# IMPORTANT SALE OF MUSLIN UNDERWEAR!

MONDAY AND TUESDAY, MARCH 31 and APRIL 1.

## 50 Cents ONLY!

200 CHEMESES at 50c, worth 85c to \$1.  
200 DRAWERS at 50c, worth 75c to \$1.  
100 NIGHT DRESSES at \$1, worth \$1.50 to \$2.

The above line is much superior to the one we offered at our January sale, and is not to be compared with anything ever sold in this city.

50 Fine Cambric CHEMESES, at \$1, well worth \$2.

CHEMESES, DRAWERS and NIGHT DRESSES for Children, from 25 cents upwards. You cannot buy the material for the price we offer them.

White Cambric and Marseilles DRESSES for Children, ages from 2 to 14 years, ranging in price from 39 cents up to \$10. In this line we positively show the largest and best stock ever brought to the city, and our special price for Monday and Tuesday will cause you to wonder how it is possible to make them for the figure we will offer them.

## MERINO Gossamer Underwear, FOR LADIES.

On Monday and Tuesday, we also offer 50 dozen of a superfine quality of Summer Underwear, at 50c and 75c that were never before sold for less than 75c to \$1.25. Although it is a little too early for them, at these prices it will pay you to buy them a week or two ahead, as you will soon need them.

## LADIES' AND CHILDREN'S SUITS,

Are a specialty with us this season. We offer for Next Week, 25 Black Silk Suits for Ladies, from \$20 to \$50. The price will hardly cover the cost of material. The Suit line is a new branch of trade in this city, and to introduce it more generally we offer all our Suits for this week at manufacturer's cost, and guarantee better fit and better style than any dressmaker in this city can produce, positively. The suit trade in New York, Boston, Philadelphia, Chicago, and all other large cities, is the main feature of the Dry Goods trade. No lady thinks of paying a dressmaker from \$15 to \$30 for the making of a Dress. We will sell you a Suit for \$25, that will cost you from \$35 to \$40 to get made to order, and in better style and finish. We invite the attention of the Ladies to this line and can convince them that our claims are well founded.

Furnishing Goods,  
Hats and Caps,  
Shirt Waists!

Every available space, both in the basement and on the main floor of our immense store, is filled to overflowing with goods selected by our Mr. Jos. McKEY, in person. Their styles were never as handsome and the prices never lower.

We have obtained perfection in fit and improvements on every hand, so that now a customer may be clothed from head to foot in the highest style of the art, and in thirty minutes leave our store looking like a new man.

We are CATERERS FOR THE CONFIDENCE OF THE COMMUNITY, and respect that confidence by giving our patrons in exchange for their money garments of sterling worth, that after long wearing prove their superiority over inferior goods with which the west is deluged.

We keep all the best makes in HATS & CAPS; this with our Furnishing Goods are two of the most important Departments of our business, and we make prices about 25 per cent. below exclusive dealers in these lines.
