

THE CITY.

CITY GLOBULES.

The police court has had 372 cases thus far this month. Last evening the St. Paul Macueroche gave Mr. Henry Luhrsner, who has recently been married, a very pleasant serenade.

Chas. A. Geisbosh, a well known citizen, was to have been examined for insanity at the probate court yesterday, but gave the sheriff the slip.

The beautiful decorations in honor of the G. A. R., at the Metropolitan hotel, excite universal admiration. The hotel is as gayly bedecked as a bride.

A. J. Wampler's horse started to run away on Jackson street yesterday afternoon, but was collared, just in time to prevent excitement and perhaps damage, by Officer Call.

The assignment of Samuel B. Larpenier, dealer in tobacco and liquors, 175 East Seventh street, to F. C. Abbott, was filed in the office of the clerk of the district court yesterday.

It is claimed that if Byer & Lux, the contractors, cannot have the Prescott bluff to fill in the Dakota avenue highway improvement with which they will lose \$10,000 if the city holds them to the contract.

James Brennan, the liverman, has the officers looking for a black horse and piano buggy, which one James Roach hired for two hours Monday evening and which will be the lessee is missing.

By order of Gov. Hubbard the state capitol was closed to the public yesterday as it will also be today. No one is to be found in the departments but an occasional busy clerk who is behind time with his writing.

The local board of the civil service commission will meet at the United States custom house building at 11 o'clock this morning to examine applicants for positions in the pension office at Washington.

Charles Schief, held by the municipal court to the grand jury for the crime of larceny in Rose township, was admitted to \$500 bail in the district court yesterday, his sureties being L. W. Hallen and August Schief.

Mr. Jacob Danz, on Saturday night last, while going home from the Rice park concert, lost the mouth-piece to his instrument, and would be very glad indeed, to recover it. The finder will confer a great favor by returning it to him.

Burglars tried to gain entrance to a West Third street tailor shop, by removing a pane of glass, on Monday night, also to a dwelling in Farmington block on the same street, by prying up a window sash. In both instances the evidence was that they became scared and took to flight.

Gustave Fontaine, a drunk and disorderly Frenchman, got so badly out of his wits as to interfere with the progress of the work being done by a party of laborers at Post siding late yesterday afternoon and the patrol wagon being telephoned he was given into the custody of the police.

The concert to-night under the direction of Will Dorgan, at the Hotel Chateaugay, White Bear lake, promises to be very enjoyable. Mr. James H. Long, from New York, will give the ever popular and famous recitation, "Shammas O'Brien." The excellent programme merits a large attendance.

Secretary Hart, of the state board of corrections and charities, is steadily prepared at his rooms in the capital in preparing statistics of the several Minnesota charitable and reformitory institutions, to cover a period of from fifteen to twenty years, for a report to the next meeting of the board, to be held in this city Tuesday, August 5.

Peter O'Dell, who carried his friend Frank Carter in a recent saloon row, the thing happening so quick that Frank couldn't tell who did it, at the hearing in the municipal court, although his wounds were severe enough to send him to the hospital for several days, has made entirely up with Carter, and the two rode up to Minneapolis in company yesterday. There's where the police hope they will both stay.

As J. W. Roche, city comptroller, and Otto Dreher, of the firm of Walter & Dreher, were in the act of turning round in a carriage in front of the city hall yesterday morning, by the displacement of the lines the horse wheeled so short about that the vehicle was completely capsized and the occupants spilled to the road bed, but very happily without injury.

Blanks for proposals to furnish the insane hospitals at St. Peter and Rochester, the state capitol, the deaf, dumb and blind asylum at Faribault, the reform school at St. Paul, and the state university at Minneapolis with coal for the year, will be sent to the several coal dealers in the state from the state auditor's department this week. The bids will be returnable to the state auditor August 15, next.

Parties in search of a piano and fine furniture would do well to attend the auction sale at the residence No. 306 Sherman street, at 10 o'clock this morning.

HAY-FEVER. One and one-half bottles of Ely's Cream Balm entirely cured me of Hay-Fever of ten years' standing. Have had no trace of it for two years.—ALBERT A. PENNY, Smithboro, N. Y. Price 50 cents.

HAY-FEVER. I was severely afflicted with Hay-Fever for 25 years. I tried Ely's Cream Balm, and the effect was marvellous. It is a perfect cure.—DR. T. C. BOSTON, Presbyterian pastor, Elizabeth, N. J. Price 50 cents.

Parties in search of a piano and fine furniture would do well to attend the auction sale at the residence No. 306 Sherman street, at 10 o'clock this morning.

