ST. PAUL, SUNDAY, SEPT. 20, 1896. THE WASHINGTON OFFICE OF THE GLOBE IS AT NO. 1125 B STREET, N.W.

DAILY WEATHER BULLETIN.

OFFICE OF CHIEF SIGNAL OFFICER, WASHINGTON, D. C., Sept. 19, 9. Observations taken at the same moment of time at all stations.

Table with columns for Stations, Wind, and Weather. Includes entries for St. Paul, La Crosse, and other locations.

THE HOME REPORT. Barometer, 30.09; thermometer, 63; humidity, 93; wind, southeast; weather, cloudy.

INDICATIONS. WASHINGTON, Sept. 20, 1 a. m.—For the upper lake region: Occasional light local rain.

THE PRICES. The opening quotations on the stock market yesterday were generally a shade higher than the close of the previous day.

NUB OF THE NEWS.

Cholera is increasing in Italy. Guatemala is in a state of siege. Austin has the breakdown fever. Robert Clifford is dead at Lake City.

THE SILVER DISCUSSION. There will be no subject presented to the incoming congress of more universal interest than the silver question.

entering a tenement in search of a stolen child without first being armed with a writ of habeas corpus, which takes hours, and sometimes days, in securing.

WOMEN OF THE WORLD. All the women of Paraguay chew tobacco. Perhaps there is no spruce gun in that country.

Marquis De Mores Acquired. BISMARCK, Dak., Sept. 19.—After the delivery of a very fair and impartial charge by Judge Francis, the case of Marquis De Mores, probably the most important murder trial before any court in the land at this time, was given to the jury.

JUMBO. Jumbo was 23 years old and eleven feet and a half high. When 3 years old he was sold by the managers of Le Jardin des Plantes in Paris to the managers of the Royal Zoological garden in London.

Gas Well Discovered. Special to the Globe. FARGO, Dak., Sept. 19.—Much interest was taken to-day in reports that on the farm of Mr. Buckstrom, thirteen miles northwest of Fargo, indications of coal had been discovered.

Floods in Texas. GALVESTON, Sept. 18.—This city and the island are experiencing a veritable deluge. For five days past loaded clouds have obscured the sunlight, and the rainfall has been almost incessant.

THE NEW YORK STAR. The New York Star, under its new management, makes a good start. In making its debut as "a Democratic paper, issued every morning in the year," the following passage from Mr. DORSEY'S double-columned editorial indicates that the Star has a proper appreciation of the elevated place a newspaper occupies in the community.

COCAINE, which was so recently hailed as a godsend of an anesthetic to sufferers, is causing the victims of its excess to a living death of woe than that which comes from the use of opium.

House Hunting in Full Blast Among Plebeian and Cabinet Officers Alike. How Some of the Notables are Domiciled and Where—Mr. Manning's Home.

Some Interesting Information Ament the Pearl Fisheries of West Australia. Correspondence of the Globe. WASHINGTON, Sept. 17.—Already the fruits of the season at the seaside begin to make their appearance.

THE WORK OF HOUSE HUNTING is now in order. A real estate broker estimates that at least 1,200 houses are vacant in Washington every summer.

INDIANAPOLIS, Ind., Sept. 19.—There is considerable excitement here over the report that there is a large amount of township paper in circulation.

WEEKLY BANK STATEMENT. New York, Sept. 19.—Weekly bank statement: Loans—Increase, Decrease. Specie—\$1,700,000. Legal tenders—1,215,500.

A MYSTERIOUS AFFAIR. GLEN ERIE, N. Y., Sept. 19.—On the New York, West Shore & Buffalo railroad, just east of this point, upward of 700 feet of an embankment thirty feet high, suddenly and mysteriously sank, taking down both railroad tracks.

SMALL POX IN MONTREAL. MONTREAL, Sept. 19.—The official report made at the health office to-day shows that there were thirty-three deaths from small-pox in this city yesterday.

RELEASING THE BOOMERS. ST. LOUIS, Mo., Sept. 19.—Information comes from Fort Scott, Kan., that United States District Attorney Perry has been instructed to have the indictments quashed and to dismiss the case now in the United States court against some ninety Oklahoma boomers.

SOCIETY IN HIGH LIFE.

The Season at the Seaside Beginning to Show its Results Matrimonial. How Some of the Notables are Domiciled and Where—Mr. Manning's Home.

THE MEETING AT WINONA

After a Successful Session the Congressional Assembly Adjourns. Discussing the Question of the Treatment of Indians.

Special to the Globe. WINONA, Minn., Sept. 19.—At the afternoon session of the Congressional assembly on Friday, Gen. S. C. Armstrong addressed the members relative to the Hampton mission.

DISTRIBUTION OF RECEIPTS. For Miss Burrows—\$650.00. For Miss Brown—521.18. Young ladies work—343.43.

Resolved, That we hereby express our hearty acknowledgment of the cordial extension of the invitation to attend the Winona Republican, the DAILY GLOBE and Pioneer Press of St. Paul.

Resolved, That we reaffirm our allegiance to the Union, and in doing so we pledge our support to the endeavor to establish constitutional prohibition; and, Whereas, this association has, in the past, been a source of aid and comfort to the state as feeders to Carleton college, and as Execlior academy, the first to reopen to this state was started a year ago with the cordial approval of the legislature.

Resolved, That we are impressed with the claims of our work in all its departments, emphasized as they are by the indications of a new era in the history of our country.

Resolved, That after the inspiring address to which we have listened on the subject of "Christianizing the Indian," we are more than ever convinced that it is both more humane and more economical to induce Indians to this subject to the attention of the citizens of Minnesota.

Resolved, That we are impressed with the claims of our work in all its departments, emphasized as they are by the indications of a new era in the history of our country.
