless body of his good friend, Sydney Rose, who was the only child of his parents, who are prominent and well-to-do people of Racine, and one can well imagine how shocked and saddened they must have been to learn of their son's untimely death.

The body of Rose was prepared for burial at Skalmans undertaking parlors and shipped to his home in Wisconsin on the evening flyer the same day the accident had occurred.

The two young men had started out last week on an auto trip through Wisconsin and Minnesota. They passed through Warren Saturday on their way to Winnipeg to see that city. Saturday night they stopped in a little French village this side of Winnipeg and motored into the city Sunday morning. They left Winnipeg about three o'clock Sunday afternoon and had supper at Argyle and then came on to Warren, where they arrived about ten o'clock and stopped over night at Hotel Warren. In the morning at 7:45 they resumed their journey, but did not get far until the sad accident happened. It was their intention to hasten back to Wisconsin and enjoy a few days hunting in the vicinity of Eagle River, before returning to their home at Racine. But human plans do not always succeed. The ill-fated car was owned by Lassen. It was quite badly damaged, one wheel being gone and the windshield and top broken, but it can be repaired.

STEPHEN PEOPLE IN AUTO ACCIDENT

An automobile trip to Warren last Saturday, taken with the intention of witnessing the Warren-Stephen football game, resulted disastrously for a party of local high school girls when the car in which they were riding left the grade and turned a complete somersault after striking the ditch. Occupants of the car were the Misses Mildred Nelson, Lenora Durand and Florence McMillan, and Mrs. Smith of the local school faculty, who was driving and to whom the car belonged. Miss McMillan was the only member of the party to escape without injuries, and of the others, Mildred's injuries are most serious. Following the accident she was immediately brot to the hospital at Warren, where an examination disclosed that she had sustained a dislocated shoulder, a broken collar bone and a broken arm near the shoulder, which will force her to remain at the hospital for several weeks. Mrs. Smith's bruises, while of a less serious nature prevented her from taking care of her school work this week, and Lenora also has been unable to attend her classes. The accident occurred about a mile north of Warren, and is attributed to a defective steering gear.—Stephen Messenger.

H. E. Harmon, who has spent several weeks here looking after farming interests, left Tuesday evening for Kansas City, Mo.

REPUBLICAN RALLY WARREN, OCTOBER 20

On Friday afternoon, Oct. 20, at two o'clock will be held a Republican rally in the opera house at Warren. The speakers will be Attorney General Clifford L. Hilton and Mrs. L. C. Weeks of Detroit. The women this year will play an important part in the politics of the nation and they are urged specially to come and hear what Mrs. Weeks has to say on the important issues of the day. Mrs. Weeks is a very able and prominent woman and a good speaker.

LOCAL BOY TAKES NATIONAL HONORS

Northwestern Minnesota can proudly boast of having one of the best junior dairy judges in the United States. This splendid distinction comes to us thru the work of Arthur Wiegert, a student in the Warren High School. Arthur won the county contest at the Marshall County fair. He represented this county at the State fair, winning second place competing with 73 other county winners. This good showing entitled him to represent the North Star State at the National Dairy Show. The Minnesota team had real competition at the National, Connecticut, Indiana, Iowa, Kansas, Maryland, Michigan, Nebraska, North Dakota, Ohio, South Dakota and Washington had strong teams to represent them. While the Minnesota team did not finish first the individual judging shows that the Marshall County representative did his part in that direction. When the points were figured up for the best judging of the various breeds it was found that Arthur had won first place in judging Guernseys. This justly entitles him to lay claim to the distinction of being the best junior Guernsey judge in the United States. With a younger generation of Arthur's training and good qualities, coming on to operate the farms of Marshall county no one need view the future with apprehension.

FINE TALENT BOOKED ON LYCEUM COURSE

Brooks Fletcher, Opens Course With a Lecture on Return Engagement. Five Entertainments Offered

As announced last week, the Lyceum course consists of five numbers. The course was selected by representatives from different organizations in the city. These are perhaps rather discouraging days, but, nevertheless, the best thing in the community must be kept alive. Hence a committee again asks the support of the citizens "to put across" successfully this year's course.

Mr. Vawter in writing the committee states that the bureau had used every endeavor to engage nothing but high grade and exemplary people eminently fitted for their respective tasks.

