UNIVERSITY AVENUE

Look at the topography of this avenue and one cannot but see that it is the coming retail business street of the city. At present prices, a rapid advance is bound to follow in the value of this property. Now is the time to buy. Do not hesitate, but secure a lot before the advance and be happy. We are sole agents for over 30 lots on this avenue, which can be sold at prices that are sure to net over 100 per cent. on money invested before spring. The street cars now run within one block of the property we offer, and will surely be extended. For prices and terms apply to

BACON & COLEMAN, or H. SAHLGAARD, 313 Jackson Street.

"ARE THESE PANTALOONS?"

"Or are they what?" ejaculated Col-Gilhooley, when he arose, and, as he put on a pair of pants his tailor made for him, he swore they did not fit. He threw the garment on his couch disgusted. SATTLER BROS., at 61 East Third street, could have sold Gilhooley pants or a Full Suit and fitted him to a T. It is very aggravating to pay a high price for a suit and not have it fit. The aggravation is intensified when you learn that SATTLER BROS. could have sold you as fine goods, ready made and fitted you perfectly, at a lower price.
