Charges Against a Priest. Special to the Globe.

BRainerd, Minn., July 16.—Quite a scandal, which has been brewing here for several days, has materialized in the past twenty-four hours. Rev. Father T. A. Vandy, in charge of the Catholic parish here, an eloquent and able clergyman, and extremely popular in and out of his church, is the victim. He is charged by one Oliver Tuergon of Terrebonne, Folk county, Minn., with conducting a lottery with his wife, Nathalie Tuergon. A warrant was served upon Rev. Vandy and he promptly gave bond for his appearance on Wednesday next to answer the charge. Rev. Vandy strongly resists his accusation, and his friends, who have the greatest confidence in his purity of character, indignantly declare that he is the victim of a blackmailing scheme. This evening a printed circular, containing a letter from Bishop Seidenbusch to Rev. Vandy, claiming that the Tuergons have been attempting to extort money from the latter, was scattered broadcast throughout the city.

Buying Pine Lands. Special to the Globe.

Eau Claire, Wis., July 16.—Papers were drawn this afternoon for the transfer by local lumbermen to Frederick Meyerhauser of pine lands on the west fork of the Chippewa, for a consideration of \$74,000. The tract comprises about 24,000,000 feet of standing pine, as estimated by the assessor, and is situated on the Mississippi River Logging company, which is taking rapidly all the pine lands in this region which can be found in the market by industrial lumbermen. Meyerhauser had just purchased \$70,000 worth of pine land from H. C. Putnam of this city. More heavy deeds are being figured.

The Milwaukee Strikers. MILWAUKEE, Wis., July 16.—The striking journeymen masons and bricklayers, numbering 400, who went out because the boss masons wanted to return from the eight to the ten-hour system, are taking steps to form a co-operative association for the purpose of selling their own bricks. The contract is to be made on the basis of either side yielding. Work on all the buildings in the city is at a stand still, and next week the boss masons will begin to import non-union workmen from elsewhere.

The Prohibitionists. Special to the Globe.

FEBRUARY FALLS, Minn., July 16.—The prohibition county convention was held in this city to-day. A full ticket was nominated—Senator, A. C. Pettit, Ferguson; representatives, John M. Johnson of Pelican, and Fred M. Field of Osear; sheriff, J. H. Brown, Western; register of deeds, J. I. Allen; justice of the peace, D. Barbarko; county commissioners, First district, Mr. Simons; Second, C. M. Late; Third, E. E. Fullerton; Fourth, A. A. Heath; Fifth, J. A. Sherwin.

Paving for Sioux City. Special to the Globe.

SIoux City, Ia., July 16.—The contract for paving the city to-day closed with J. B. Smith & Co. of Chicago. Under this contract about six miles of paving will be done. The price is \$1.25 per square yard for six-inch cedar blocks. The work will commence in about twenty days. It is probable the firm will bring the bulk of the material here and erect a large mill to do the sawing.

Postmasters Appointed. WASHINGTON, D. C., July 16.—The following Minnesota postmasters were appointed to-day: William Olson, Spicer, Kandiyohi county, vice Burton B. Sweetland, declined the position; Stinson, M. Smithfield, Wabasha county, vice Charles G. Davis, removed; D. W. Ledy, Esprit, G. V. Swearingen, Sidney; W. B. Harris, Wheeler; also John Murray, Lorisburg, Iron county, Duke; and David Miller, removed.

Voted for Water Works. Special to the Globe.

BLACK RIVER FALLS, Wis., July 16.—At the special election held here to-day for the purpose of voting on the proposition to issue the city \$20,000 to put in a system of waterworks, there were 243 votes cast for bonding the city and 10 against bonding. The vote was light.

Fire at Appleton. MILWAUKEE, July 16.—A special from Appleton, Wis., details the destruction by fire of Syme & Jones' saw factory, together with a large quantity of bolts and finished headings. The burned district embraces about three acres. The loss is estimated at \$25,000. Insurance \$15,000. Seventy-five men are made idle by the fire.

It Was the Wrong Girl. Special to the Globe.