The Prescott of trespass trial develops the fact that no plot of the old St. Paul & Owatonna highway through the Prescott property has ever been filed as required by law and that Prescott has been in possession of the premises he claims to have been invaded by the city for twenty years. The hearing will probably come to a close to-day and the case be submitted to Judge Simons for decision.

Mr. T. H. Wheeler, druggist, Binghampton, N. Y., says he has sold a large quantity of St. Jacobs Oil, the great German Remedy, and thinks it is the best cure for rheumatism he has ever sold. 50 cents a bottle.

Pistol Amusement.

Thomas Jackson, who resides in one of the one hundred and odd little houses in the Duluth settlement on the river bank under Dayton's bluff and near the North Star brewery, got on a booze last evening and with a little Derringer revolver commenced shooting through a thin partition at a neighbor residing in the other part of the house. For this very harmless amusement he was arrested by an officer and taken to the city hall and locked up for the night.

A Boy Drowned.

A seven year old son of Henry Slaughter, of 343 Eagle street, while playing on a barge filled with water in the river at the foot of that street, between three and four o'clock yesterday afternoon fell from the deck of the same into one of the chains of the cable of the

DRIVEN TO FRENZY.

The Royal Baking Powder Company are driven to frenzy in their efforts to extricate themselves from the charge made by the chemists of the nation against the fitness, the safety, and the cleanliness of the Powerful Drug AMMONIA in their powder.

Ridicule and abuse, bombastic statements, extravagant assertions, crying dirt and lime will not answer. Though they paint it an inch thick, to this complexion will it come at last, "if an evil drug" is the secret of the preparation so painted.

Dr. Charles A. Pauly, a well-known physician of Cincinnati, said to a reporter of the Commercial Gazette: "Ammonia is a drug of great and sometimes dangerous power." "Its use in the subsistence of mankind, in any of its forms, is dangerous and improper." The Royal Baking Powder contains Ammonia, and its manufacturers DARE NOT DENY IT.

For the purity, wholesomeness, and freedom from lime and Ammonia of

DR. PRICE'S CREAM BAKING POWDER, and the impurity and Ammonia in the Royal Baking Powder, we refer to the following chemists and physicians of the highest national recognition and authority:

- Prof. R. Ogden, Doremus, M. D., LL. D., College of the City of New York. Prof. H. C. White, State Chemist, University of Georgia, Athens, Ga. Prof. R. C. Kedzie, Michigan State College, Lansing, Mich. Prof. H. M. Scheffer, St. Louis, Mo. Prof. Charles S. Boynton, Brandon, Vt. Prof. Charles E. Dwight, Wheeling, W. Va. Prof. James F. PROTECTION.

Every housewife can try the "Royal" or any brand of Baking Powder, by placing the can, top down, on a hot stove till heated. Remove the cover, and if there, she will smell AMMONIA—HARTSHORN. After which she can change it for Price's, that has nothing base in it.

river and was drowned, and up to a late hour last night the body had not been recovered. A small boy who was in the vicinity is confident the lad fell through the hatchway into the barge, and the lad's hat was found near the same, but a search by the father did not discover the body inside the barge.

Official: EDWARD SIMONS, Post Commander.

LOCAL MENTION. If the testimony of thousands of the best housekeepers in the land is to be believed, there are not any favoring extracts in the market worth half so much as Dr. Price's Special Flavorings. They need no recommendations from us. Let Dr. Price's Vanilla, Lemon, or Nectarine Flavors once be used, and they will always be used.

TO WHOM IT MAY CONCERN.—Gentlemen: Under the law giving heirs the right to restrict a parent from squandering property in a foolish manner, while his parent is under a guardian, where the guardian allows said minor to contract such debts and pay the same; for instance, in the case of Jos. Ford, Sr., insane, guardian of the person of J. C. Ford, Jr., as one of the lawful heirs, ignore, and will not allow to be paid, any debts contracted by said Jos. Ford; and the parties who may do business with said Jos. Ford must do it at their own peril, unless he pay cash on purchase. Furthermore, I will make the guardian responsible for all debts paid by him, anywhere within the State of Minnesota, after the 23rd day of July, 1884, unless said debts be remitted, and so shown. (Signed) E. B. FORD, Northfield, July 20, 1884.

Sealed proposals "marked proposals for fuel" will be received at this office until Tuesday, the 5th day of August, A. D., 1884, at 3 o'clock p. m.

For furnishing the City with Coal and Wood in such amounts and at such times during the ensuing year as may be ordered by the Chairman of the Committee on Public Buildings of the Common Council.

Proposals must state the price per ton for the different qualities and sizes of coal, and the price per cord for dry maple wood.

A bond in the sum of \$200.00 must accompany each proposal.

The Common Council reserves the right to reject any or all bids.