Brooks Fletcher opens the course with a lecture November 1. He has the greatest return date record of any man in the lyceum. If you have a boy or a girl you cannot afford to have them miss hearing Fletcher. You will be inspired hearing his message.

The National Male Quartet is the male quartet supreme of the lyceum. Last year they filled the longest season of any attraction booked by Redpath. If you have never heard the Nationals you have a new thrill coming in quartet programs.

The Cambrea Concert Party is a mixed quartet and accompanist that give a program of vocal music featuring Grand Opera, Sacred Classics, and the better type of the recent popular concert numbers. It is the ideal mixed quartet you have wanted to hear.

Eugene Knox is the entertainer. In his impersonation he uses neither wig nor make-up. He is one of the platform's most delightful and successful entertainers.

The Harp Ensemble Company are something entirely new in program building. Think of the possibilities presented by three harps, a cello and violin. A treat is in store for you. Be generous and bring your family and friends along.

The committee who has signed up for this course are C. E. Sjostrand, C. R. Snyder, C. F. Pihlstrom, G. Holmquist and M. F. Pihlstrom. Adult season tickets will be sold for \$2.50; children, students and nurses \$1.00. Single admission 75c. During the week beginning Monday, October 23, committee will wait upon you. Meet them cheerfully and generously. Let us make the course a financial success.

A drunken Congressman once said to Abraham Lincoln, "I am a self-made man." "Then, sir," replied Honest Abe, "that relieves the Lord of an awful responsibility."

Born to Mr. and Mrs. J. R. Naeseth on Monday, Oct. 16, a fine baby girl.

GOOD EXHIBITS SHOWN BY JUNIORS

Achievement Day of Boys' and Girls' Club Work Held Here Saturday

Despite a disagreeable day which threatened rain at any moment the juniors of western Marshall county had a good exhibit at their annual show at the local high school last Saturday.

The potato exhibit led in number. The exhibitors were highly commended by the judge for the potato knowledge they displayed in selecting their show stock.

Poultry exhibits came next. There were some fine specimens in the coops.

The garden exhibits were not as numerous as in former years due to the lateness of the season.

An exceptionally fine beef calf was shown.

Mr. T. M. McCall of the Crookston School acted as judge and gave the exhibitors a very fine and educational talk on how to select potato show stock. He placed the exhibits as follows:

Potatoes—First, Raymond Hanisch, Stephen; second, Curtis Hood, Stephen; third, George Sedlacek, Radium; fourth, Harry Bernard, Dist. No. 42; fifth, Herbert Pagnac, Stephen; sixth, Allen Grange, McCrea; seventh, Eugene McKay, Stephen.

Chickens—First, Harold Schele, Warren; second, Reuben Holmquist, Warren; third, Myrtle Iverson, Boxville; fourth, Wanda Cheney, Boxville; fifth, George Sedlacek, Radium. Turkeys—Murray Head, Warren, first.

Beef calf—First, Earnest Palmer, Warren. Garden—Harold Schele, Warren, first.

PETTY THIEF CAUGHT

One Joe Novotny, who had been employed on the farm of Andrew Ferencik, near the north line of Polk county south of Warren, was brought before Judge Hendricks on Monday charged with the stealing of a fur coat from Ferencik, and refused to plead, and was given a hearing on Wednesday and bound over to the action of the grand jury.

The Ferencik family was away from home on Sunday and Novotny hitched up a team and drove to Warren, leaving the team in the livery barn and taking the train, he said, for Iowa. Warren authorities phoned the local police that he had taken the train and Capt. Canute took him off the train here, and the coat was found in his trunk.—Crookston Press.

More Exhibits Added To Sheaf Display

Some very fine specimens have been added to the exhibit of Marshall county products at the Sheaf office during the past week. Many of the articles shown are of exceptionally high quality and would take high rank at the state fair.

Citron melons seemed to have attained unusual growth this year and some very fine ones are shown. The largest weighs nearly 28 pounds and was raised by Isabelle McMillan of Viking. Mrs. Joe Bengtson, of Viking, is showing one weighing 20 pounds.

Three fine home grown apples have also been added to the exhibit. These apples were raised by A. Elden near Alvarado. What's the use of paying high prices for apples when we can pick them from the trees at home. A few trees with proper care will supply all the fruit the average home can use. Let's have more fruit trees in Marshall county.

Two fine bouquets of beautiful asters grown in the Hotel Warren gardens have added to the attractiveness of the exhibit.

