

MORRISON'S MEASURE.

Belief in Washington That the Tariff Bill Will Not Be Considered This Session.

An Understanding Said to Exist Between Randall and the Author of It.

Sharp Reasons Given by the President for Vetoing a Quarter of Proposed Penions.

The Idea of a Constitutional Amendment to Deal With the Mormon Question Indorsed.

The Tariff Bill.

WASHINGTON, May 24.—An impression is growing among members of the house that there will be no discussion of the tariff bill at this session, and many theories are advanced to strengthen this belief.

When compared with the duty which would devolve upon Democrats in explaining its defeat. The president, it is asserted, desires an adjournment of congress as soon as possible, yet a number of tariff reformers, including the speaker, are credited with urging Mr. Morrison to insist upon consideration of his bill.

Report of the House Judiciary Committee.

WASHINGTON, May 24.—The report of the house committee on the judiciary to accompany the joint resolution proposing a constitutional amendment on the subject of polygamy, is a long document dealing in detail with all branches of the subject.

Change in the Constitution.

The religious aspect of the matter is discussed as follows: It has been the settled opinion of the best thinkers of religious conscience that when religious faith permits crime its sincerity cannot shield it from the penalty of the civil law.

A Quartette of Penions.

WASHINGTON, May 24.—The president has vetoed a quarter of the bill granting pensions to Dudley B. Branch, Louis Melcher, Edward Ayers and James C. Chandler.
