New York, March 14.—One of the princi-James G. Blaine and her son, Walker Blaine. pal topics among the politicians in this city is the superabundance of employes in every department at Washington. Ex-Senator Henry G. Davis of West Virginia, who has just come from the capital, says that Secre tary Bayard complains of having more help in the state department than is needed and that Secretary Manning has found enough and the departments were not more crowded men in the treasury department to do all the than usual to-day. During the whole day work on two-thirds time and spend the rest | not more than a dozen members of congress fishing. Secretary Whitney's department has had a short busy spell owing to the resumption of work in the navy yards, conse quent on the renewal of operations. The exhaustion of the naval fund had caused a large number of men

TO BE TURNED OFF, but after this spurt is over he expects to have know whether to look upon the policy of reducmen falling over each other. Mr. Manning tion in the departments as favorable to their has begun his work by quietly sending word plans or not. Some who think they can see here to lop off six special agents and eighteen or twenty men who have been detailed on various special matters. The fact is that a quarter of a century's growth of barnacles and sinecures is fastened on the bottom of the ship of state. It is not surprising that this growth should have taken place at the beginning of a period immediately FOLLOWING THE WAR.

The departments have never in fact been reduced to a peace footing. Some little effort was at first made in that direction, but the tendency of things was not only to find they became reassured and a general feeling new work for any of the old war attaches. whose occupation was ruined by peace, but however, they realize that danger threatens to find new places for the growing generation of political workers.

Senator Plumb of Kansas said to-day that rules. Reduction for economic purposes he had no doubt the Democrats could apply the pruning knife to advantage in directions | to be where the Republicans lacked the courage to

JOHN J. KNOX. ex-comptroller of the treasury, was asked what he thought of Mr. Manning's statement that a third of the men in that department are useless, and he replied that he held a similar opinion. That the Republicans are wholly at sea about the new administration is notice able in all their talk. One of the shrewdest neighborhood will not be made with discrimobservers in this state, and probably the wit- ination. While this feeling of insecurity is tiest in expression of his thoughts, is Chan- not confined to the treasury department, cev M. Depew. He is vice-president of athe New York Central, Vanderbilt's main legal support, and could have had the United States senatorship instead of Mr. Evarts only for the asking, but he was held back by VANDERBILT'S WISHES.

He said to-day: "The new administration will play goody-goody until after the guberand disbursing officer. He rose from the natorial election in New York this fall. It will hold the promise of office under the noses of anxious Democrats like a piece of toasted cheese. It will say to them that they must keep very quiet until the Mugwamp votes are all corralled for governor and the state and national government assured to the Democracy for three years, after which they will all be taken in and warmed. There is nothing like the anticipation of a square meal to spur a hungry man to exertion. Tilden always understood that. Within six weeks after the gubernatorial election every last office that can be made vacant by any possible excuse will be filled by a Demo-

Increase for last week 5,694 A Meeting of Railway Managers

PITTSBURG, Pa., March 14-A special to look after the distribution of army post meeting was held at Superintendent Thomas' office of the Pittsburg, Ft. Wayne & Chicago places would along with all others be promptly railway, on Pennsylvania avenue, this morning. The meeting was attended by the ascertained that army traders or sutlers are managing officers of the Pennsylvania railroad, the Pittsburg, Cincinnati & St. Louis railroad, and the Pittsburg. Ft. Wayne & Chicago railroad. The special object of the meeting was to hear expressions of opinions of different officials in regard to changing the running schedule of through trains from New York to Cincinnati, St. Louis and other terminal points on the roads represented. It is proposed to still further reduce the running time on fast through trains including the limited expresses, that now leave New York at 9 o'clock in the morning and Chicago at 5 o'clock in the evening. No decision was arrived at, but final action was deferred until the national meeting of the general ticket agents, which is to be held in St. Louis on April 8.