Carrots have grown to remarkable size in this vicinity this year. Gust Lindstrand brought in one that weighed 3 1/2 pounds and measured 17 inches around. P. O. Erickson brought in two lengthy carrots, one of them being nearly 12 inches long.

An Irish Cobble potato weighing 2 1/2 pounds was raised by C. A. Johnson of Viking.

A beet weighing 12 1/2 pounds was raised by Wendell Erickson, of Warren, who is 12 years old.

P. E. Peterson, of Viking, has raised a fine golden squash which weighs 28 1/2 pounds.

FARMERS

Please remember the Sugar Beet meeting on Thursday evening, Oct. 19, at the High School Auditorium. Rev. Deschenes of Fisher, will tell all about raising sugar beets. Let us all go to the meeting and sweeten up.

Local Eleven to Play East Grand Forks

On Thursday afternoon of this week the local high school football eleven will travel to East-Grand Forks for a game with the high school eleven of that place. East Grand Forks has the strongest team in the northern part of the state. Last Saturday they defeated Stephen by a score of 58 to 0 on the Stephen gridiron. It is thought that East Grand Forks will have a chance to fight for the state championship this year. The local boys will go to the Forks tomorrow to try and take the honors away from that city.

Thief River Falls defeated Crookston on the formers gridiron last Friday afternoon 20 to 0. Minnesota University football eleven defeated the Indiana gridiron warriors last Saturday by a score of 20 to 0. Saturday of this week they will meet Northwestern.

MANY REQUESTS RECEIVED FOR CITY PARK GERANIUMS

The geraniums in the city park did not last long after the announcement that they would be distributed free appeared in the Sheaf last week. C. R. Snyder, park superintendent and A. E. Hirst, caretaker, were kept busy looking after the distribution of the plants. The requests for plants were so numerous, however, that the supply in the city park flower beds were soon exhausted. One request came by mail from an ardent lover of flowers at Viking after the city park supply was taken which Mr. Snyder filled by selecting some fine geraniums from his own garden.

Many homes will be brighter through the long winter months by this distribution of flowers.

FARM CLUB MEETINGS

The Boxville Farmers Club will meet Friday evening, Oct. 20th. A good program is under preparation with Hon. Judge A. Grindelund as speaker for the evening. The club members are requested to bring a small quantity of home-made candy along to be sold to help defray incidental expenses incurred by the window booth decorating committee.

JUDGE C. R. MAGNEY

Principal Speaker at the Fifteenth Anniversary of North Star College October 24, 1922.

Judge C. R. Magney, former Mayor of Duluth, now Judge of the District Court of the 11 Judicial District of the State of Minnesota, is no stranger to the people of Minnesota. His work and achievements have been marked in the history of the city of Duluth and his popularity has spread over the entire state.

Judge Magney will deliver the principal address at the fifteenth anniversary program of North Star College on Tuesday, October 24. The authorities of the school are to be congratulated upon securing this man as their speaker.

Judge Magney will appear on the evening program. This program will begin promptly at 7:30.

BIG MARKET DAYS NOVEMBER 3 AND 4

Warren Merchants Will Make This Annual Fall Event The Biggest Ever

The annual fall Market Days in Warren will be held Friday and Saturday, Nov. 3 and 4. An auctioneer will be provided by the city and everything brought in by the farmers will be sold free of charge. All the merchants of the city will also stock their stores with real money saving bargains to be offered to the public on these days.

LUTHER LEAGUE MEETING AT ARGYLE

At the Luther League Convention of the Crookston circuit of the Norwegian Lutheran church of America, held at Argyle Oct. 7 and 8, the following officers were elected for the ensuing year:

President—A. C. Pederson, Argyle.
Vice President—Rev. A. T. Tollefs, of Warren.
Treasurer—I. N. Lodoen, of Alvarado.
Secretary—Miss Anne Morken of Crookston.

GIRL IS KILLED IN AUTO ACCIDENT

Miss Anice Hultgren, a stenographer in the office of Miller & Foote, of Crookston, was killed in an auto accident a mile south of Mentor on Monday evening. The car, which she was driving, evidently skidded and upset, killing her instantly. With her in the car was Elmer Uggren of Crookston whom she was taking to Erskine to catch a train, but he was only slightly injured. Miss Hultgren was 20 years old and her home was at Mallory.