MASKATO, Minn., July 16.—In the Globe of the 14th inst. appeared an item stating that a Mankato girl, Malinda Hines, was found by the St. Paul officials occupying a vacant house, and was sent home to this city on the evening train, and that the girl stated she was there looking for work. It has since been ascertained that the girl's name, instead of being as stated above, is Peterson, and that she has been in town all the time, previous to and since the date of said notice. The Cannon Valley railroad has received notice to give red justice and unpleasant notoriety to a most estimable girl of that name residing here, who has never been in St. Paul, and has been in town all the time, previous to and since the date of said notice. Robbers at Kasson. Special to the Globe.

KASSON, July 16.—Thieves visited this place last night, but only in rather a small way. A. L. Porter's store was again visited, access being gained by prying open a back window. The money drawer was rifled, obtaining some \$4 or \$5 in gold and silver. An attempt was made to open the safe by breaking in the padlock, which secures a bar clasping across the front of the safe, but didn't get farther. At Nelson & Nelson's a basement window was gained through a basement window, but they failed to get anything. At Earl Stout's fruit and confectionery store a window was gained by opening a back window, and the cashier, J. L. Stout, was taken to some one's car. Suspicion points strongly to two men who were selling cheap jewelry on the streets last night, calling it "Modock metal." They ostensibly stopped at the Hanley house, but did not go to bed and were gone this morning.

Minnesota Chautauqua. Special to the Globe.

WASKECA, July 16.—Minnesota Chautauqua closed to-day with a lecture by Dean Wright on the old or new Bible. At a second meeting of the stockholders of the association it was resolved to sell all of the lots at cost, and each man holding but one lot. The debt will be paid, a new art hall and amphitheater will be built, and the program for the year exceeded the receipts a little more than \$100. The program was much better and more extensive, but double the number of persons visited the grounds. This evening's Chautauq McCabe opens the state camp meeting, which lasts two weeks.

Iowa Rowing Association. Special to the Globe.

SPRIT LAKE, July 16.—The annual contest of the Iowa State Rowing association will be held here next Tuesday. There will be a junior single and junior double race, a contest between junior pairs, also a junior single and a junior double scull race and a four-

No serious objections were made by the executor, but a former lawyer employed by her objected to the allowance on the ground that a claim he held against Miss Hoyt for professional services would be jeopardized. The surrogate granted Miss Hoyt an allowance of \$10,000.

Poisonous Chicken Salad. MATTOON, Ills., July 16.—Last night at Charleston, in this county, Mr. and Mrs. Edward Wiley gave a luncheon party to their friends. Nearly all of the guests partook of chicken salad at the refreshment table, and before the evening was over showed symptoms of poisoning. All the doctors living in the vicinity are now waiting on the sick, of whom there are twenty-five or thirty. The following are still in a serious condition: Mr. and Mrs. C. G. Stone, W. Lynch, Miss Fannie Hutchinson, Mrs. F. M. Locke and Mrs. J. M. Davis.

Boynton of Minneapolis will hold services at the Universalist church next Sunday morning and evening. Day Lesser was home a few days last week, but returned to Northridge, Dak., on the Jim river where he is at present engaged. D. H. Moon and family came down from St. Paul last Friday. Mr. Moon returned home the first of the week, but his family will visit friends in this vicinity. Hargensheimer has sold over 500 pounds of Paris green this season, the crop of potato bugs being unprecedented.

AUSTIN. AUSTIN, July 16.—There is a movement here to induce a party from Wisconsin to the democratic paper in time for the fall campaign. The gentleman in view has means and ability and will undoubtedly give us what we have long needed—a good, live, Democratic paper. A row occurred at the poor farm yesterday between two of the inmates, during which one by the name of Lambert, a club and a bunch of bricks were thrown over the fence. Lambert has been there for about two months and has been considered dangerous. He was arrested and brought before Justice Sheely and committed to the county jail for sixty days. A. R. McGill was in the city yesterday, calling on the acquaintance of politicians. The fight between Lovely and Duncell for Mower county is waxing warm and much interest is being done by both parties. The chances are in favor of Duncell, as Lovely made himself obnoxious to many by the course he pursued some years ago during the Pargo trouble. He was one of Pargo's warmest supporters, stopping at the hotel and going to fight to advocate the cause of Pargo against the people, which they have not forgotten nor forgiven.