The Pennsylvania's Scheme It is now supposed that the Pennsylvania line has over 100,000 prepaid immigration orders throughout the country for redemption. These are held mostly by parties who and June, and when they pour in at the rate of 2,000 and 3,000 a day at Castle Garden, it dle them and will have to ask assistance the retort. The cremation from some of the other trunk lines. But has within the past few weeks been making extensive preparations in the way of emigrant coaches, and what it lacks itself they can secure from other branch and connecting lines. With a sufficient number of coaches it can run four and five trains a day from this afternoon, and will assume the duties of New York for Chicago without delay, more the office on Monday morning. and mail trains. Shortly after the Pennsylvania adopted the \$1 rate it felt that it had committed a rash act, but now it takes diffierent view and has a though of deriving a benefit from its proceedings. When the season's emigration business is over the other Eastern trunk lines will want to arrange a pool and ask the Pennsylvania The latter can ask them what per cent of the passengers out of New York they carried, and, as the Pennsylvania will have carried about half of the total number, they will want a percentage in accordance. Of course the other roads will object to this, and the result will be that, if a pool is formed, the Pennsylvania will dictate terms.

Instructing in a Car.

A step which will prevent much annovance president to order the stoppage of mails for a | in delay of trains, and which will be of much benefit to employes, has been taken by the the Milwaukee road in fitting up a car to instruct employes in the working of . the Westinghouse brake. The car was completed Friday, with the brake appliances in the interior, under the instruction of General Superintendant Clark. It is at the Union depot at Milwaukee, and will be held there a sufficient length of time for all train employes ou divisions terminating at Milwaurollment, although it was agreed to by both see to visit it and become perfectly familiar. and instructed in every detail regarding air-In the sundry civil appropriation bill an brakes and their workings. The car used item appropriating \$5,500 for telegraph poles for the purpose is an ordinary coach with the lettering "Air Brake Instruction Car," on either side. Joseph Kershaw, superintendent of air-brakes for the Milwaukee & St. Paul is in charge of the car. It is the company's purpose to have every employe who has anything to do with the handling of sure, safe and speedy cuer for cuts, brakes visit the car and take a course of inbruises, scalds, burns, wounds, and all other sores. Will positively cure piles, tetter and all skin eruptions. Try this wonstruction under Mr. Kershaw. As soon as all the employes on the divisions terminating at Milwaukee have been sufficiently informed the car will be brought west to other terminal points, and engineers, brakemen and carsmiths will be required to attend school Mr. Kershaw is satisfied that the pupils understand the brake thoroughly.

In New York.

by a malady little resembling pneumonia save in the rapidity of its fatal work. I allude to Miss Ruth Baylies, a beautiful young

girl, who has been among the gayest of this season's belies, and who died a few days [L.s.] since of malignant pustule. Miss Baylies was a cousin of the Living-

stone girls, one of whom married the English swell Bentinck and the other the son of D. O. Mills of California. Under the chapIn the matter of the estate of Charles S. Hunt, deeronage of these ladies, Miss Baylies has been seen at most of the fashionable entertainments of the past gay season. Cards were out for a grand ball to be given by Mrs. Baylies for ber daughter, and were only withdrawn a few days before the latter's death in consequence of her apparent indisposition, which, while declared slight and transitory by the physician, was sufficient to alarm the watchful parents. Three days before her death Miss Baylies danced far the night, and on retiring for the first time noticed a small red spot on her lip, or just above it. The following day she appeared feverish, but from no apparent cause, and even up to the night before her death was not confined to her room. The evening preceding the fatal termination of this terrible disease, however, her face began to swell, and all the symptoms of intense inflam-

mation presented themselves. A consultation of physicians was at once called and everything possible done for the beautiful young creature. She died in the most frightful agony, and so absolutely sudden and unexpected was her demise that many of her old friends first heard of it on big blockade of freight on the Omaha line asking for the lady at the door of the house

The Secretary of the Treasury Has Ordered Two War Vessels to Central America.

The Anglo-Russlan War Cloud Still Lin gers in the Eastern Skies.

