

CAMPBELL'S PATIENCE

Being Sorely Tried by the Dilatory Movements of the Senate Judiciary Committee.

President Cleveland Vetoes the Bill Designating Omaha, Neb., as a Port of Entry.

Eleven Buildings Burned at Keystone, Ia.—Fire Still in the Harbor at Duluth.

The Brainerd Roller Mill May Go to Duluth—Shippewa Brewing at Chippewa Falls.

The Campbell Case. Special to the Globe.

WASHINGTON, April 30.—It is understood that nothing further will be done in the Campbell case for some days yet. The committee does not find much matter of value or weight in the suit sent here by the Manitoba board of trade, and it seems probable the matter will be settled within a week by the confirmation of Campbell. The delay in the case is the cause of the unfavorable comment in the part of both Democrats and Republicans here. Campbell has been waiting and watching here for weeks. He is persistent, however, and says he will fight it out if it takes all summer.

ANOTHER VETO.

Cleveland's Reasons for Not Making Omaha an Entrepot.

WASHINGTON, April 30.—The president has vetoed the bill to make Omaha a port of entry. In his message the president gives as his reasons for declining to approve the bill that Omaha was named in the act of June 10, 1850, as one of the places to which imported merchandise might be immediately shipped after entry at the port of arrival; that a proviso of that act declared that its provisions should not extend to any places at which there were not the necessary officers for the appraisement of merchandise and the collection of duties, and the privilege was granted to the collector of duties to refuse to receive any such officers there, and therefore if the legislation proposed should become operative the privileges would still be subject to the proviso attached to the law of 1850, and such newly granted privileges would be liable to immediate withdrawal by the secretary of the treasury. He cannot see, therefore, that the privileges gained by this legislation. If the circumstances should warrant such a course, he says, the authority which withholds such privileges can be removed without the aid of a new statute. This proposition is sustained by an opinion of the attorney general dated in February, 1885. If the design of the bill, the president says, is to restore to the city the privileges which were permitted by the law of 1850, it seems to be entirely unnecessary, since the power of such restoration is now fully vested in the treasury department. If the object sought is to bestow such privileges, entirely free from the operation of the proviso, the language of the bill does not accomplish the result. The government has not now at Omaha "the necessary officers for the appraisement of merchandise and the collection of duties, which by such proviso are necessary, in order to secure to any place the advantages of the same without the operation of the proviso." In the absence of such officers, the proposed legislation would be nugatory and inoperative."

Y. M. C. A. District Conference.

DULUTH, April 30.—The district conference of the Young Men's Christian association began its labors here this evening. There will be a discussion of the topic, Personal Work, Its Value, and How Promoted. There will be a singing of songs on Friday afternoon and evening and on Sunday all will conclude with a farewell meeting at the Grand opera house. Among those who are expected to take a leading part in the proceedings are Thomas Cochran, St. Paul; C. E. Dyer, Minneapolis; Secretary Williams, John H. Elliot, general secretary at Minneapolis, and Andrew Clemens, secretary at Stillwater.

Damaged \$20,000.

DULUTH, April 30.—In the district court to-day the appeal case of Peck & Son against the Superior Short Line Railroad company was taken up. A. M. Miller, collector Moore, Mr. Barber, Mr. Flournoy, general agent of the Superior Short Line, and Mr. Meizinger, St. Paul lumberman, were called to testify. Peck & Son claim the loss of the three lots damaged all their property to the extent of \$20,000.

To Move to Duluth.

DULUTH, April 30.—Mr. Howes of Howes & Davis, owners of the Brainerd roller mill, will, in town and country, have about decided to remove their flour mill from that point here and increase its capacity to 400 barrels per day. It is probable that the new mill will be erected on a site at the corner of the street which the luth Dock company is building on the Bay Front addition.

A Big Blaze.