ROSEAU CO. CITIZEN DIES AT 101 YEARS

Ulrik Christian Larson died at his home near Wannaska, Oct. 5, at the age of 101 years. He was born in Maala, East Lofoten, on the north coast of Norway, in 1821. He came to America in 1865, and has resided in Illinois, Nebraska, and during the past two years in Roseau county, Minnesota. Mr. Larson was twice married, two children being born to his first wife and five to his second wife, and he is mourned also by twenty-two grand children and four great grand children.

PROMINENT EUCLID WOMAN DIES

Mrs. James Burns, of Euclid, died at the home of her parents in Crookston at the age of 30 years. She was a talented newspaper woman, having worked on local papers and the St. Paul Dispatch and lately contributed the Euclid items for the Crookston Press. She is survived by her husband and one daughter, also many relatives.

40th ANNIVERSARY OF TARALSETH STORE

Throngs of Customers Visit the Store During the Three Days' Celebration. Mrs. K. J. Taralseth, Widow of Founder, Cut Big Birthday Cake.

The fortieth anniversary of the founding and opening of the K. J. Taralseth Co. store in this city was observed last Thursday, Friday and Saturday and attracted large crowds to town, especially on Saturday, which was the big day. Many customers from near and far, many of whom had commenced trading at the store when the founder, K. J. Taralseth, started the store in a small frame building way back in 1882 and are customers still, came to congratulate the present manager upon the success of the splendid business enterprise. Upon the death of K. J. Taralseth in 1905, his son, R. B. Taralseth, became the manager of the store. He inherited all his father's business sagacity and industry and under his management the business has very greatly increased. But it has not always been smooth sailing for the big store. In 1910 the store building burned, resulting in great loss, but the following year the present handsome building was erected. The business of a merchant as well as a farmer will not run itself, but requires constant care, forethought and economy in management. The ups and downs of the farmers of this valley have been felt by this store as well as by all business enterprises. Through adversity as well as prosperity, however, the K. J. Taralseth Co. store has endeavored at all times to serve, and serve well, the people of this section.

One feature of the 40th anniversary celebration was the cutting of a big birthday cake on Saturday afternoon and the honor to cut this cake was very properly given to Mrs. K. J. Taralseth, the widow of the founder, a very fine old lady, who is still hale and hearty and lives in the city. Together with the cake was served also a delicious cup of coffee to everybody who called at the store. It was a large and good natured crowd that thronged the big store that afternoon and everybody seemed pleased and in a mood to forget their troubles, if they had any. The store looked its very best and the numerous bargains that had been provided for the anniversary sale were picked up by eager customers.

Business enterprises that are started in a town do not always live as long as forty years. They come and go as do the people of the town. Many business establishments that were started in Warren and flourished for a time are here no more. The Taralseth store is still owned and conducted by the same family that established it forty years ago. The people of this city and vicinity congratulate R. B. Taralseth and hope he may live to conduct the century anniversary sale and celebration sixty years hence.

BOXVILLE AWARDED FIRST PRIZE

The judging of window displays of farm products entered in the exhibit contest staged by K. J. Taralseth Co. took place Saturday in connection with the 40th anniversary celebration of the store. The judges in the contest were A. D. Collette, instructor in agriculture at the Warren High School, I. M. McCall, from the Northwest School of Agriculture, Crookston, and C. E. Stinchfield of Warren. Three farm clubs had entered the contest, each being given a window in the store for making its display. These exhibits were the admiration of all who saw them last week. The judges awarded the first prize, \$25 in merchandise, to the Boxville Farmers Club; the second prize \$10 in merchandise was awarded to the Radium Farmers Club; and the third prize, \$5 in merchandise, to the Roan club. Some exhibits were more complete and better arranged than others, but all were good and the members of the respective clubs deserve to be complimented for their interest and good work.

The Taralseth store proposes to make the contest an annual affair after this and next year many more clubs will want to show what they can accomplish in this line.

NEW PASTOR'S FAMILY ARRIVES IN CITY

The family of Rev. B. E. Williams, the new pastor of the M. E. Church of this city, arrived last week and are now settled in the parsonage. Their daughter, Miss Margaret Williams, is a teacher in the Warren schools, and she has now the privilege to live at home. Rev. Williams comes here from Perham, Minn. The people of this city and vicinity heartily welcome him and his family and hope that their stay here may be mutually pleasant and result in much good.
