Second Announcement!

The rush at our store during our great 40 per cent. discount sale proved a grand success in reducing stock and inducing thousands to buy shoes at reduced prices. While we cannot continue this slaughter in prices it is our belief with largely increased sales and a trifle advance in price that a successful trade can be carried on. We therefore offer for the next 60 days any and all goods from an entire new spring stock, equal to 30 per cent. discount. All goods marked in plain figures. Everybody invited to call and inspect new goods and get prices.