KEYSTONE, Ia., April 30.—Keystone was visited by a terrible fire last night. The postoffice and ten other buildings were destroyed. The fire spread rapidly, and it was with the greatest trouble that the postoffice records and valuable mail matter were saved. Much of the unimportant mail was destroyed.

Cottain's Beach Duluth.

WASHINGTON, Wis., April 30.—The propeller Winslow arrived this afternoon from the east. She was prevented by the ice from going into Duluth, and is discharging her entire cargo of merchandise here, and will take on a full cargo of flour for Buffalo.

Will Produce a Revenue of \$15,000.

DAVEPORT, Ia., April 30.—The city council of Davenport last night passed an ordinance licensing vendors of drinks not prohibited by law, and it is thought that this will produce a revenue of at least \$15,000 annually, as well as reduce the number of saloons.

His Recovery Doubtful.

LATVIA, Minn., April 30.—Rev. Henry A. Seeden of Royaton was taken on board the train and taken to Royaton, where he has a church and congregation devotedly attached to him. He was an assistant at the wedding near Rice's Station. The patient was in charge of Dr. George E. Putney of Royaton and his brother James S. Seeder of Naperville, who has been in constant attendance since his arrival. The Rev. Seeder would have been removed to Minneapolis yesterday, but his congregation and friends at Royaton would not permit it. He is desired to care and provide for him. Rev. Seeder is now suffering from diphtheria. He is a native of Iowa, and is a member of the Methodist church. He is very young and his recovery doubtful.

A Hint at Domestic Intelicity.

CHIPPWEA FALLS, April 30.—One of the most sensational cases of domestic infelicity this city has seen for some time came to light this week, implicating several well known parties, one being a gentleman connected with a leading Milwaukee house. Divorce proceedings had been instituted, and the case will probably be tried at the coming term of court, which convenes next week. The case promises to be of a very sensational character.

Will Hide in New Cars.

DULUTH, April 30.—The radical changes for the better to be made in the street railway service of Duluth, was detailed in the Globe some time ago, begun to-morrow. Several car loads of rails and a pair of ties arrived yesterday and the work of laying a second track began to-day. The old track,

which is perfectly good, will not be replaced. Six new cars of the very latest design arrived from St. Louis this morning, and will be substituted for the old ones in a short time. When the double track is complete cars will pass each street corner going both ways. Every seven minutes.

Fourth-Class Postmasters.

WASHINGTON, April 30.—The postmaster general to-day appointed the following fourth-class postmasters:

Andrew Abell, Beaver Creek, Rock county, vice J. O. Tyler; S. A. Gordon, Corunna, Wis., vice J. O. Tyler; J. H. Larrabee, Foster county, vice W. H. Larrabee; K. G. Hogan, Walcott, Richland county, vice F. B. Walcott.

Washington—Northwestern Notes.

WASHINGTON, April 30.—There is a plea of work now being completed in the general land office which is of very great importance. It is the adjustment of the grants made at various times since 1860 to railroads either directly or to states for railroads. It is amazing that this has been left undone for so many years, and shows at the best that the work of the interior department and land office has been greatly neglected and mismanaged.

Faribault.

FARIBAULT, April 30.—Prof. J. C. Dunster, organist of Holy Trinity church, Winnipeg, Manitoba, and of the Royal Garrison church, London, Eng., will give an organ recital in the Congregational church Tuesday evening. On the same afternoon he will give a piano recital at the same place. Our citizens are indebted to Dr. R. N. Jackson for both of these musical treats. As it is through his efforts that Dunster has been engaged. —Andrew Blas of Cedar Lake was yesterday adjudged insane and ordered committed to the Rochester asylum by Judge Mullen. —Mary Johnson, a blonde from the wicker city of Red Wing, was up before his honor Judge Mullen on a charge of larceny from the house of Adorn Weyer. The trial was put over till to-morrow evening. —There were twelve arrests in the city of Faribault last night. At the Methodist Episcopal church the usual Sunday services at 10 and 7:30 a. m. were held at 7:30 p. m.