Still There's a War Cloud. LONDON, March 14.-The arrangement with Russia is denounced by the Conservatives. The liberal press admit the arrangement a visible surrender to Russia of the frontier demanded. Preparations for war, however, continue on the most extensive ca e. An enormous transport fleet is collecting in the Thames, at Portsmouth and Plymouth. The size of the fleet far exceeds any possible needs of the Soudan campaign. The Woolwich arsenal workshops are hurried by the erection of temporary structures and the workmen of the arsenal are on double time. The British commission on the Afghan frontier line again changed its camp and has fixed it at Zurabut, on the Persian side of the Herri road. Sir Peter's present position is in the rear of the Rission advance outposts. As Russia claims these outposts are inside the boundary line claimed by Russia, his position was made the subject of official representation to the British government. Barron de Staal has asked the British gov-ernment to order Lumsdens camp moved within the undisputed Afghan territory. The request was refused, and Sir Peter instructed to keep his present position and maintain from it communication with the Afghans at Robat pass. On the recommendation of the viceroy of India large grants were accorded from the Indian treasury to Abdurrahman, Amer of Afghanistan, for the purpose of completing the repair of the forts in his territory, and particularly those at Herat. These works of repair will be done under supervision of English engineers, and additional guns needed by the fortifications of Afghanistan are to be supplied from Woolwich,

Ordered to Central America. Washington, March 14.-The secretary of the navy to-day directed by telegraph, Commanders Wachusett and Shenandoah, of the North Atlantic squadron, now near New Orleans, to proceed at once to Central America. The commanders of three vessels of the squadron remaining near New Orleans, was directed to hold themselves in readiness to execute a similar order. Of the North Atlantic squadron three vessels, the Galena Powhatton and Swatara, are now in Central American waters. The entire squadron will be held subject to orders from Washington . These movements are understood to have direct reference to the endeavor of Gen. Barrios to make himself "supreme military chief of Central America."

What Barrios Has Stirred Up. CITY OF MEXICO, March 14.- The action of the Mexican government in condemning Gen. Barrios' pretensions is warmly commended by the newspapers of this city, almost all of them recommending, if it should be necessary to put Barrios down, that the Mexican army be sent to aid San Salvador and Nicaragua.

Bi-marck's Health. BERLIN, March 14 .- Bismarck is still subjected to attacks of rheumatism, and his sufferings from this source are greater than ever before. He has frequently been warned to take a rest, and the necessity of this has finally forced itself upon him. As soon as he is satisfied that a pacific settlement of the difficulty between Russia and England is assured, he will follow the advice of his physician and take a trip to Italy.

Looks Like Business,

PORTSMOUTH, March 14.—Orders were issued to have ten additional gunboats in readiness for actual service. The British consul in the Isle of Jersey asked the British officials to give him the names and addresses of all Frenchmen residing there liable to conscription. The officials declined.

GRATEFUL—COMFORTING

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency of disease. Hundreds of subtle maladies are floating around us ready to attack where

dies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."

In Probate Court.
In the matter of the estate of Lydia M. Emerson,

county; that on the thirty-first day of August. A. D. 1874, John M. Emerson was appointed by the Probate Court of said Ramsey county, administrator of the estate of said Lydia M. Emerson, deceased, and letters of administration upon said estate were thereafter, on the twelfth day of September, A. D. 1874, granted to him; that upon the fourteenth day of September, A. D. 1874, a pretended final decree purporting to assign said estate and discharge said administrator was made by said Probate Court: that said pretended final decree did not embrace nor include certain real estate in block sixty-nine (69) of Dayton and Iryine's Addition to St. Paul, which was owned

and Irvine's Addition to St. Paul, which was own

by said intestate at the time of her death, to which

said petitioner now claims title; that said John M. Emerson now is and for some time has been a non-

Emerson now is and for some time has been a non-resident of this state, and praying that said final de-cree may be set aside and that said Emerson be re-moved as said administrator and some suitable per-son be appointed in his stead.

It is ordered, that said petition be heard before the judge of this court, on the 31st day of March, A. D. 1885, at ten o'clock a. m. at the Probate office, in St. Paul, in said county.

Ordered further, that notice thereof be given to the heirs of said deceased by depositing in the postoffice.

Dated at St. Paul, Minn., the 4th day of March.

Attest: Frank Robert, Jr., Clerk, meh5-4w-thu Hemry B, Wenzell, Attorney for Petitioner.
