other plans, the last of which was under the elevator, near the Washington avenue viaduct, at Ninth avenue south. Here most of the goods from Derickson's store were found. The next thing was to get the thieves, and "Shinner" Lynch, a young fellow who has been suspected of several jobs, was arrested Wednesday. The same day information as to the identification of another of the party was obtained and that evening Col. Hill and Detectives King and Hankinson left for Duluth, where yesterday morning they arrested John Kennedy in Killen's saloon. He was asleep in a rear room at the time, and under the bed upon which he lay were found two valises filled with the goods stolen from Janney Bros.' store. It was found that he was the only man connected with the burglaries except Lynch, and was brought back to the city and locked up last evening. Lynch and Kennedy are young men about 20 years of age, and both have been employed as bill-posters for the past two years. Kennedy is a son of John Kennedy, a watchman, living at 633 Jefferson street northeast, and Lynch is the son of a watchman employed at the postoffice.

The boys' gallery at police headquarters is steadily growing, and the "mugs" of offenders of all classes, "strong arm men," "coons," "dips," "ginerers," "safe blowers," etc., are being secured. The value of a photograph as a means of tracing and apprehending criminals is becoming appreciated, and whenever a crook of any prominence is caught his picture is taken and preserved for future reference. The victims object in nearly all cases to this, and the efforts to prevent being photographed are sometimes ludicrous and unavailing. Once in a while criminals who are "wanted" in other cities will go so far as to

resist efforts to place before the camera. When the caucus was held, the delegates will be asked to place before them the names of the candidates whom they wish to support.

force the payment of sidewalk and gutter tax an order was made yesterday setting aside the judgment and allowing the filing of an appeal. The judges that the owners are willing to pay the regular tax, but are not willing to pay the special tax, which, it is claimed, was set aside by the council.

Articles incorporating the Eighth Ward Relief association were filed yesterday by John E. Bell, Albert Nichols, Albert Lawrence and others. The capital stock of this association is \$100,000. The first annual meeting will be held on Monday in May, when officers will be elected.

Hugh Fenimore was yesterday ordered committed to the insane asylum. His insanity is of the chronic type. A motion for a new trial in the case of Conway Hodson vs. Ebenezer Hodson was denied yesterday by Judge Young.

Marx Abraham has sued Mack Bros. & Co. to recover \$491, alleged to be due as commission for selling goods. The suit was filed in the district court yesterday.

Mortimer J. Higgins and wife yesterday filed a bill of J. B. Tabour's Second addition to Minneapolis.

A LICENSE REVOKED. An Alleged Mock Auction Store on Hennepin Avenue to Be Closed. The council committee on licenses and police met jointly to consider the petition of certain business men for the revocation of the license of Max Greenberg, who runs an auction room at 204 Hennepin avenue. There have been a number of complaints that strangers were being "done up" by means of cappers who induced them to buy worthless wares at good prices.

By the Band of Art. Messrs. Franz Behner and H. Mechalowski, of the staff of panorama artists, have completed their changes and improvements of the Bata panorama, and it will be re-opened to the public again to-day. These changes are so many and yet so insignificant in themselves as to hardly bear enumeration, but they contribute immeasurably to the enjoyment of the public. The changes have been made in the great picture, which is the best of its class, but a number of objects have been added calculated to more clearly disguise the line between the painted and the real. Chief among these is an old-fashioned lamp in part painted and in part real, the line of which is the most striking of the picture. Several of Mechalowski's best figures have been added, some of them in part on the foreground and in part of the picture, and the great painting dusted and made more attractive than ever.

They Disagreed. The wholesale jewelry house of Reed & Daley, on Nicollet avenue, was yesterday placed in the hands of C. E. Ellett as receiver. The firm was prior to J. Reed, Daley & Betman, when the latter gentleman retired. The business has since been conducted by the two remaining members of the firm, between whom a disagreement arose which resulted in a suit being filed in the district court yesterday.

ALL SORES. A single man's endowment association should pledge its members to secrecy. The trouble with a Minneapolis institution has been that too many members got married at the same time, and the result was the disclosure and hastened the nuptial day.

PERSONAL AND SOCIAL. James J. McCafferty, St. Paul, is at the West. J. S. Cooper, of Coldwater, Mich., is at the Nicollet. W. G. Sawyer and wife, of Northfield, are at the Nicollet. Senator C. B. Buckman, of Sauk Rapids, is at the Nicollet.

PERSONAL MENTION. C. A. Neumann says he has received no letters from Bishop Foss and his first intention of such a letter was seeing it in yesterday's Globe. He says it would have been forwarded for him by the Danish meeting with that letter in his pocket and have made no allusion to it. "I would have necked it as one plucks a chicken," he said.
