BROOKLYN'S GREAT CHEMISTS.

"This is to certify that I have made a careful analysis of Dr. Price's Cream Baking Powder and also of the Royal Baking Powder." "I find that Dr. Price's Powder is made of pure materials and mixed in the best chemical proportions for the object to be attained."

"It contains no Carbonate of Ammonia, but one-half as much starch as the Royal Baking Powder, evolves more carbonic acid gas, both by analysis and by a practical test in the preparation and baking of biscuits, makes a lighter, better flavored, and, in my opinion, more wholesome article of food."

"I regard the Price Baking Powder as superior to the Royal Baking Powder for the following reasons: 1. It contains no Ammonia, a substance which is not advisable in articles of food and unnecessary, if it is not positively injurious."

2. It contains less starch and, therefore weight for weight, contains more of the active ingredients and is a purer article. 3. It evolves more carbonic acid gas and therefore more efficient as shown by analysis and by experiment with a weighed quantity of biscuit dough."

4. The ingredients are mixed in better proportions, so that there is less free alkaline carbonate remaining in the dough to impair digestion by neutralizing the gastric juice. 5. It gives a lighter and better flavored dough, owing to the facts stated in Nos. 3 and 4 above."

"I know of no respect in which Dr. Price's Cream Baking Powder is inferior to the Royal Baking Powder." I am very respectfully yours, ELIAS H. BARTLEY, B. S., M. D., Chemist to the Dept. of Health, City of Brooklyn. Lecturer on Physiological and Practical Chemistry in the Long Island College Hospital, Medical College.

Sheriff Henry Baiscott of Morrison county delivered Hugh McKenzie to Warden Reed of the Stillwater penitentiary yesterday to serve a three years sentence for larceny.

The daughter of Edwin P. Hilton, aged four months, died yesterday afternoon at the residence of Mrs. J. E. Stevens, aged six and the death of the child seriously affects her. Chief of Police Clark has in his possession a silver watch, open face, key winder, and Elgin movement. It was taken from Tom Carroll, a thief, and is at city hall awaiting a claimer.

Judge Nelson has made a decision overruling the demurrer to the indictment against H. L. Gordon, et al., for conspiracy to defraud the government, and holding the indictment good. Capt. Bressette put Wm. Moran in the cooler again yesterday afternoon, feeling that it was better to know where the sneak thief was located for the night for the public peace and safety.

Wm. Stanton, the partner of Winston, who was arrested Sunday morning for robbing a lady on the cars, was arrested yesterday. He went out to the hospital to see his partner, Winston, and while there the hospital people telephoned for an officer and he went out and took him into custody, and Winston, for keeping a woman in a house and placed in the county jail.

Marriage of Miss Ella Dr. E. D. Nell went in marriage Frederick Ayer, of Lowell, Mass., and Miss Ellen Barrows Banning, eldest daughter of Hon. W. L. and Mrs. Banning, of this city. The marriage took place at the residence of the bride's parents, on the corner of Wilkin and McLeod streets and was a private wedding, being attended only by a very few personal friends outside of the immediate family relatives. Among those present were Gen. and Mrs. Banning, of California, brother of W. L. Banning, James, Charles and Miss Ellen Ayer, of Lowell, Mass., and sister of the groom, Mrs. and Mrs. Banning, of Philadelphia, and Mrs. Ignatius Donnelly and wife, of Xininger.

The bride was attired in a magnificent robe of embroidered cream satin, with diamond ornaments on her hair and the conventional and well known and most highly esteemed young ladies of St. Paul, and her removal to an eastern home is a serious loss to society here. Mr. Ayer is a brother of the late Dr. J. C. Ayer, whose great success as the manufacturer of proprietary medicine made his name a household word throughout the civilized world. Frederick Ayer was a partner of Dr. J. C. Ayer, and since the latter's death has become the head of the great business of the firm, and has made millions. The bride party left for the east last evening, and will return from New York for Europe on the 19th, accompanied by the Bannings, and Miss Barrows, who will occupy the elegant Ayer mansion at Lowell, which is one of the finest in New England. The presents to the bride were both numerous and superb, and mark the warm affection which accompany her in her new life and home.
